

*Music is the greatest
thing which connects
people all over the world.*

*It hasn't nationality or
citizenship. It's a
common human*

THE BEATLES

Who are they?

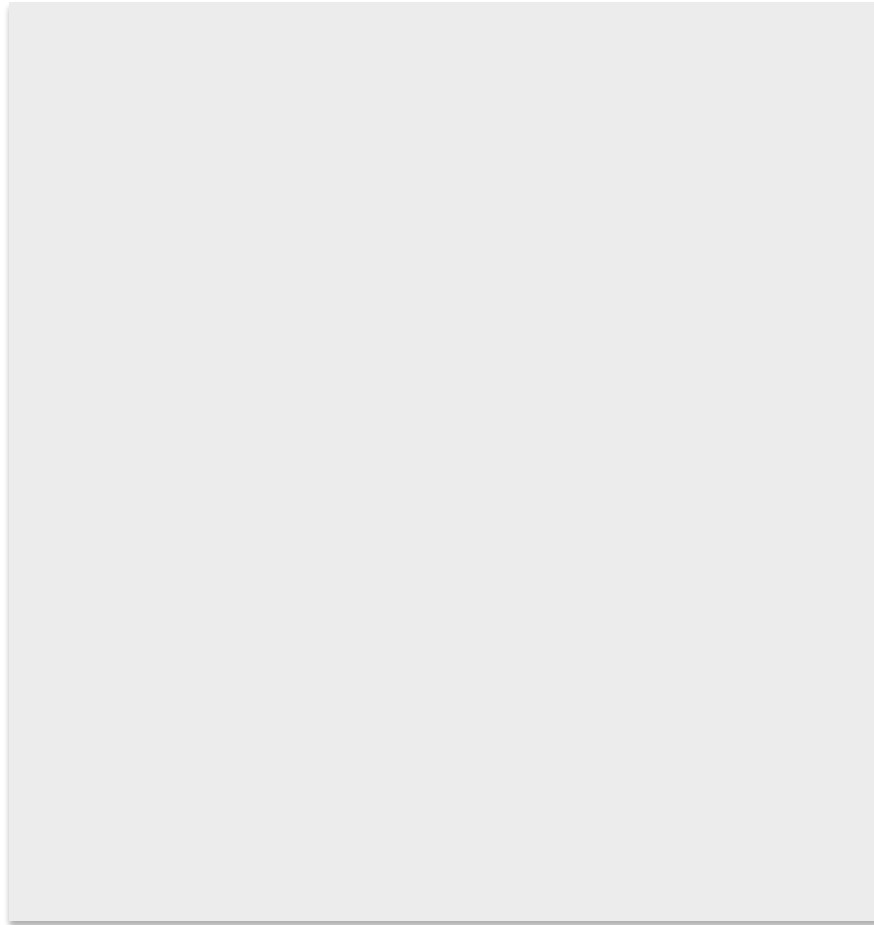

*Some may say that they are four
young long-haired hooligans singing
primitive rock'n'roll tunes*

The others may put them in the same rank with the greatest composers, such as Mozart, Beethoven and Bach

Still the others may
call them outstanding
pacifists, philosophers
and optimists

***15 years of joint life and work,
several concerts at the
greatest TV-studios,
concert-halls and stadiums of
the World, some more than
200 songs and...***

