

Комплексные практические задания по дисциплине «Мировая экономика»

Методика решения

Практическое задание

1. На основе данных МВФ проанализируйте четыре макроэкономических показателя, характеризующих уровень экономического развития трех крупнейших экономических держав, включая страны ЕС в целом.
2. Выберите пять субиндексов конкурентоспособности согласно последнего отчета ВЭФ «О глобальной конкурентоспособности», на основании которых можно оценить уровень открытости экономики по выбранным странам (из ЕС выберите страну с наиболее высокой долей ВВП в ВМП)
3. Постройте конкурентную карту и сделайте выводы.

Задание необходимо оформить в виде презентации, выводы должны быть представлены в виде заметок к слайду.

Решение практического задания

1 этап. Выбор и анализ макроэкономических показателей.

- Использование базы данных и статистического инструментария на сайте МВФ (www.imf.org)
- Выбор стран-объектов или аналитических групп
- Определение показателей
- Визуализация в виде линейной диаграммы
- Экспорт данных в презентацию
- Анализ данных в виде выводов

2 этап. Анализ конкурентоспособности

- Выбор субиндексов из приложения к отчету ВЭФ «О глобальной конкурентоспособности 2011-2012»
- Построение конкурентной карты по выбранным странам
- Анализ данных в виде выводов

Этап 1. Выбор и анализ показателей

(порядок работы с базами данных)

The screenshot shows the IMF website's main page. At the top, there is a navigation bar with the IMF logo on the left and links for 'What's New', 'Site Map', 'Site Index', 'Contact Us', and 'Glossary' on the right. Below this is a search bar and a language selection menu with options for Arabic, Chinese, French, Japanese, Russian, and Spanish. A secondary navigation bar contains links for 'Home', 'About the IMF', 'Research', 'Country Info', 'News', 'Videos', 'Data and Statistics', and 'Publications'. The main content area features a large article titled 'Austerity vs. Growth --- A False Choice, says Lagarde' with a photo of Christine Lagarde. To the right of this article is a 'Highlights' section with several bullet points. Below the main article is a 'What's New' section with three news items: 'Thailand: IMF Executive Board Concludes 2012 Article IV Consultation', 'Azerbaijan: Statement at the Conclusion of an IMF Staff Visit', and 'Liberia: IMF Executive Board'. To the right of the news items are three promotional boxes: 'Regional Economic Outlook' for the Middle East & Central Asia, Asia & Pacific, and Western Hemisphere; 'IMF Data Mapper v3.0' for plotting and comparing data; and 'iMFdirect' for the new IMF blog. At the bottom right, there is a video player showing a man speaking, and a link to the 'World Economic Outlook April 2012' report.

Austerity vs. Growth --- A False Choice, says Lagarde

Countries will need to pursue the right mix of policies and phase them accordingly to restore solid, sustained and balanced growth, said IMF Chief Christine Lagarde in a speech in Zurich. She emphasized the importance of well paced, country-specific credible fiscal adjustment combined with reforms aimed at increasing growth and jobs. ▶

Решение задания

1. Выбор показателей

10.02 Foreign market size index

1.09 Burden of government regulation

1.12 Transparency of government policymaking

6.09 Prevalence of trade barriers

6.13 Burden of customs procedures

6.09 Prevalence of trade barriers

In your country, to what extent do tariff and non-tariff barriers limit the ability of imported goods to compete in the domestic market? [1 = strongly limit; 7 = do not limit]

6.13 Burden of customs procedures

How would you rate the level of efficiency of customs procedures (related to the entry and exit of merchandise) in your country? [1 = extremely inefficient; 7 = extremely efficient] |

1.12 Transparency of government policymaking

How easy is it for businesses in your country to obtain information about changes in government policies and regulations affecting their activities? [1 = impossible; 7 = extremely easy] |

1.09 Burden of government regulation

How burdensome is it for businesses in your country to comply with governmental administrative requirements (e.g., permits, regulations, reporting)? [1 = extremely burdensome; 7 = not burdensome at all]
