

*"Я узнал, что у меня есть огромная семья,
И тропинка, и лесок, в поле - каждый колосок,
Речка, небо голубое, это - все мое родное!
Это - Родина моя, всех люблю на свете я!"*

ПРОСТОРЫ РОДНОГО КРАЯ

A photograph of a birch forest. The trees have characteristic white bark with dark lenticels and horizontal lenticels. The foliage is lush green, with some leaves showing signs of autumn. A path is visible in the center, leading through the trees. The lighting is bright, suggesting a sunny day.

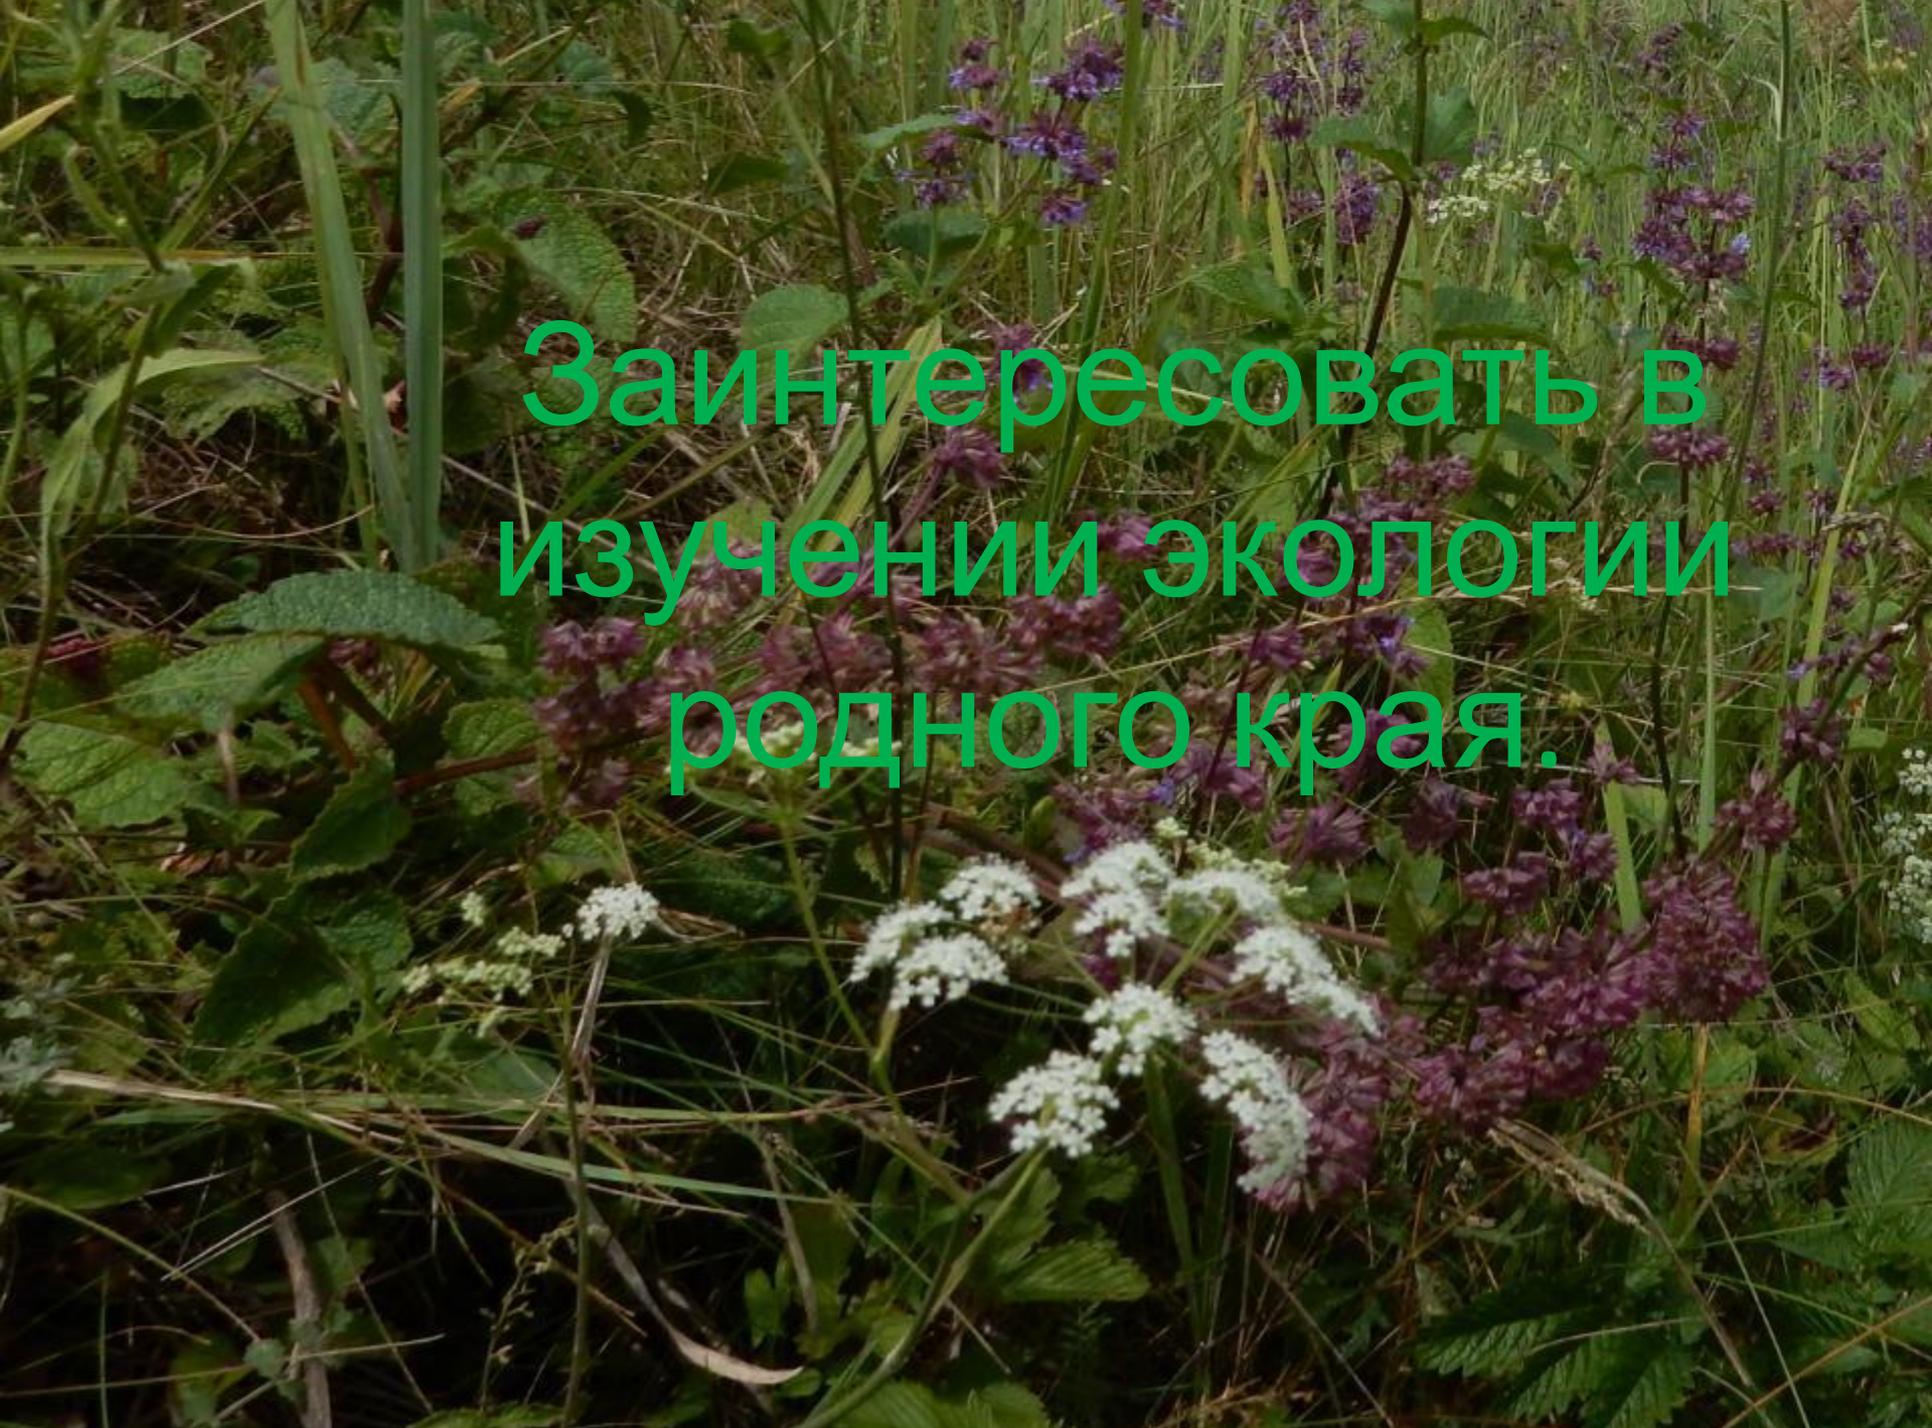

Любите родную природу
Озёра, леса и поля,
Ведь это наша с тобою-
Навеки РОДНАЯ ЗЕМЛЯ

A photograph of a dirt path in a forest. In the foreground, there are several purple bell-shaped flowers with green leaves. The path leads to a drainage ditch with a corrugated metal grate. The background is filled with green foliage and trees. The text "Цель: Изучить природу родного края." is overlaid in yellow.

