

# Aznakayevo

is a town in the Republic of Tatarstan, Russia ,  
located on the Styarlya River (left tributary of the Ik),  
376 kilometers southeast from Kazan.

**Aznakaevsk land has an interesting history and rich traditions. We have our own characters - is a flag and coat of arms.**

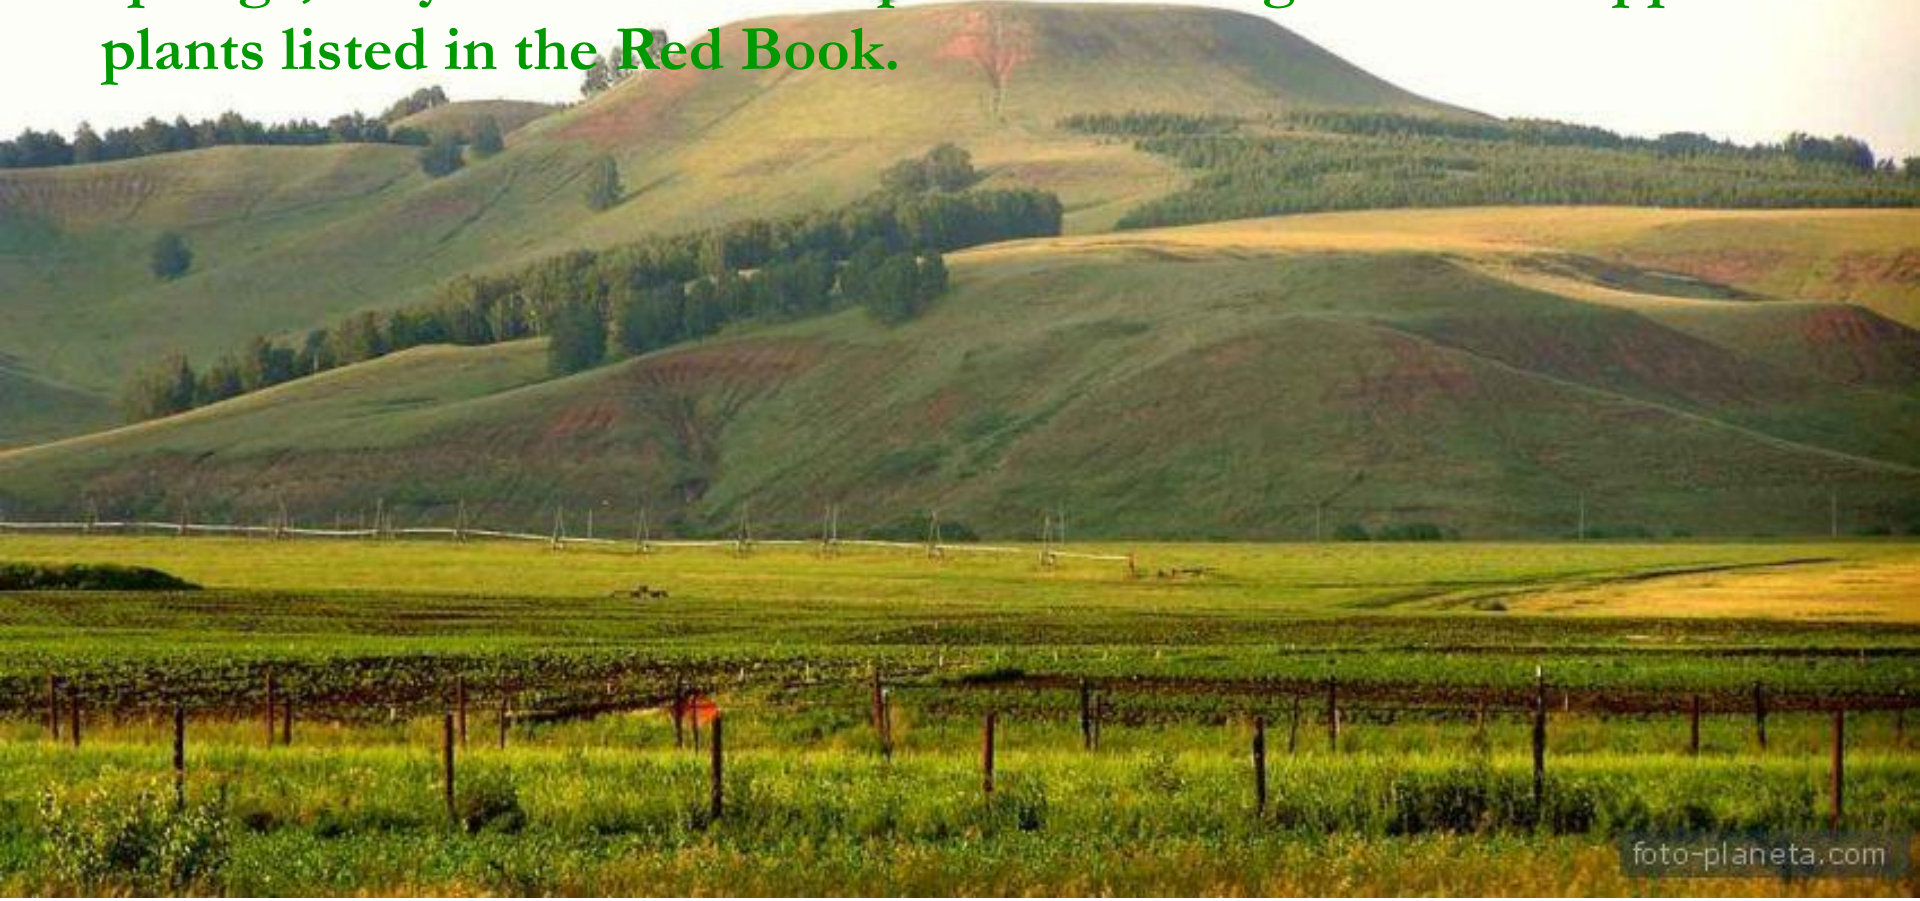

**The main figure emblem falcon - the symbol of power, flight determination. Green - the symbol of nature, health, environment, life growth. Red - the symbol of labor, power, courage, beauty and celebration symbolizes Aznakaevsky area as one of the most developed industrial regions of the Republic.**

**The flag is based on the emblem area.**

It was founded in 1762 and was known as a *selo* by 1859. It was granted urban-type settlement status in 1956 and town status in 1987.

Near the town is a hill Aznakaevo Chater - tau (Tent Mountain) with its green top and at the bottom of the copper mines. This is one of the most sublime points of our republic- its height 334.5 m above sea level. According to popular belief, in the bowels of the mountain king-hidden magnet, and because it has a lot of silver, the water rises from its healing springs, holy. Tent on the slopes of Mount grow rare steppe plants listed in the Red Book.

**In our city has many cultural centers, parks, places of recreation and entertainment.**

**Nature Aznakaevsk area a great place for recreation and tourism. Healing spring sources with picturesque ponds and beautiful rivers Ik, Starla to attract the attention of visitors Aznakaevsk area, and mixed forests are a favorite spot of many residents of the city and the district.**
