Зимнее утро

Мороз и солнце; день чудесный!

Еще ты дремлешь, друг прелестный –

Пора, красавица, проснись:

Открой сомкнуты негой взоры

Навстречу северной авроры,

Звездою севера явись!

Winter Morning

Snow, frost and sunshine…Lovely morning!

Yet you, dear love, its magic scorning,

Are still abed… Awake, my sweet!…

Cast sleep away, I beg, and, rising,

Yourself a northern star, the blazing

Aurora, northern beauty, meet.

cause and effect relations

- Millions of years this country was cut off the rest of the world,
- Severe droughts, floods and cyclones happen very often on the continent,
- People go for holidays or just on a day trip to the seaside,
- It covers 4,500 kilometers from one ocean in the west to another in the east,
- It's surrounded by the seas,
- It is sometimes called the Land Down Under,
- Its coast is over 6,000 miles long,

a) because in this country you are never very far from the coast and there are lots of seaside resorts.

b) that's why people suffer from skin cancer.

c) because people live within four time zones.

d) that's why its animals and plants are so unique.

e) so no place there is more than 75 miles from the sea.

f) that's why fishing has always been an important industry.

g) so, life is not easy there.

Celine Dion

My Heart Will go on

Every night in my dreams
I … you, I … you
That is how I … you go on.
Far across the distance
And spaces between us
You … … you go on.

Near, Far, wherever you are
I … that the heart does go on
Once more, you … the door
And you're here in my heart,
And my heart … and on.

Love … us one time
And last for a lifetime
And never … till we're gone.
Love … when I loved you,
One true time … on to
In my life … always ….

Near, far, wherever you are
I … that the heart …
Once more, you … the door
And you're here in my heart,
And my heart … and on.

You're here, there's nothing I …
And I …that my heart will go on.
We'll …, forever this way
You … safe in my heart
And my heart … and on.

Thank you
