## 2). China Gap Semester - Thinking Beyond Borders

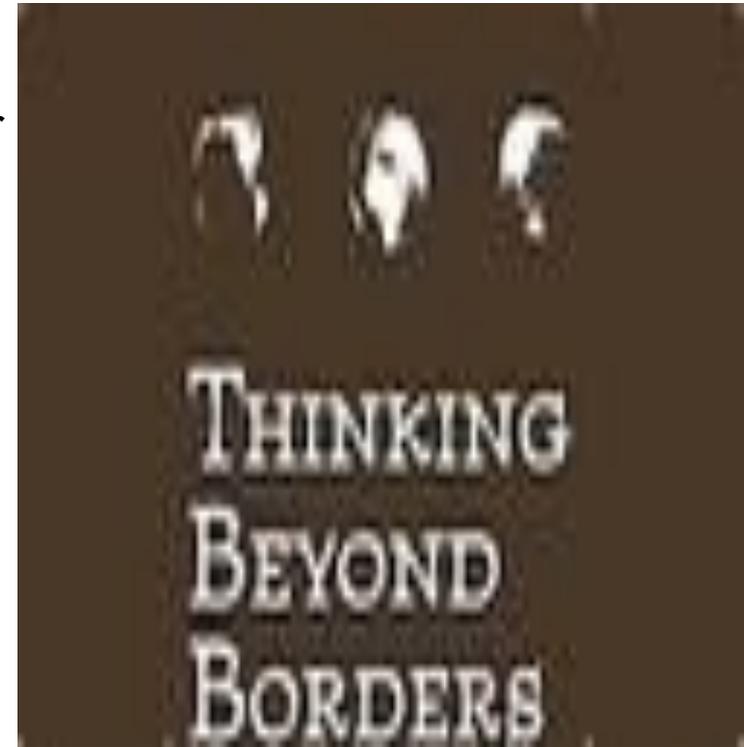

*Take a gap year with purpose. Go beyond just travel or service.*

Explore solutions to critical global issues throughout China in this 13-week program. This semester includes:

- - Daily Mandarin Language Classes & Immersion
- - Living with Host Families
- - Fieldwork with Local Experts
- - Academic Study
- - Independent Student Travel

We combine deep cultural immersion, working with inspiring local leaders, and engaging readings and discussions. You'll be supported by TBB Program Leaders as you shape your purpose and direction.

- **The China Gap Semester is an opportunity to become who you want to be!**

# 3).Year Course - Gap Year Program in **Israel**

Immerse yourself in the fascinating history of Israel when traveling with Year Course!

- One third of the program
- approximately 3 months
- in 3 locations: Jerusalem, Bat Yam and Negev.
- Jerusalem provides the historical context in visiting Israel
- Bat Yam has fantastic beaches
- Negev is one of the most beautiful and mysterious locations in the country.

Year Course's program provides participants with a meaningful and enriching experience in the already religiously profound nation!

- “In any moment of decision, the best thing you can do is the right thing. The worst thing you can do is nothing.”

Theodore Roosevelt

Your choice is up to you!
