информации»***

***5 класс***

***Урок № 23.***

*1. Этап подготовки документа на компьютере, при котором вы просматриваете его, исправляете обнаруженные ошибки и вносите необходимые изменения*

A black and white photograph of a snowy landscape. In the foreground, there is a snow-covered ground. In the middle ground, a path or road is visible, leading towards the background. Several utility poles with cross-arms are spaced out along the path, with power lines stretching across the sky. The background is a vast, flat, snow-covered area under a light sky.

A black and white photograph of a snowy landscape. A path or road is visible, leading from the foreground into the distance. On the right side of the path, there is a series of utility poles with cross-arms, receding into the distance. The ground is covered in snow, and the sky is a uniform light gray. The overall scene is quiet and desolate.

*2. Некоторое количество  
рядом стоящих символов,  
которые можно  
рассматривать как единое  
целое.*

A black and white photograph of a snowy landscape. A path or road is visible, leading from the foreground into the distance. Several utility poles with cross-arms are spaced along the path, receding into the background. The sky is overcast and grey. The overall scene is quiet and wintry.

*3. Полный набор  
букв алфавита с  
общим стилем  
начертания*

***4. Всевозможные операции по приданию документу вида, который он будет иметь на бумаге.***

A black and white photograph of a snowy landscape. A path or road is visible, leading into the distance. Several utility poles with cross-arms are spaced along the path. The sky is overcast and grey. The overall scene is quiet and desolate.

*5. Выравнивание  
текста, при котором  
с обеих сторон  
каждой строки  
ширина свободного  
пространства  
одинакова.*

A black and white photograph of a snowy landscape. A path or road is visible, leading into the distance. Several utility poles with cross-arms are spaced along the path, receding into the background. The ground is covered in snow, and the sky is bright and overcast.

*6. Операция над  
фрагментом с целью  
его последующего  
повторения*

*7. Специальная программа, предназначенная для обработки текстовой информации.*

*8. Любой текст,  
созданный с помощью  
текстового процессора,  
вместе с включёнными в  
него нетекстовыми  
материалами.*

*9. Первый этап  
подготовки  
документа на  
компьютере*

**10. Как  
называется  
устройство для  
вывода документа  
на бумагу?**

A black and white photograph of a snowy landscape. A path or road is visible, leading into the distance. Several utility poles with cross-arms are spaced along the path. The sky is overcast and grey.
