

А какой план у тебя?

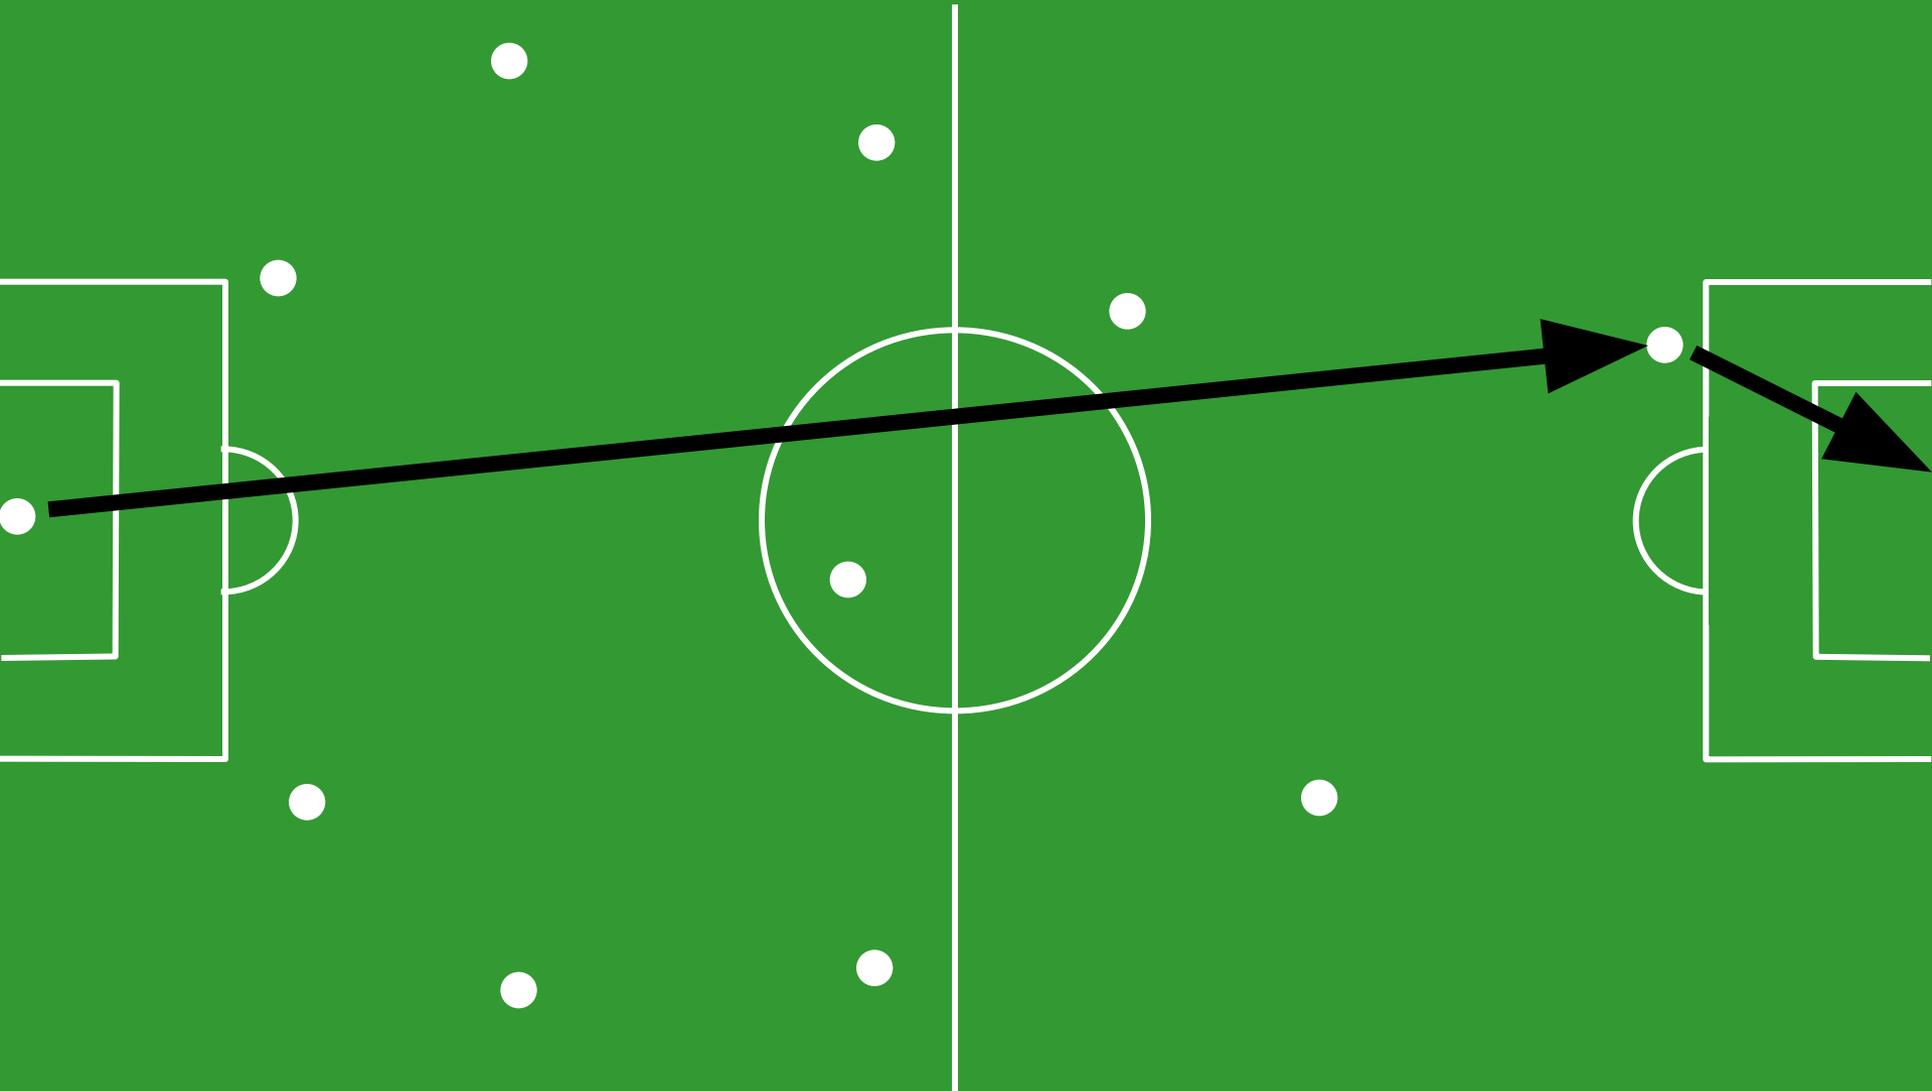

