

A rider wearing a black helmet, a pink and black striped tank top, maroon riding pants, and black boots is riding a brown horse in a paddock. The horse is wearing a blue and yellow patterned saddle pad and red protective boots on its lower legs. The rider is holding the reins and looking forward. The paddock is enclosed by a dark brown wooden fence. In the background, there are several trees, including birches, and a building with a yellow wall. The ground is a mix of dirt and grass.

Horse brand's

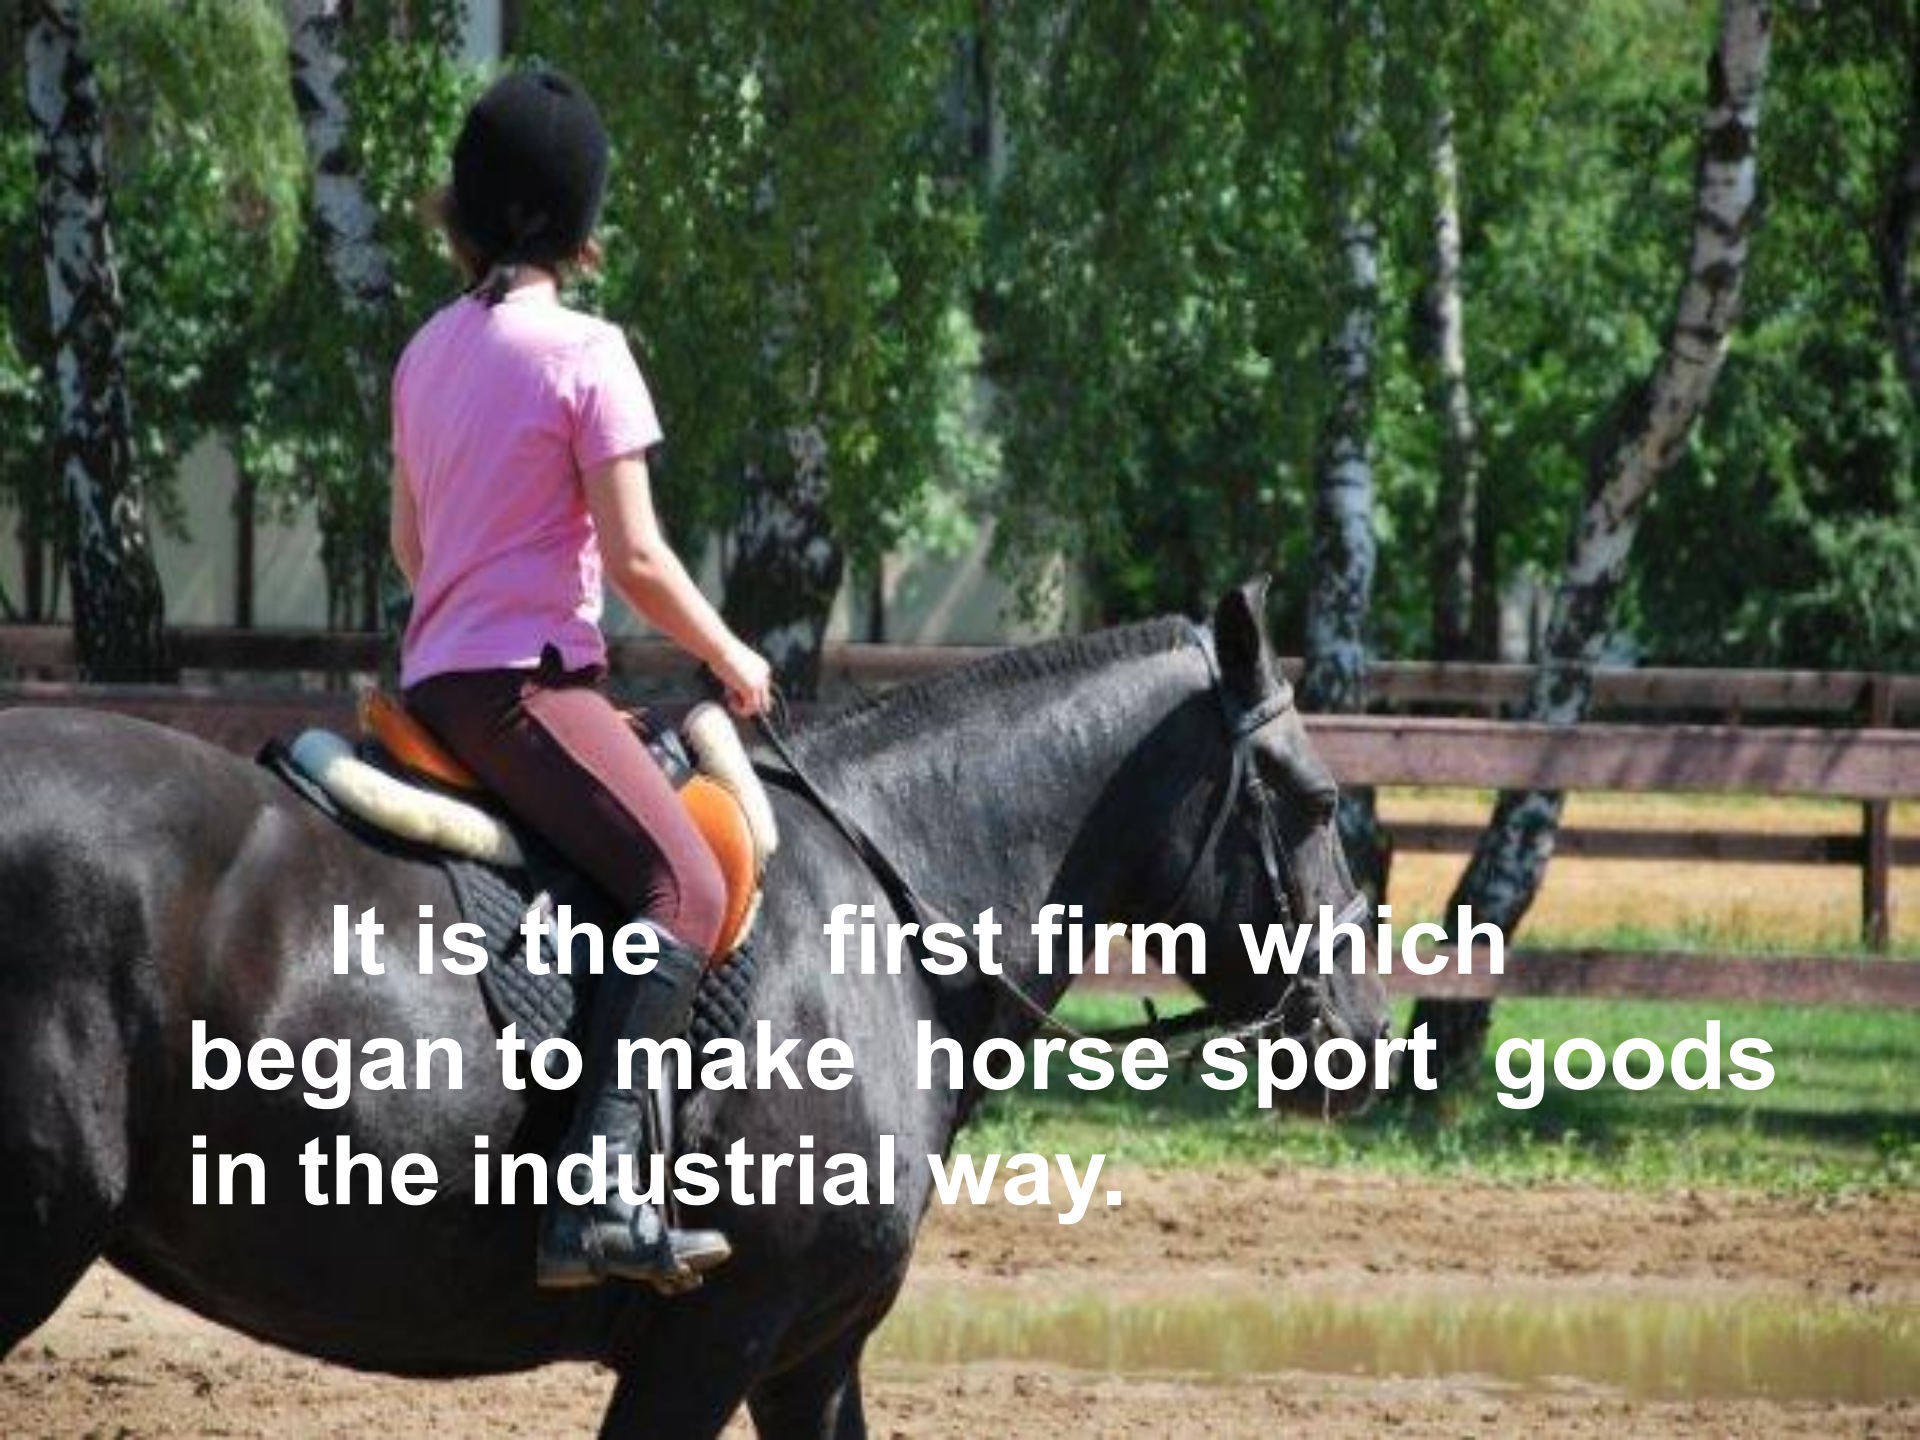

Pikeur

German company
Pikeur - is

the recognized
leader in the
manufacturing of
clothes and
accessories for the
horse sport.

The history of the
company begins the
readout with 1957.

It is the first firm which began to make horse sport goods in the industrial way.

A rider in a pink shirt and dark helmet is riding a dark horse in an outdoor arena. The arena has a dirt floor and is surrounded by a green fence. In the background, there are trees and a tall, silver metal jump structure. The text is overlaid on the image in a large, white, sans-serif font.

**Pikeur - the permanent supplier
of equipment for a German
Olympic team on horse sport.
Bridges, redingotes, helmets and
the other goods with trade mark
Pikeur are always desired
