

Looking good,
feeling good

It goes without saying that everybody wants to keep fit, in other words, to look good and to feel good. What are the reasons for it?

- ❖ First of all you should be in good shape to cope with all kinds of stressful situations in our hectic world if you want to make a career and be successful.
- ❖ Besides researches say that well-presented people get the best out of life because they provoke (cause) innate respect in others.

What is it to feel good?

❖ The main thing is to **be healthy**. For if you are ill, you can't think of anything else, you don't need anything.

❖ **be full of energy**

❖ **be in a good mood**

❖ **be satisfied with your looks**