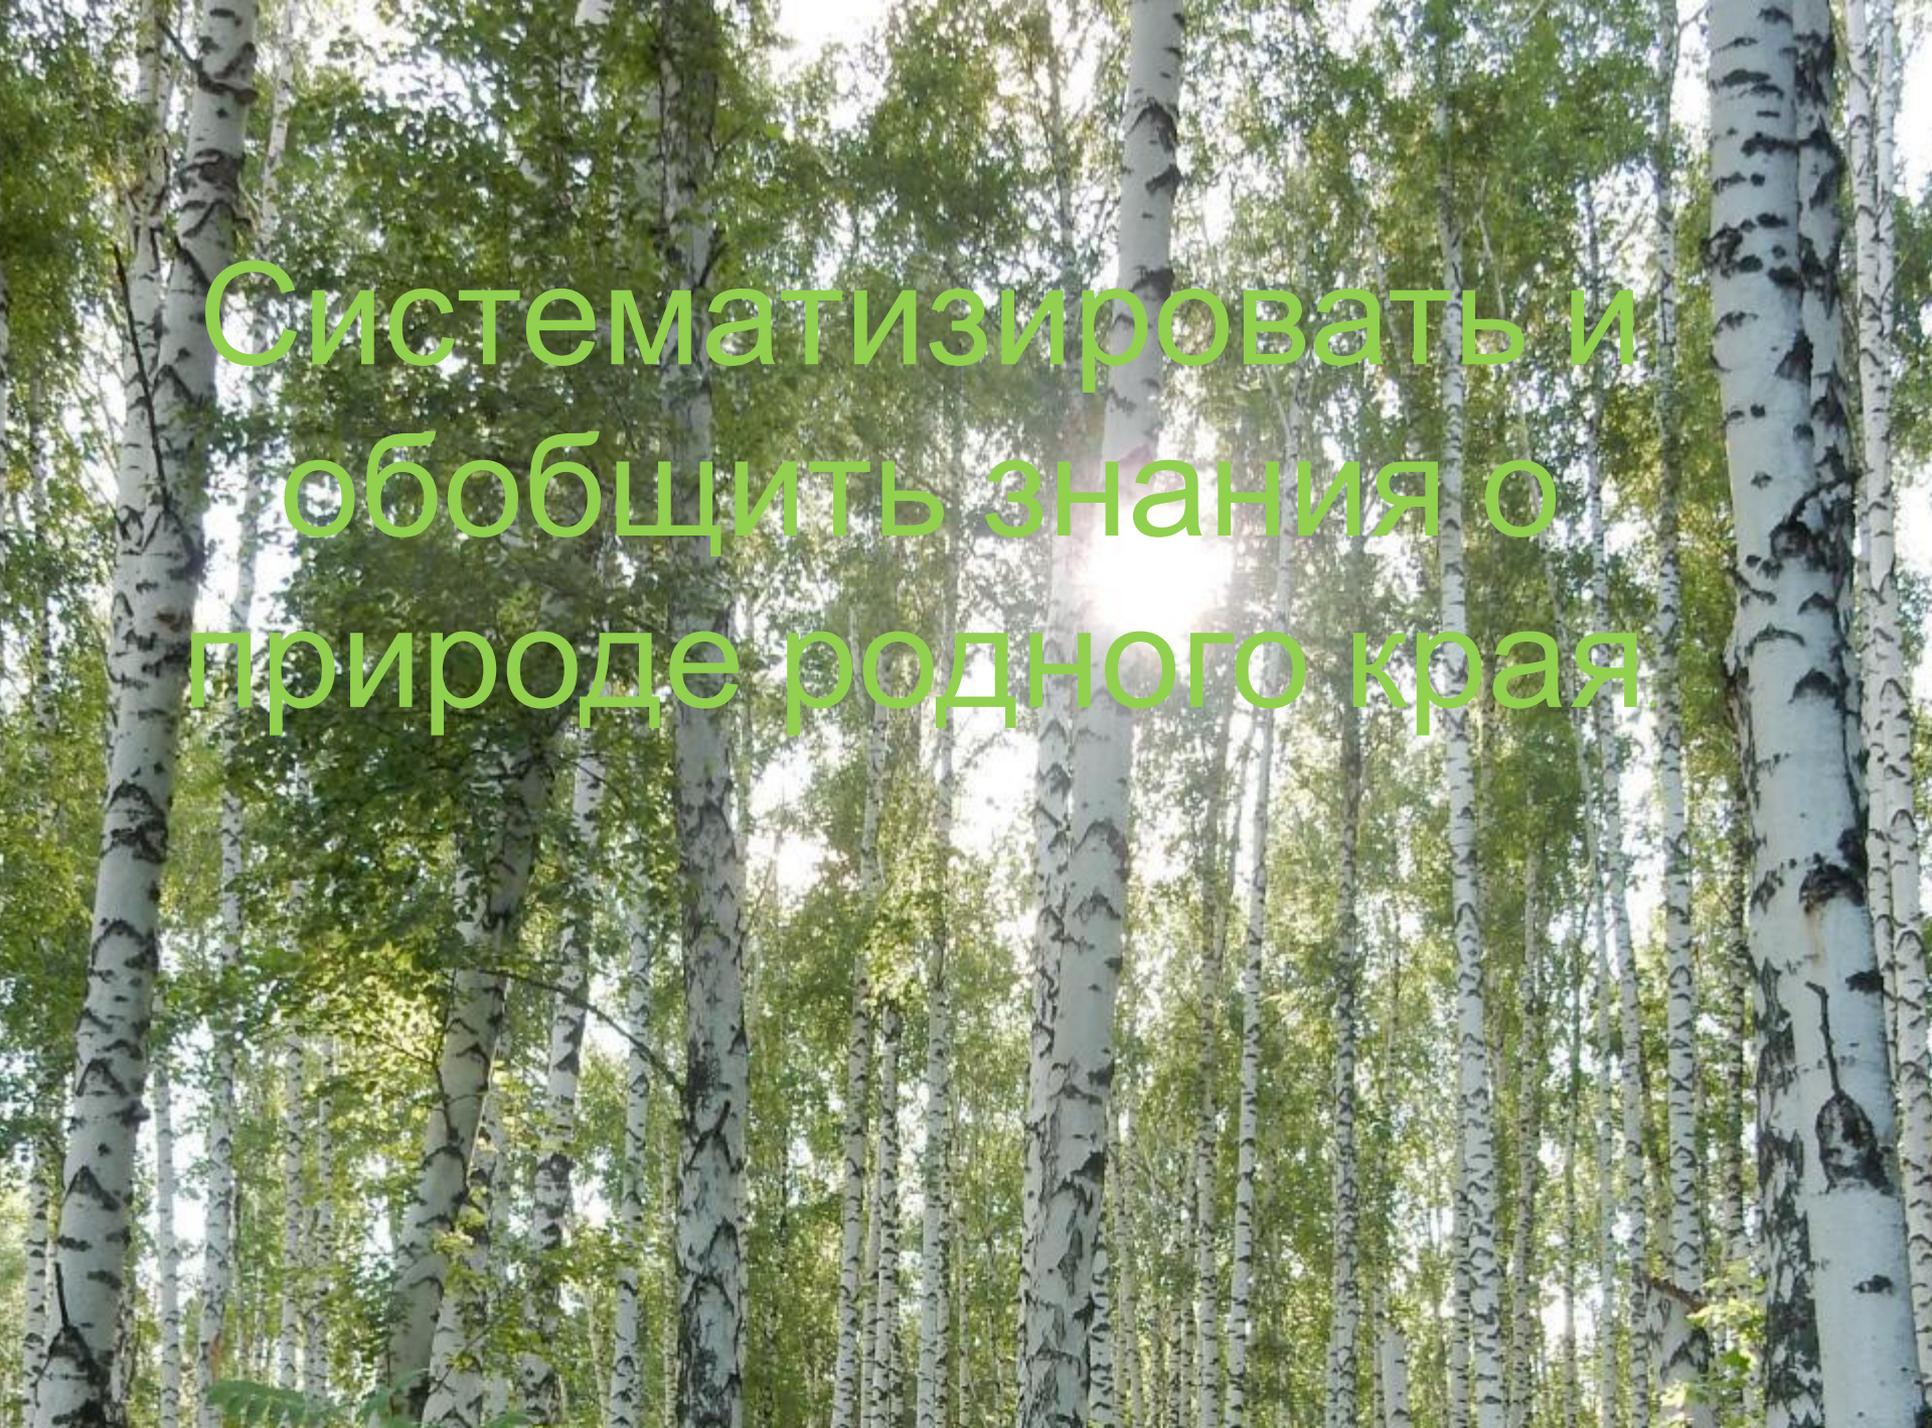

Цель: Изучить природу родного края.

Задача: Воспитывать бережное отношение к растительному и животному миру.

A photograph of a lush, green field filled with various plants. In the foreground and middle ground, there are several clusters of small, white flowers, likely from the Umbelliferae family. Interspersed among these are numerous purple flowers, possibly from the Lamiaceae family. The background is a dense thicket of tall green grasses and other vegetation, creating a vibrant, natural setting.
