

Grammar practice

The background of the slide is a faded, light-colored image of the Tower Bridge in London. The bridge's two massive stone towers and the suspension cables are clearly visible. In the foreground, a white multi-decked ferry boat is moving across the River Thames. The overall scene is captured in a soft, slightly hazy light, giving it a calm and scenic appearance.

**It is named in memory of
Admiral Nelson's victory.**

**New York is visited by
thousands and thousands of
tourists every year.**

**The square is planned round
the monument.**