**...and the
super-popularity
which doesn't
fade away after so
many years...**

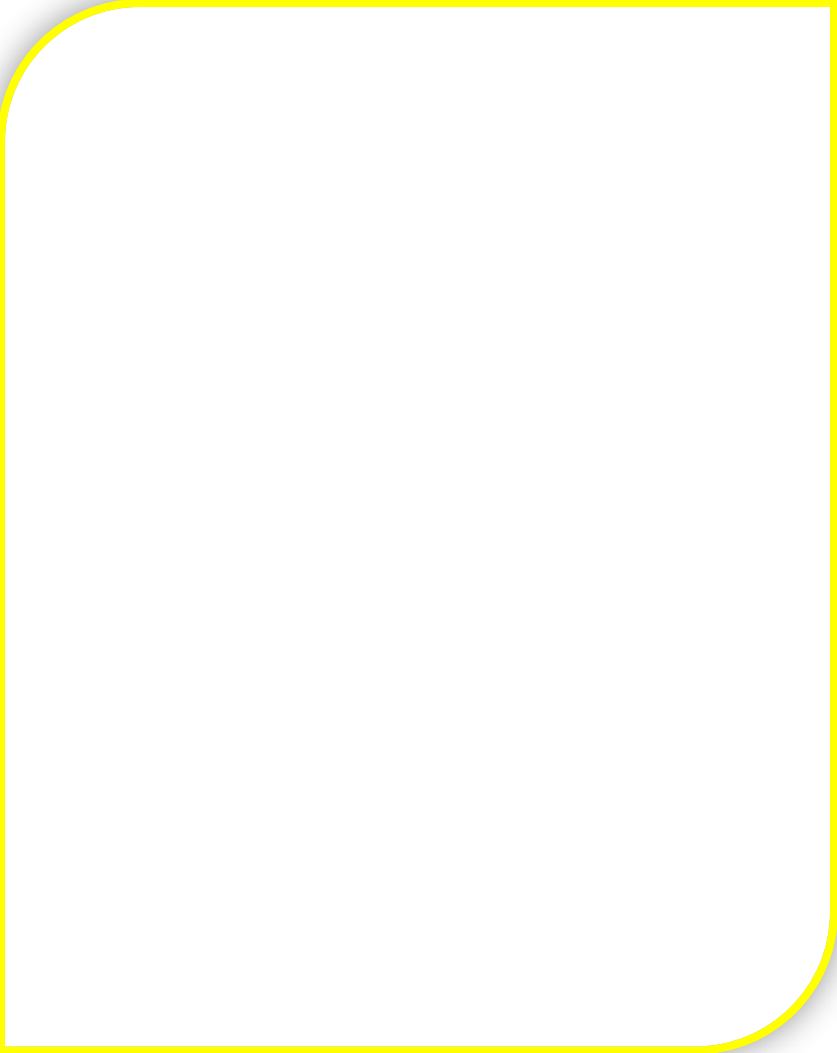

Rebels and idols, clowns and villains, magicians, quarrelers and spiritual leaders.

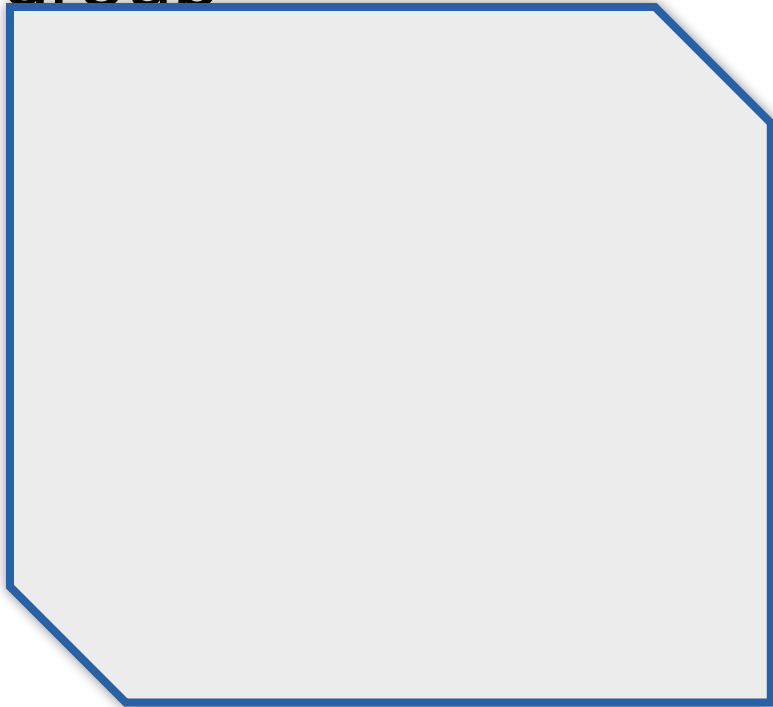

**They are THE
BEATLES.
Have you never
heard of them?**

...IT'S A LONG WAY FROM
LIVERPOOL TO LEGEND...

John Lennon
was just 17 when
he formed his
first band, The
Quarry men.

In 1957 Lennon met
Paul McCartney and
invited him to join his
group

**McCartney introduced
to Lennon his friend
and former classmate,
George Harrison and
he joined the group**

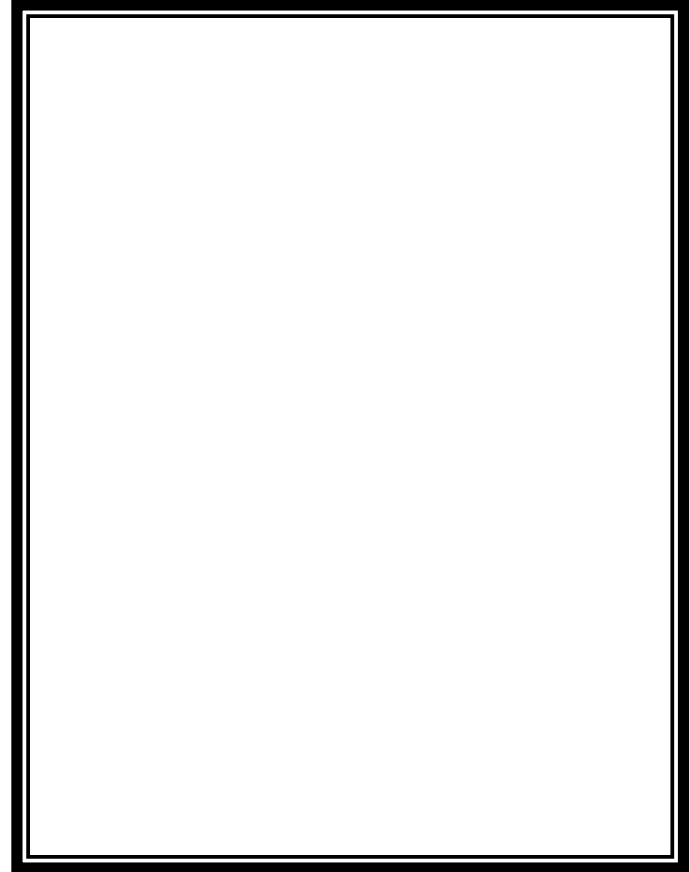

In 1960 drummer
Pete Best and
bassist Stu
Sutcliffe joined
to the group

Stuart Sutcliffe

Paul, John, Pete and George

They went
through a lot of
names before
settling on The

Beatles.

