

# Табличные случаи умножения и деления

# Внимание!

К мудрой Сове на урок прилетели светлячки, но они – озорники спрятались в коробочки. Сова уже давно их нашла, а ты сможешь догадаться где они? Внимательно читай выражение и ищи правильный ответ!

Удачи тебе!

**Не торопись!**

**Будь внимательней!**

$$12 : 3 = ?$$
