

A detailed illustration of an IntelSat satellite in space. The satellite features a central body with various instruments and antennas, and two large, rectangular solar panel arrays extending outwards. The background is a dark blue space filled with numerous white stars. The IntelSat logo, a stylized globe with blue, green, and teal segments, is positioned to the left of the text. The word "INTELSAT" is written in a bold, white, sans-serif font with a registered trademark symbol (®) at the end.

A satellite with a central body and two sets of solar panels (one blue, one purple) is shown in space. The Earth is visible in the lower-left corner. The background is a starry space with a blue nebula. The text "Спасибо за внимание!" is in the upper right, and "The sky belongs to no one country" is in the lower right.

Спасибо за
внимание!

The sky belongs to no one country
