*Flamenco -
Spanish music
and dance typical
of the Gypsy, or
gitano.*

Flamenco is known for its emotional intensity, proud carriage, rhythmic stamping of the feet and clapping of the hands.

Flamenco dancing also is characterized by colorful costumes: its execution is brilliant, noisy, and passionate.

*Flamenco music is
a highly emotional
type of song
accompanied by a
guitar.*

As with any dance form, many different styles of flamenco have developed.