purchase and the certificate of
your good taste.**

The slogan of the German company
Kieffer

kieffer
generations of excellence

is "the Quality made in Germany".

Founded in 1848 in Munich, the

long-standing company **Kieffer** was
established internationally as a German
premium manufacturer of saddles.

A person wearing a dark riding helmet and a red and white striped tank top is riding a dark brown horse. The horse is walking on a gravel path. In the background, there is a green vertical-slat wall and a brick fence. A person in a pink shirt is partially visible behind the horse. A yellow and black baby stroller is on the right side of the fence. The text is overlaid in white, bold font.

The technical know-how
and craftsmanship from 160
years of company's history
are reflected in **Kieffer's**
innovative horse products.

A rider wearing a purple sleeveless top, dark riding pants, and a black helmet is riding a dark brown horse in an outdoor arena. The horse is in motion, possibly performing a dressage movement. The background features a wooden building with a brown roof, green trees, and a wooden fence. The ground is a mix of dirt and grass.

The product portfolio ranges from high-quality English dressage, jumping and general purpose saddles through snaffles, double bridles and saddle accessories to lungeing equipment and rider's clothers.

Rolex

Rolex SA

is the Swiss watches company producing watches and accessories.

A woman wearing a black riding helmet, a purple and white striped sleeveless top, and dark riding pants is riding a brown horse. The horse is walking on a dirt path in a paddock. In the background, there are green trees and a white building with a dark wooden fence. The text is overlaid on the image in white, bold, sans-serif font.

**During the year ROLEX
produces more than a half of a
million of different watches.**

A young girl with dark hair, wearing a pink short-sleeved shirt, maroon riding pants, and a black riding helmet, is sitting on a dark brown horse. She is holding the reins and looking towards the camera. The horse is standing on a wet, reflective surface. In the background, there is a large stable building with a white facade and dark brown wooden framing. Several doors are open, and some items like a blue jacket and a red bucket are visible inside. The overall scene is outdoors, possibly on a rainy day.

Company was established in 1905 by German Hans Wilsdorf and his son-in-law Alfred Davis.

Rolex has *being* connected with horse sport since in 1957, sponsoring and naming the world rating horse sportsmens.
