

BOSTON

A wide-angle photograph of the Boston skyline at dusk, viewed from across a body of water. The sky is a mix of soft pinks, oranges, and blues, with scattered clouds. The city's buildings are silhouetted against the twilight, with some lights beginning to glow. The water in the foreground is dark and reflects the colors of the sky. A small boat is visible on the right side of the water.

Diana Tymoshenko 11A

***Boston is one of the 50 states
and one of the original 13
states. It's called the capital of
New England.***

***If you like sports you'll like
Boston.***
