

**My hobby**

For me hobby is what I like to do  
in my spare time.

Many people collect something - coins,  
stamps, compact discs, toys, books.

But my hobby is to play  
the piano

=)

I have been playing the piano for 3 years and it is really interesting for me.

I go to the music school three  
times a week

But it is not so easy to remember how to play, for example, Sonata the one.

*Promenade.*

*Allegro giusto, nel modo russo; senza allegrezza, ma poco sostenuto.*

*Piano.*

So I have to play the piano  
for 3 hours every day

I took part in city's music  
competitions twice.  
And twice I was the prize winner.

Next week I will have my music exam,  
so nowadays I spend all my spare time playing the piano

So good luck to me!!!