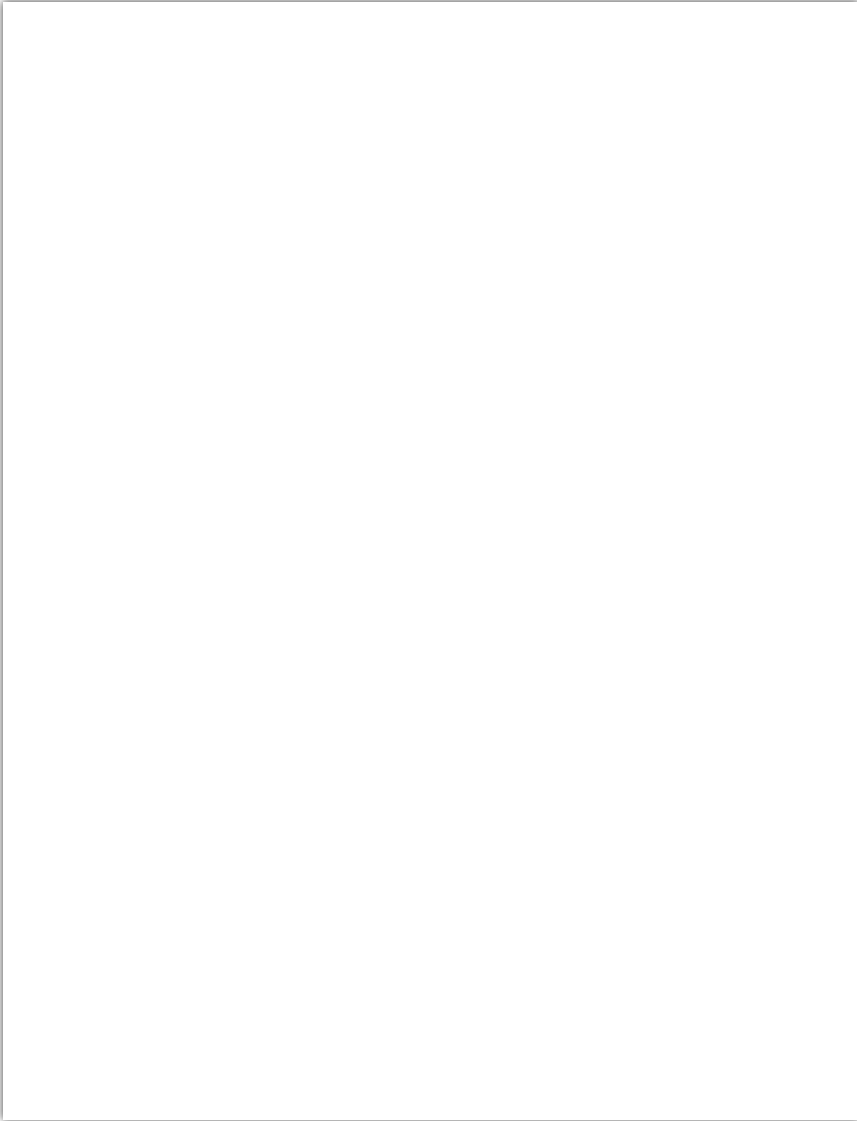

George, Stu and John

*In June 1962,
after Stu had
gone the band
auditioned for
Parlophone
Records producer*