Aegis Football Team

The German Plan

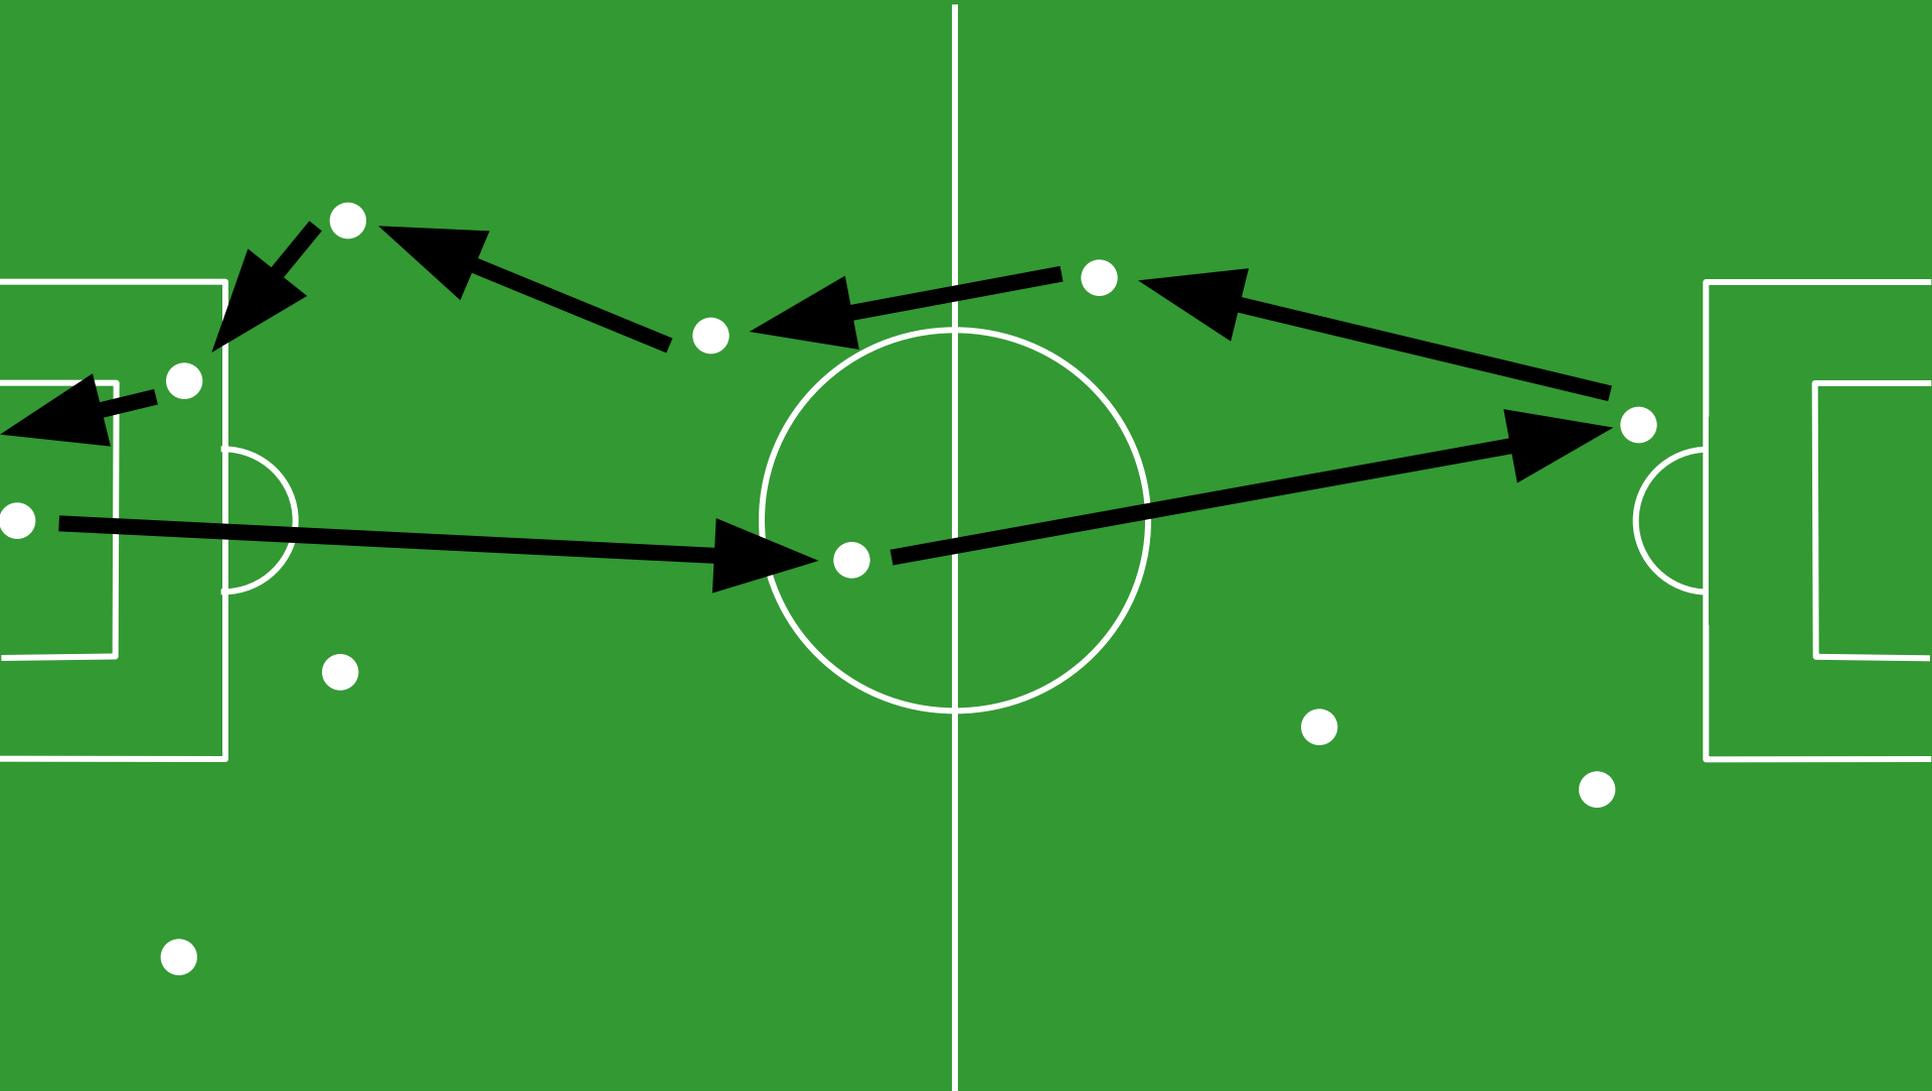

Radical, efficient, unstoppable... (ball's speed may reach 297 km/h)

