Summer 😍

Let me start with summer holidays. Pupils have summer holidays that are three months long. Children don't have to get up early. There is no homework to do and lessons to learn. That's why they like summer holidays.

My summer holiday

- I like summer holidays because I have a lot of free time. In summer my friends and I often go swimming and boating there. There is a lot of fish in the lake, so I sometimes go fishing. When it is very hot I usually go to the forest. The air is cool there. I like to walk in the shade¹ of trees and pick mushrooms and berries. I like to go to the beach² in the morning when it is not too hot. I swim, sunbathe, and play with my friends on the bank of the river. I always help my grandmother to work in the kitchen garden or to look after chickens.