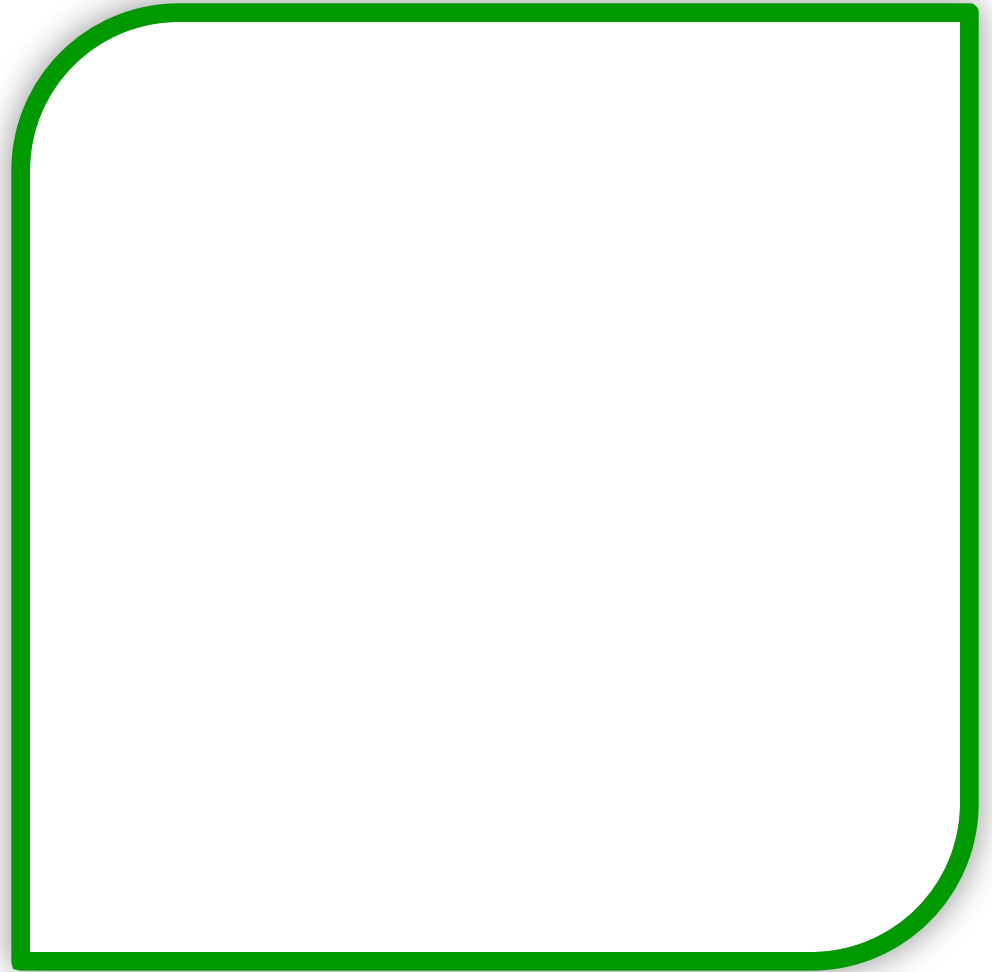

George Martin

*Ringo Starr, the
drummer of
another popular
Liverpool band was
recruited to
replace Best.*

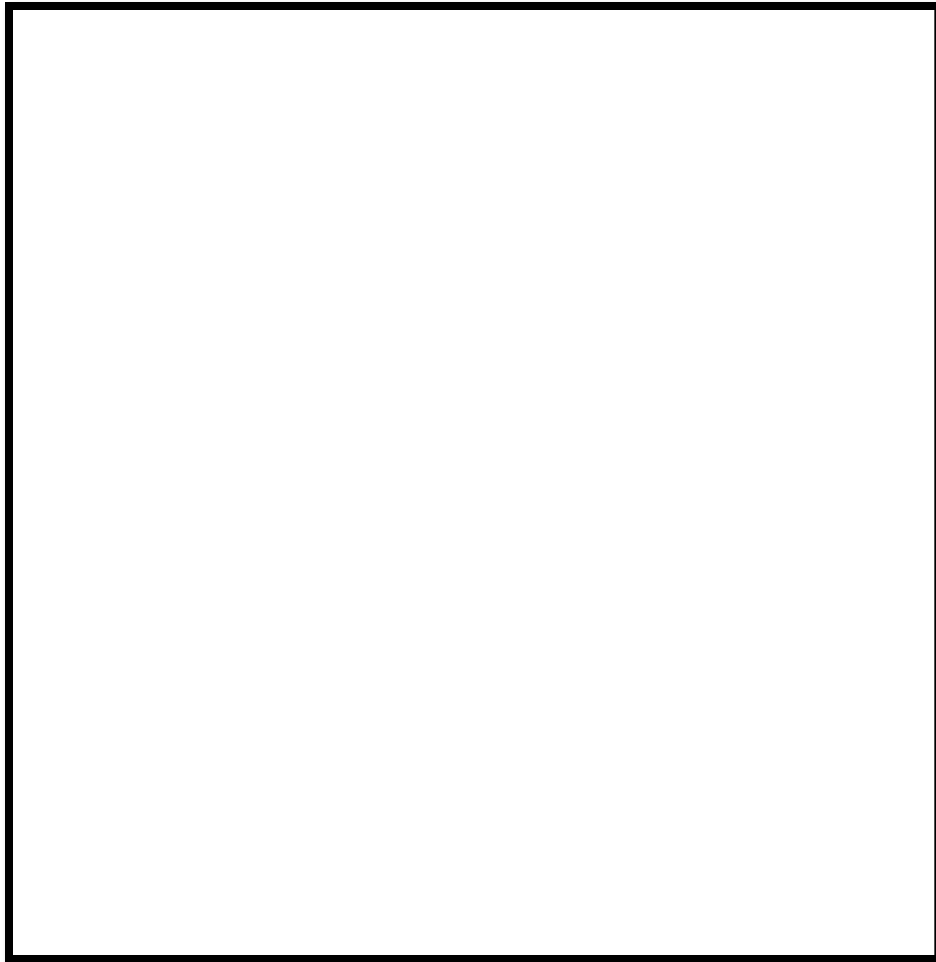

**In September, 1962,
the band's first
single, "Love Me
Do" was released,
eventually reaching
#17 in the UK.**

Their first album,
Please Please Me
was released in the
UK in March
1963.