The English Plan

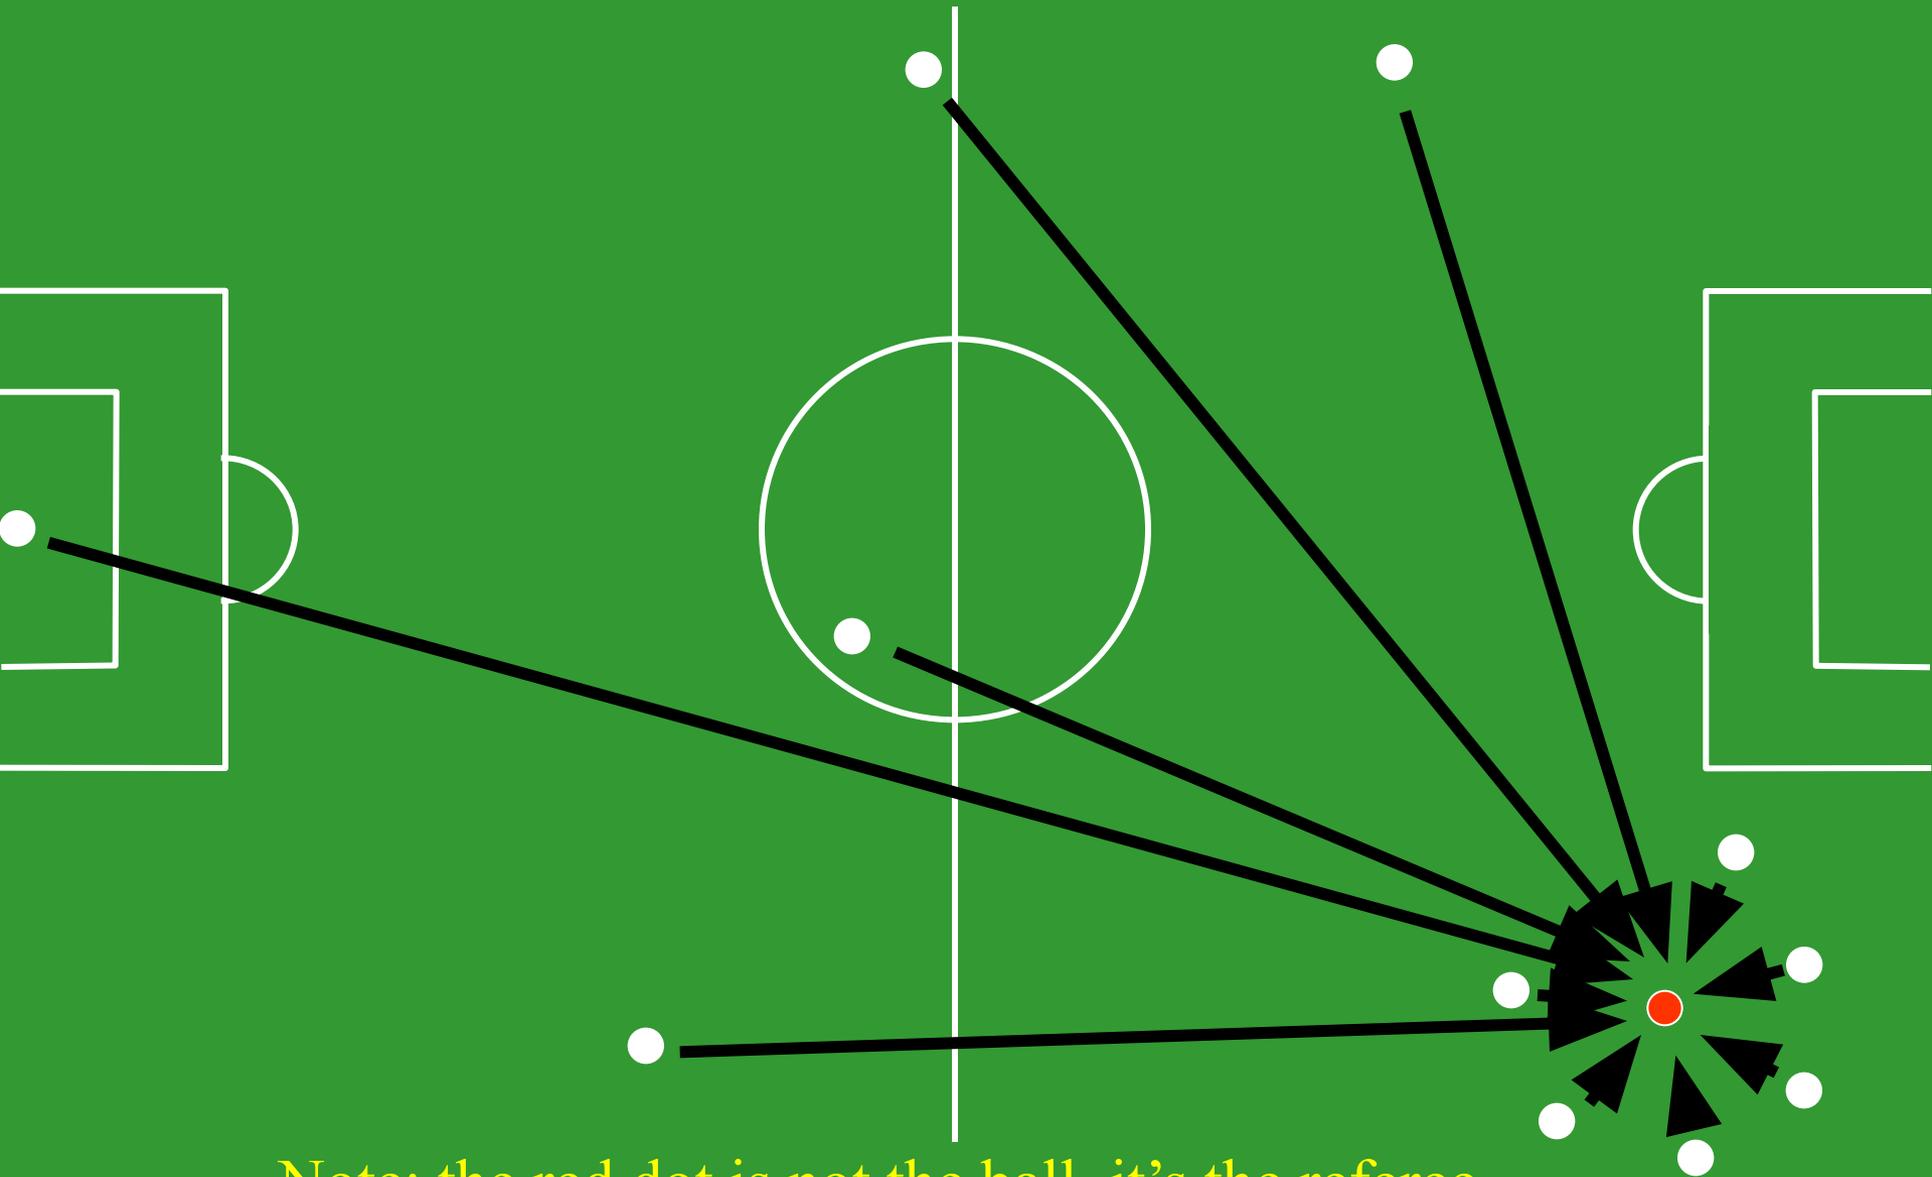

Depending on the wind, the striker's position may vary...

