

# **SALMON BACKPACKING AND RAFTING ADVENTURE**

NOLS leadership school adventure holiday

# Location

- The expedition takes place along the Salmon River located in the Grand Teton National Park. Surrounded by the beautiful scenery, you will forget about any worries you had in the real world. Take a moment to stop and admire the splendid views our world has got to offer on this adventure.

# Activities

- The activities on this expedition include white-water rafting and kayaking, as well as hiking and backpacking. For newcomers: learn to raft and kayak in the rapids. For experienced travelers: master your kayaking skills and learn advanced techniques. Explore the wildlife and find out how to set a proper campsite. Learn to cook on a travel-size gas stove and tie difficult camping knots. Fishing is also optional on the trip.

# A mix of adventure and ecotourism

- If you always dreamed of being able to become closer to wildlife and nature, but also of doing lots and lots of adventure activities, this trip is for you.
- You will learn helpful lifehacks and find life-long friendships among other members of the expedition.

**The wilderness is awaiting!**