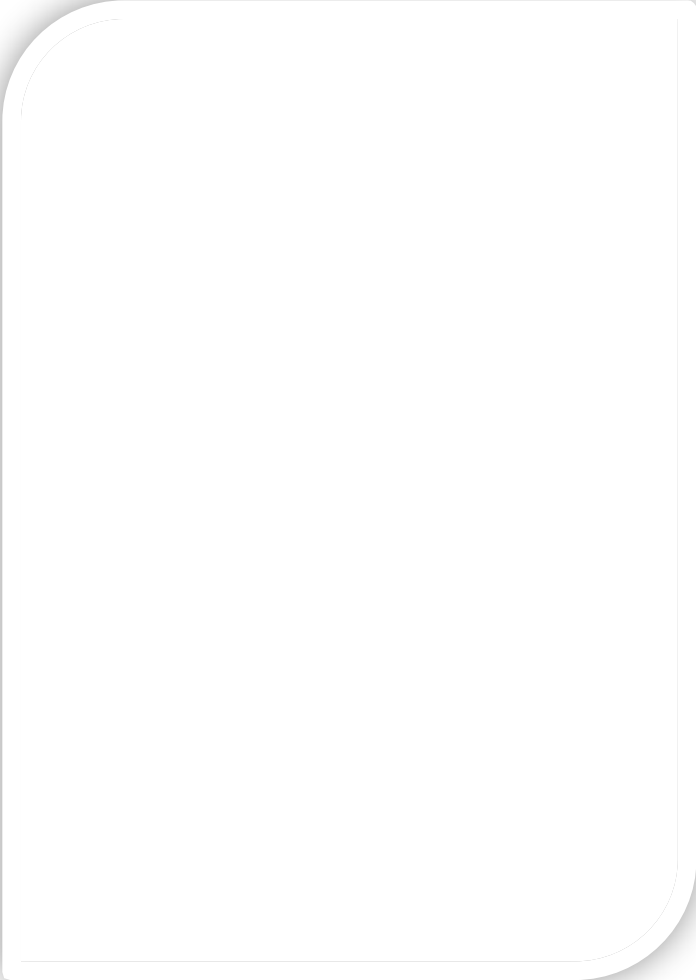

...She loves you ... yeah yeah yeah... she loves you...
yeah yeah yeah...