The Swiss Plan

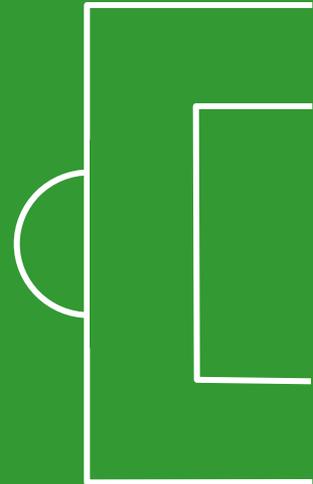

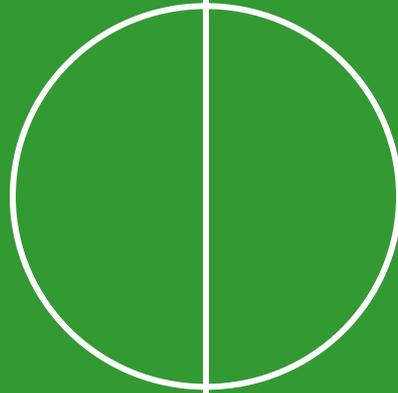

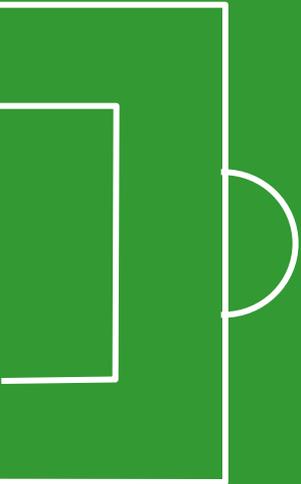

They manage to lose the game by themselves, no help needed.

