A vibrant, multi-colored waterfall cascading into a pool of water, surrounded by lush greenery. The waterfall is composed of numerous thin streams of water, each appearing to have a different color, ranging from bright yellow and orange to deep blue and purple. The water flows over a rocky ledge and into a calm pool below, which reflects the colors of the waterfall. The surrounding area is filled with dense, green foliage and trees, creating a lush and natural setting. The entire scene is framed by a soft, green glow.