**Their second
album, With
The Beatles
became only
the second
album ever to
sell a million**

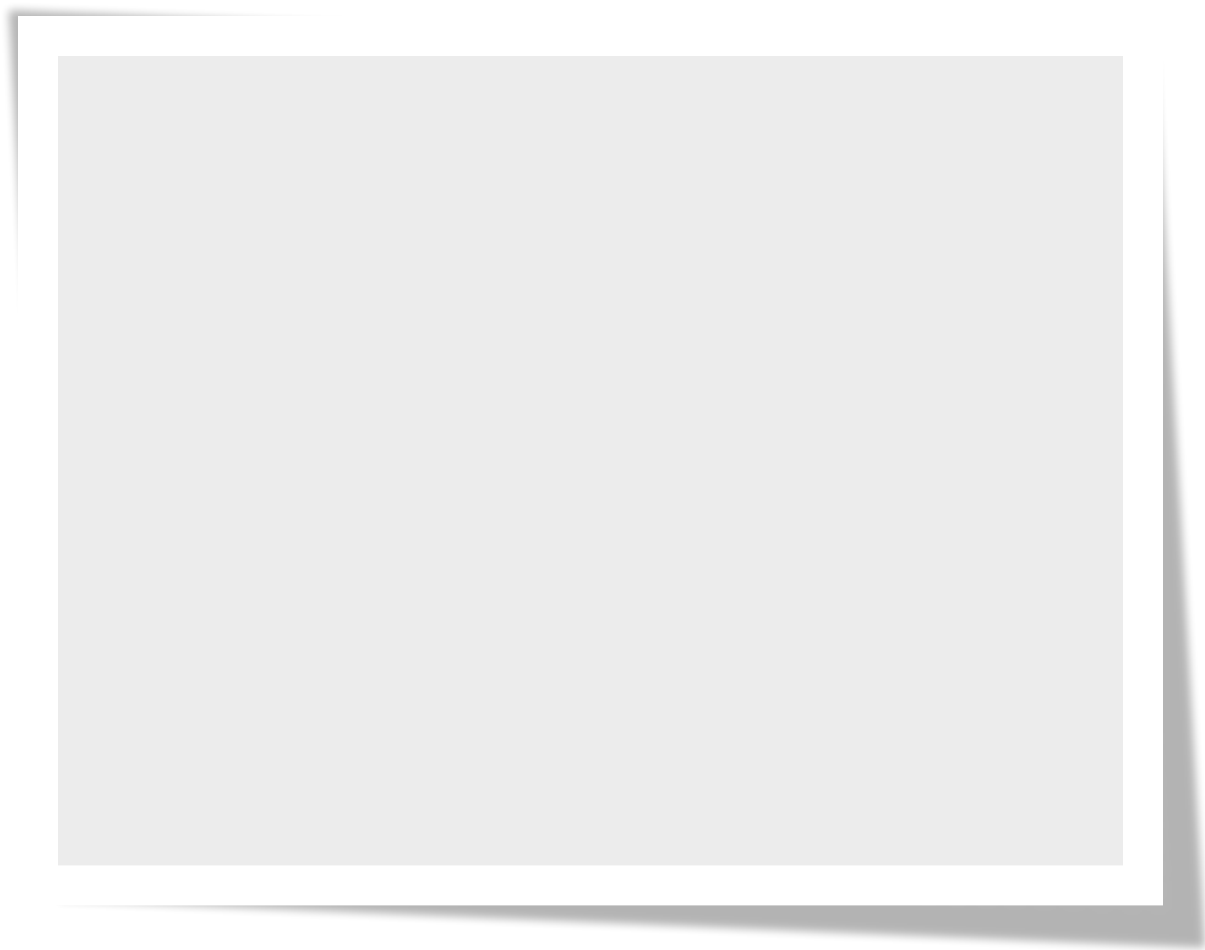

*Vee Jay Records
obtained the US
rights to most of the
songs from Please
Please Me and
released them on an
album titled
Introducing ... The
Beatles in January
1964.*