The Turkish Plan

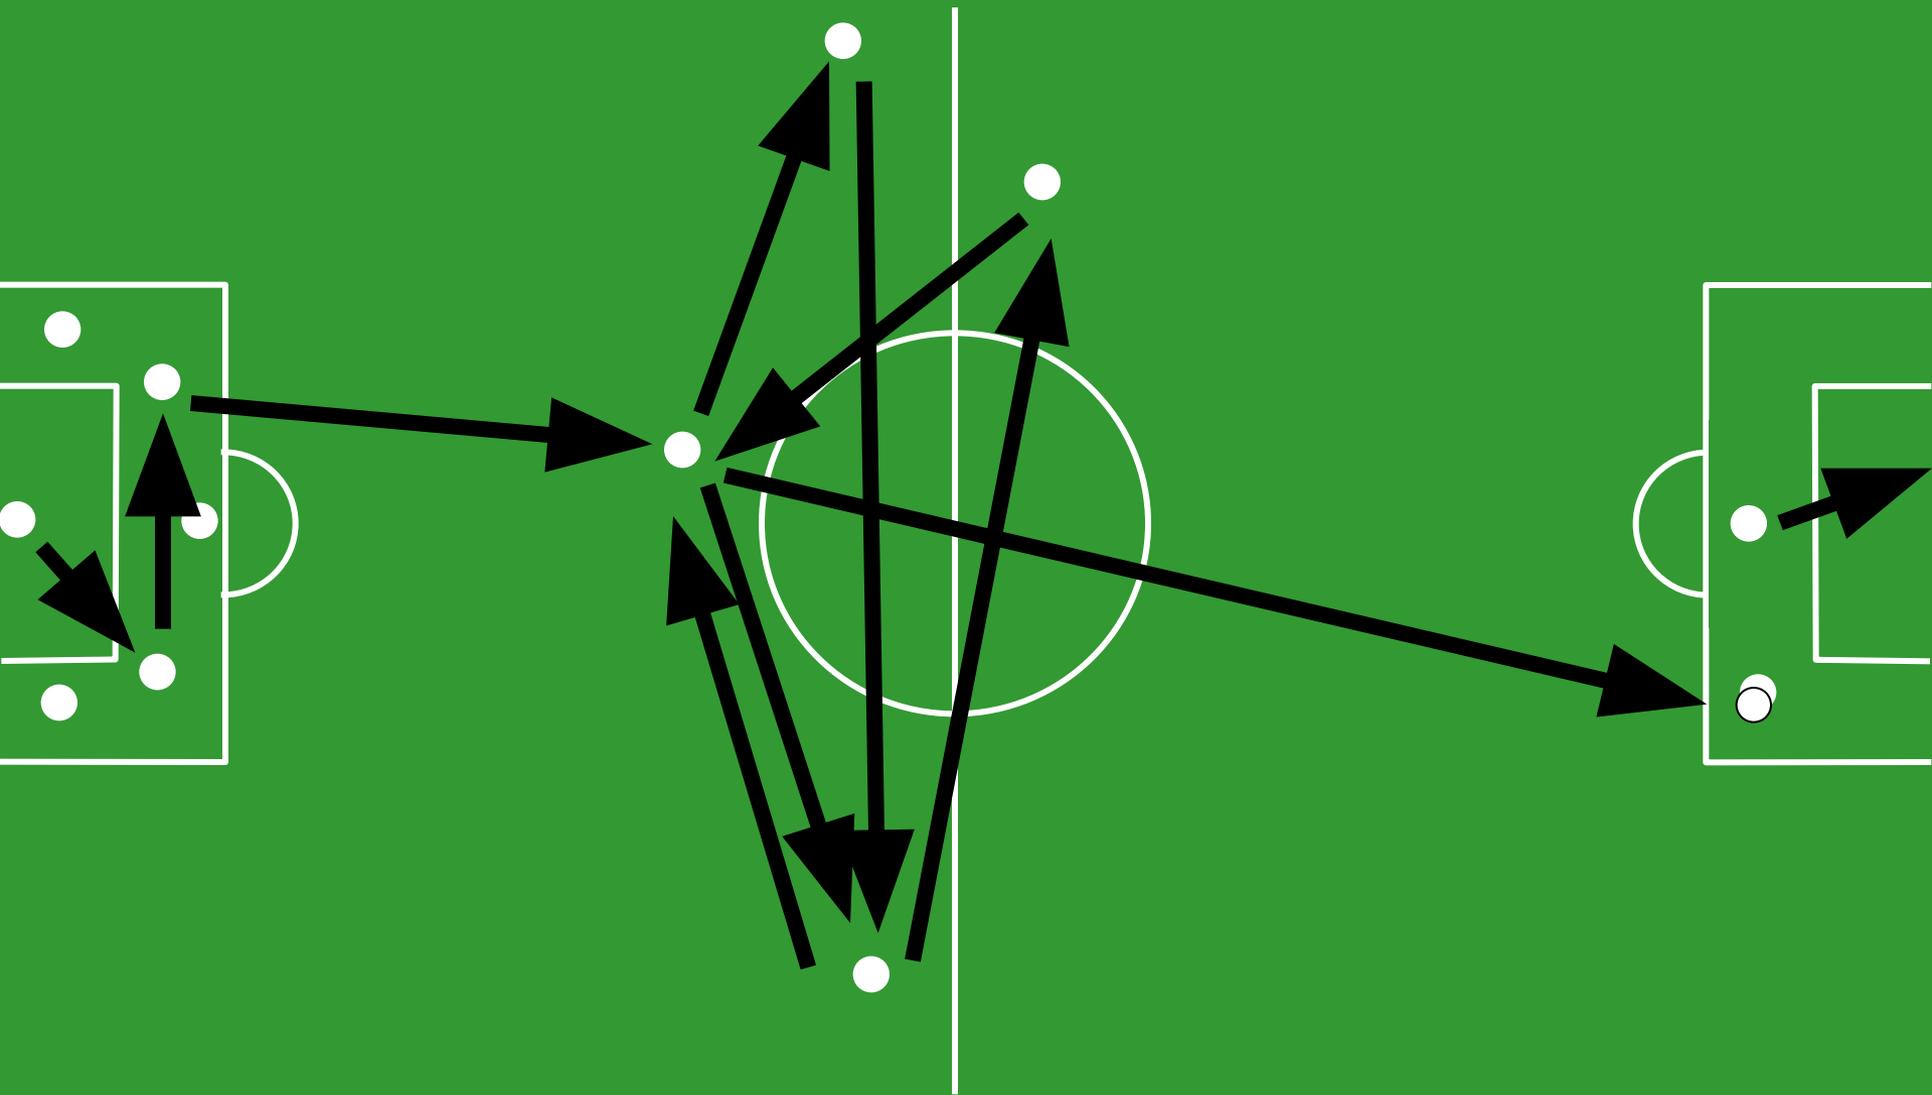

Note: the red dot is not the ball, it's the referee.

The Danish Plan

Stay at home and watch the others on TV!.....

The Italian Plan

Iron defense, small ideas in midfield, passes to striker..and...Penalty

The Brazilian Plan

... no comments!

