

**THE STUDY OF THE
AMERICAN DEMOCRACY
IN TODAY'S WORLD**

The Study of the American Democracy in Today's World

To elicit the contradictions between the main principles of a democratic system and their modern realization in the USA.

With this goal in mind we identified the main tasks:

1. To study the concepts of democracy.
2. To outline all kinds of democracy.
3. To trace the history of the development of democracy in America.
4. To study the foundations of the democratic government of the USA.
5. To examine the current policies of the USA in regard of their compliance with democratic principles.

The Concepts of Democracy

- ◉ Direct or indirect (through elective representatives) governance of the country by people;
- ◉ The State, the country, the community, which has the democratic government;
- ◉ Governing of the majority;
- ◉ Perception and realization of the principle of equality of rights and freedom of citizens, as well as their opportunities.