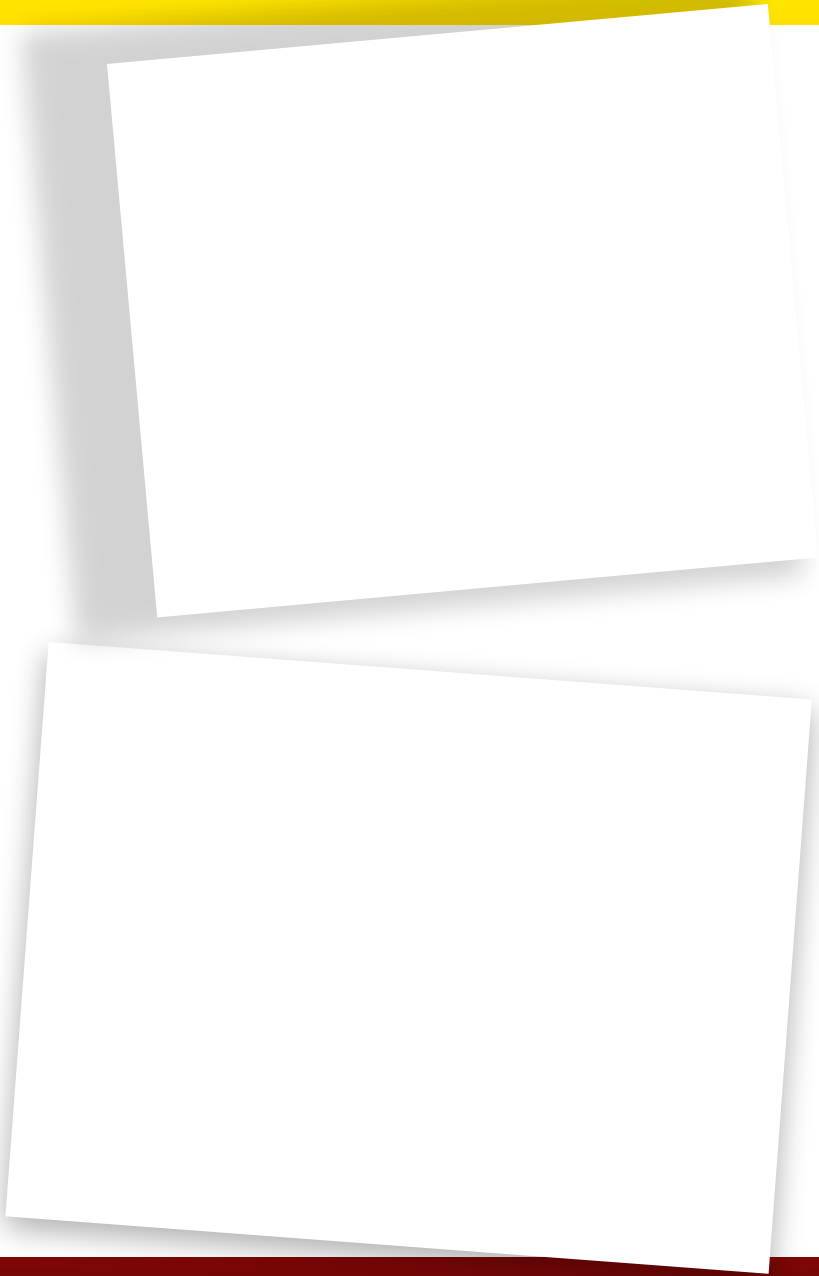

On Ed Sullivan's
show

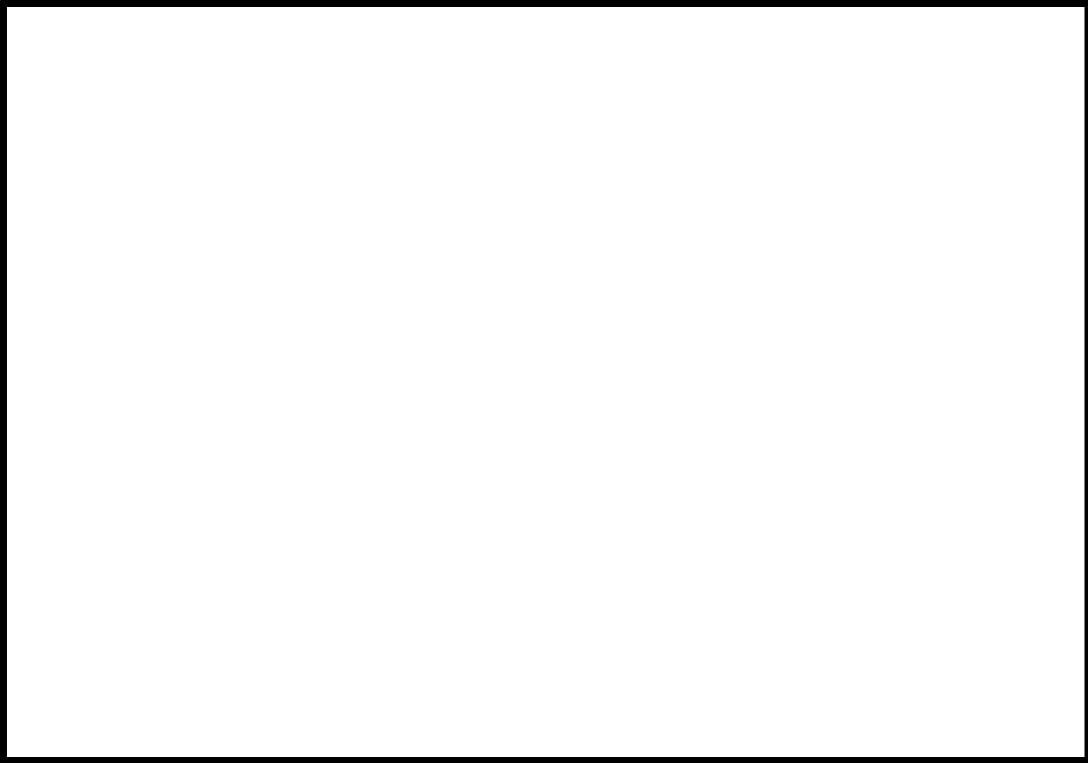

In New Zealand and Australia their arrival was greeted by a crowd estimated at more than 300,000.

In August 1966, the band made what would turn out to be its last public performance lasting barely over a half hour.

**Their third
feature film,
Magical
Mystery Tour,
start in 1967**

The band spent the first part of 1968 in India, studying transcendental meditation under the tutelage of Maharishi Mahesh Yogi.

