

My Favourite Sport

A decorative graphic consisting of a solid teal horizontal bar that spans the width of the page. Below this bar, on the right side, there are several horizontal lines of varying lengths and colors, including teal and white, creating a layered, stepped effect.

We all need exercise. This is true for young people (in their teens) as well as for adults. Even if you don't plan make sports your main occupation. This is my opinion and I feel like it is true.

My favorite sport is tennis. Tennis is a very interesting game. This sport well develops a reaction, the muscles of the hands and feet. What would the sport be racket, ball and table tennis. I really like to play this game, it's very exciting and educational. I advise all play a game of tennis.

I watch closely all tennis competitions and championships. There are a lot of them, but my favourite championship is Wimbledon because old tennis traditions remains there as they are.

Some of the most well-known
Wimbledon champions are:

John McEnroe

Boris Becker

Sport

Steffi Graf

Monica Seles

My dream is to get a chance to watch at least one of them playing.
