BUCKINGHAM PALACE

- *It has been the official London residence of Britain's monarchy since **1837. Queen Victoria** was the first monarch to live there.*

WHO LIVES IN BUCKINGHAM

PALACE TODAY?

- Buckingham Palace is not only the home of the Queen and Prince Philip but also the London residence of the Duke of York (Prince Andrew) and the Earl and Countess of Wessex (Prince Edward and his wife) and their daughter.

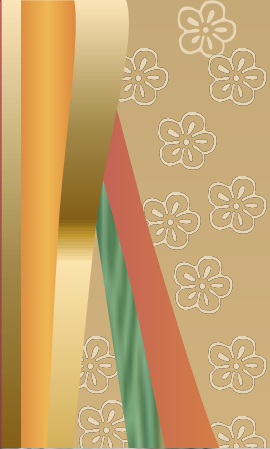

History of Buckingham Palace...

- Buckingham Palace was originally a grand house built by the Dukes of Buckingham for his wife. George IV began transforming it into a palace in 1826.
