Shopping center "Omsk"

Omsk Shopping Center

is a visiting card of the city. Daily shopping center visit more than 13 000 people from Omsk and guests of the city.

Its unique architecture, creating an atmosphere of light, space and freedom turns the shopping trip into a real pleasure. This is facilitated by a rich assortment represented by well-known federal and regional brands in more than 100 stores, including a supermarket around the clock, men's and women's clothing stores, shoes, accessories, jewelry and many others.

On the territory of the shopping center there are also restaurants, a coffee shop and a cafe where you can not only relax and dine while shopping, but also organize a business meeting or hold a celebration.

Trade complex «Mayak»

One of the largest universal shopping complexes in Omsk is the left-bank "Mayak". Mayak opened on February 18, 2006, next to the bus station and the Levoberezhny market. In the five-story complex with a total area of 28500 square meters. There are about three hundred stores with clothes, perfumes, accessories and shoes. "Shoe" floor - the main feature of "Mayak": 60 stores. In the grocery supermarket "Planet Holiday" there is always an opportunity to come across a tempting discount. Supermarkets of household appliances and electronics "Eldorado" and "RBT.ru" are opened. Mayak also did not deprive the children of attention. There are also shops for children's clothing, shoes, toys and the entertainment center "Mayachok", where a child can wait for parents, working with experienced teachers. In addition to shops, in Mayak there is a beauty studio with five solariums, a hairdressing salon, a tailoring and repair shop, a photo / video studio, a wedding salon. Also in the complex there are pharmacy and optics. In "Mayak" you can have a snack and relax in the fast food cafe "Kurochka nearby", "Pancake" and "Super Cart". In the dining room they offer a full-fledged hot lunch. "Mayak" is a pleasant institution of economy class, open primarily for residents of the Left Bank and the adjacent part of the Oilmen. He provides them with what is necessary, what
