

Project
The Way Teenagers Live.

Done by Elizaveta Golovko
Form 10b
Teacher N.V.Shevchuk

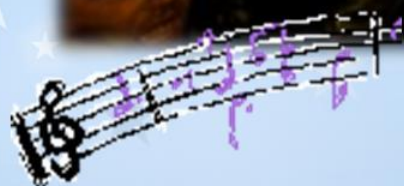

I'm a student and I haven't got a lot of free time.

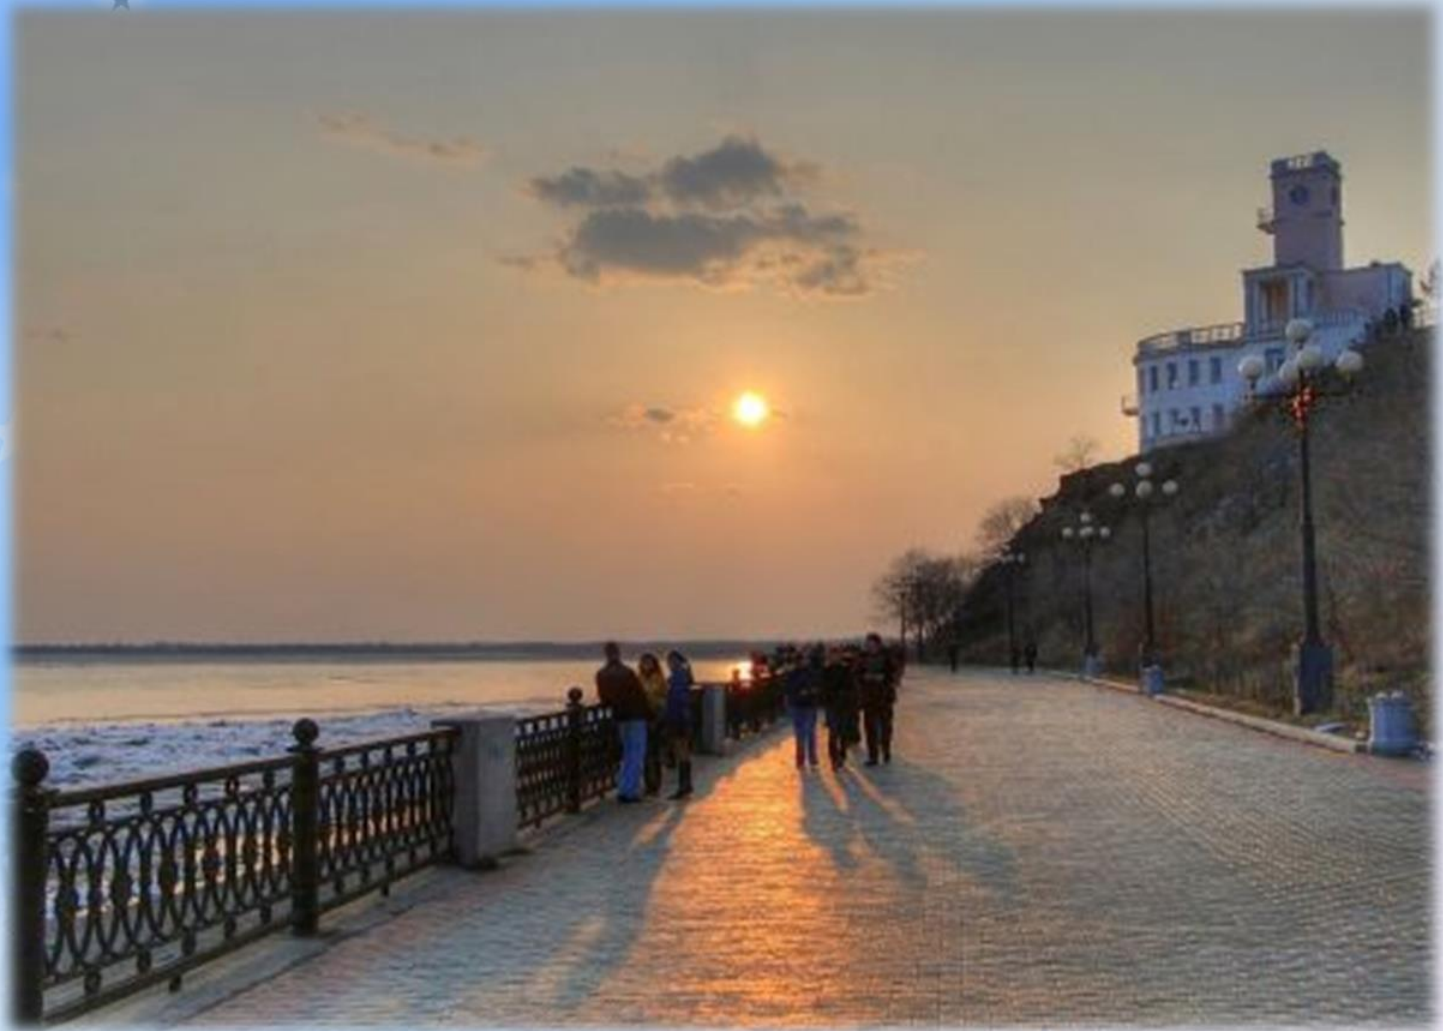

I chat with my friends on the Facebook website.

We go to the rock and metal concerts.

The waterfront of the Amur River.

Khabarovsk at night.

The problem of a lack of understanding between the older generation and young people.

Thanks to the computer teens develop their thinking and have a good time.
