Hi. I am Homer Simpson. I like food. Do you want to know, what are my favourites? Well, first of all I like **burgers**. I like them flamed on the grill, I like them fried on Marge's stove. Burgers are one of my favourite foods. I also like **hot dogs**. I eat them at home, in the garden, in the car and in the parks. I can have them for breakfast, lunch and dinner, too. I like **pizza**. Hot or cold – I don't mind. **Chocolate** is also very tasty. Sometimes I eat it in front of the TV. When I have a break at work, I like eating ring donuts. They are so delicious. Do you like them too? In the mornings I like to have **pancakes**. My wife Marge is really good in making those. In the evening I often have **beer nuts**, when I watch TV. Beer nuts is a kind of snack made of peanuts, corn syrup and salt - all fried in vegetable oil. It is not made of beer. And what do I like to drink? **Duff beer** of course... And what don't I like? Well, spinach doesn't taste very nice. And I don't like cabbage.

Hello. I am Marge Simpson. I am a housewife now, but I also used to be a waitress on roller skates, a police officer, a pretzel maker and an employee at Springfield Nuclear Power Plant. I like to cook for my family. I make breakfast every day for my beloved husband Homer and for my three kids Bart, Lisa and Meggie. I know what each of them like. My favourite food is a **peach cruble** and also **noodles with melted butter** on top. I like all **fruit juices** and I also like **sparkling mineral water**. Sometimes I have a small piece of **chocolate**. I like fresh **fruit** – especially **apples, peaches** and **strawberries**. Sometimes Homer buys for me a little basket of **cherries**. For breakfast I usually have a **sandwich with tuna** and **eggs** and cup or two of black **coffee**, in the evening I have a cup of green **tea**. I don't like beer, burgers and hot dogs.

Hello. I am Bart Simpson. I am a school boy. I live in Springfield with my family. We have a dog, too. His name is Santa's Little Helper. And our cat's name is Snowball. Do you have a pet? Now, what's my favourite food? Well, it's a bit difficult. I like **butterfinger candy bar**. Do you know, what it is? Well, it's a chocolate bar with an orange coloured center with the texture similar to crisp caramel. All that is coated with chocolate. And it's yummy! I like **Krusty burgers**, I like **chocolate and vanilla ice-cream**, I like **hot dogs** as my Dad and I like **milkshakes** of all types. I also like **french fries**, but my Mum doesn't want to buy me those. She always gives me a **sandwich** and some **fruit** or **vegetables** for my packed lunch. And what do I like to drink? I like **Coke**, **lemonade** and sometimes **tea**.

Hi. I am Lisa Simpson. I am a vegetarian. I like to eat anything with no meat. And what is my favourite food? Well, in the morning I like to have some **cereals**, **fruits** and **nuts** with **milk**, and a cup of nice hot **tea**. For lunch I very often have some **pasta** with **cheese**, or **rice** with **vegetables**. I like **vegetable salads**, too. Sometimes my Mum makes **mashed potatoes** with **vegetable stuffed mushrooms** for me and for my brother Bart, but he doesn't like it much. As a dessert I like **apple pies**, **pancakes**, **brownies**, and **cookies**. And I love **rice pudding** and, of course, **ice-cream**. Well, who doesn't? Every Saturday my Mum makes **cinamon plumbs** with **French toast**. That is really nice and tasty.. Sometimes I have **vegetable burgers**. I like all kinds of **fruit** and **vegetables**. I like **beans** and **lentils**. I mostly drink **still mineral water** and **green tea**. I don't like **Coke** and **sweet drinks**.
