

Let's begin our
new lesson!

16, April

Good afternoon, children!

*I am very glad to see
you and I hope that
everyone will be happy*

So our theme is:

**“We are different, but
we are all the same.”**

We must:

- ▶ *Learn some new words*
 - ▶ *Use at our speech*
 - ▶ *Make sentences*

Check up!!!

1. Kind
2. Crying
3. Happy
4. Sad
5. Shouting
6. Angry
7. Dreaming
8. Curious
9. Thinking

We cry when we're happy

We cry when we're sad

Now doesn't that make you oh so mad?

A close-up photograph of a person's face, focusing on the eye and nose. The person has a somber expression. The background is a blurred green and white pattern, possibly a curtain. Overlaid on the image is text in various colors and styles.

Now it's all

Angry and sad

That's all there is

That's all there ever is

***Love** is a pink and purple in colour*

It tastes like Cadbury chocolate

It smells like a freshly baked cake

It sounds like baby talk

*But **Love** isn't always what it's cracked up to be*

***Love** is blood red*

Happy is golden.

Happy tastes like chocolate cake.

It has the scent of cookies that are baking.

Happy is like having someone tell you

They're taking you to Dream world.

It sounds like someone saying,

"I've got a present for you".

Happy is heavenly!

*“I think that positive /
negative emotions are...”*

Today is the first day

Now we will finish our lesson

Homework

Page 97 ex. 15

A black and white close-up photograph of a baby's face. The baby has large, dark, wide-open eyes, looking slightly to the right of the camera. The baby's mouth is slightly open, and the overall expression is one of curiosity or surprise. The background is out of focus, showing a blurred figure of another person.

*Good -
bye!!!*
