

Music

performed 8-C student in class

Laskava Valeria

Notion music

- Music-art, artistic material which is sound, specially organized in time.

My notion music

- I understand music as a State of mind, expressing loneliness or joy

Genres

- According to the method of execution: vocal, vocal and instrumental, solo;

content: lyric, epic, dramatic;

At the place and conditions of performance: Theater, concerts, Chamber music, film music, etc.

music is the only thing that calms me
down

consoles

Good bye