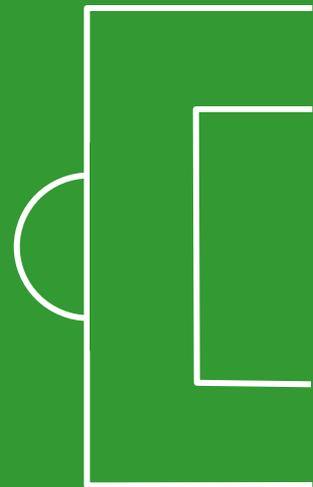

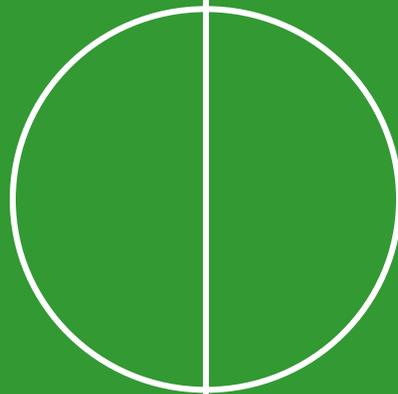

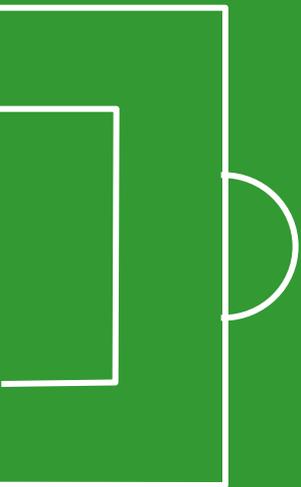

The French Plan

In their plan, they try all possible hypothesis.

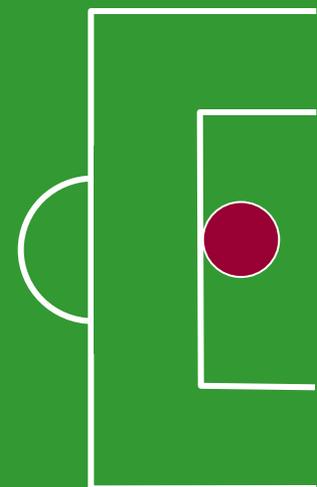

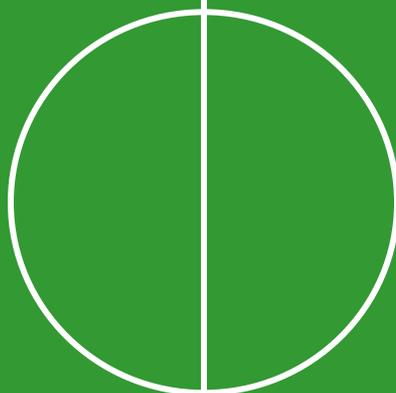

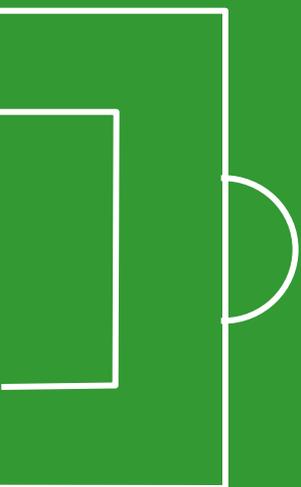

Shit! They forgot the goal