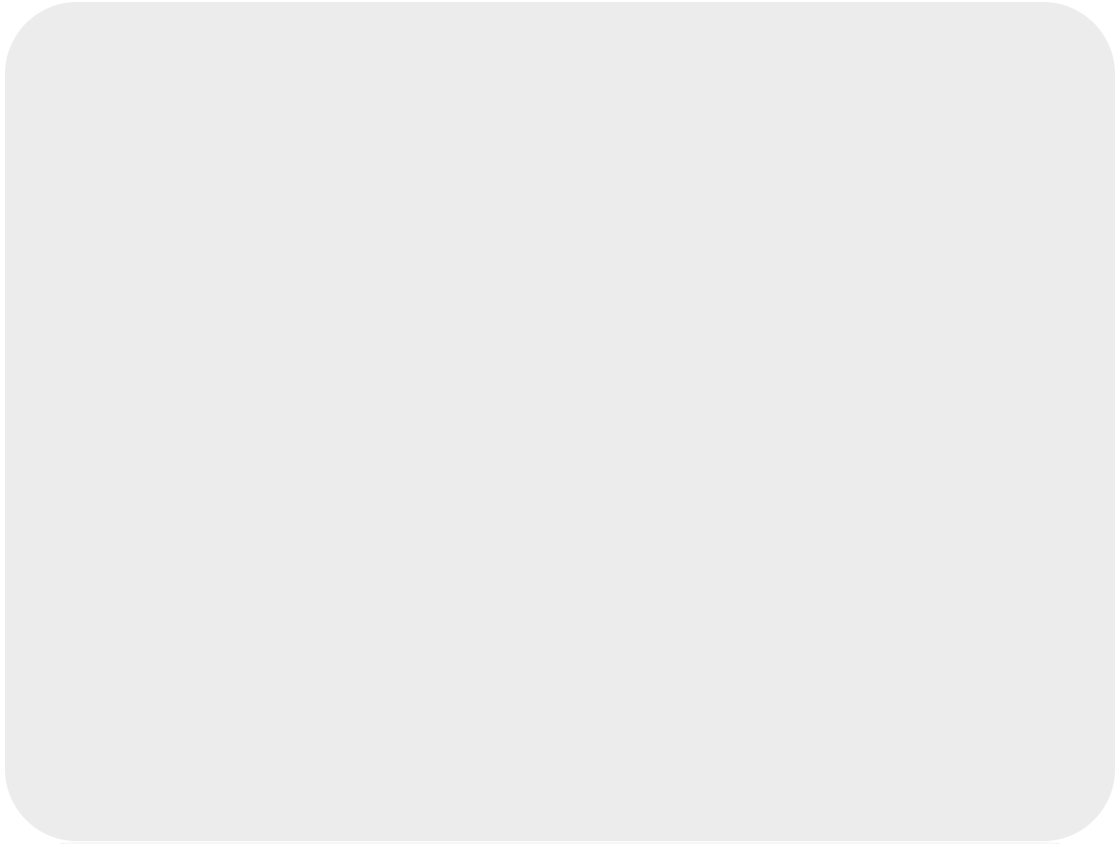

The double
album, called The
White Album
which was
released in
November 1968.

*The band's last performance together outside the studio came
in January 1969.*

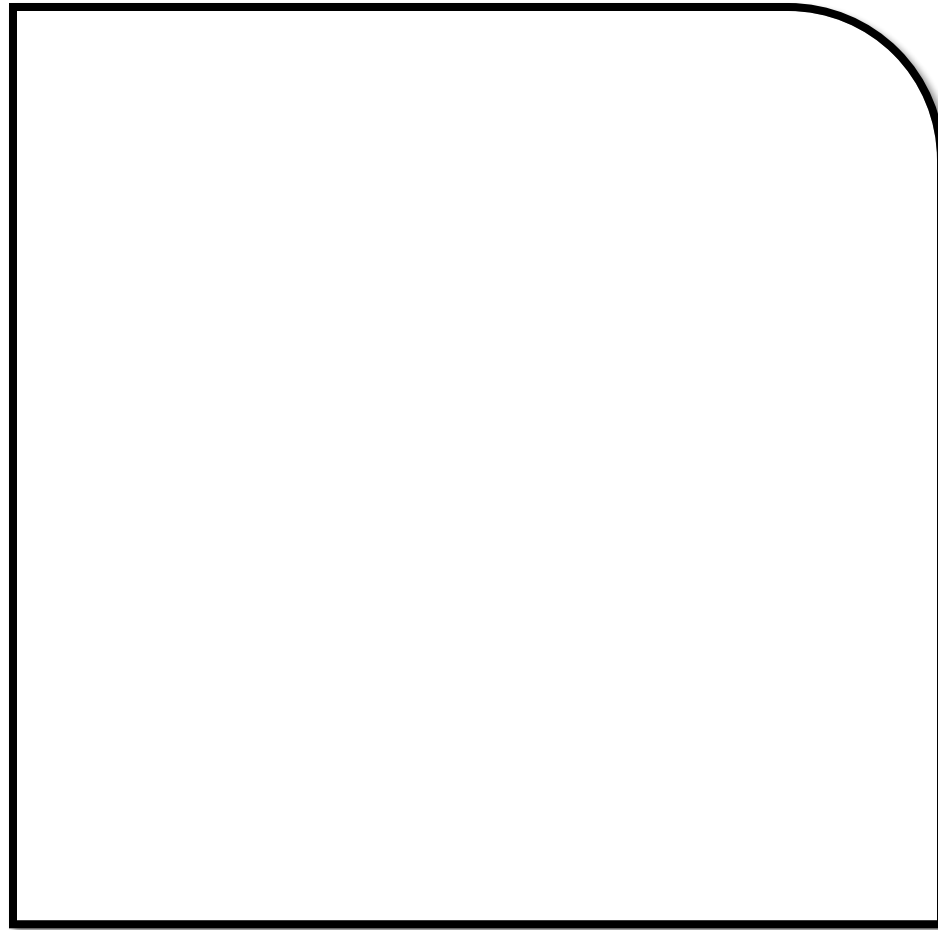

**In September 1969,
Lennon told the band
that he was leaving.**

**The band's breakup
was announced in
April 1970, a month
before Let It Be was
released.**

Paul McCartney formed a band
called Wings with his wife,
Linda

John Lennon achieved great success as a solo artist. Tragically, he was killed by an obsessive fan, Mark David Chapman, in 1980.

George Harrison recorded many solo albums over the years, and died of cancer in 2001.

This band, their great music means a lot for me. And not only for me. Many people all over the world love Beatles. So I can say with sure that they are still existing because their music will never die!
