basketball

Basketball history

Basketball was invented by American James Naismith in 1891. At the time, he taught at the YMCA International Training School in Springfield, Massachusetts. Because the local area is rich in peaches, the children here are very fond of playing the game of putting the balls into the peach basket. This inspired him to create a basketball game by taking advantage of the characteristics of other ball games such as football and hockey.

The rules

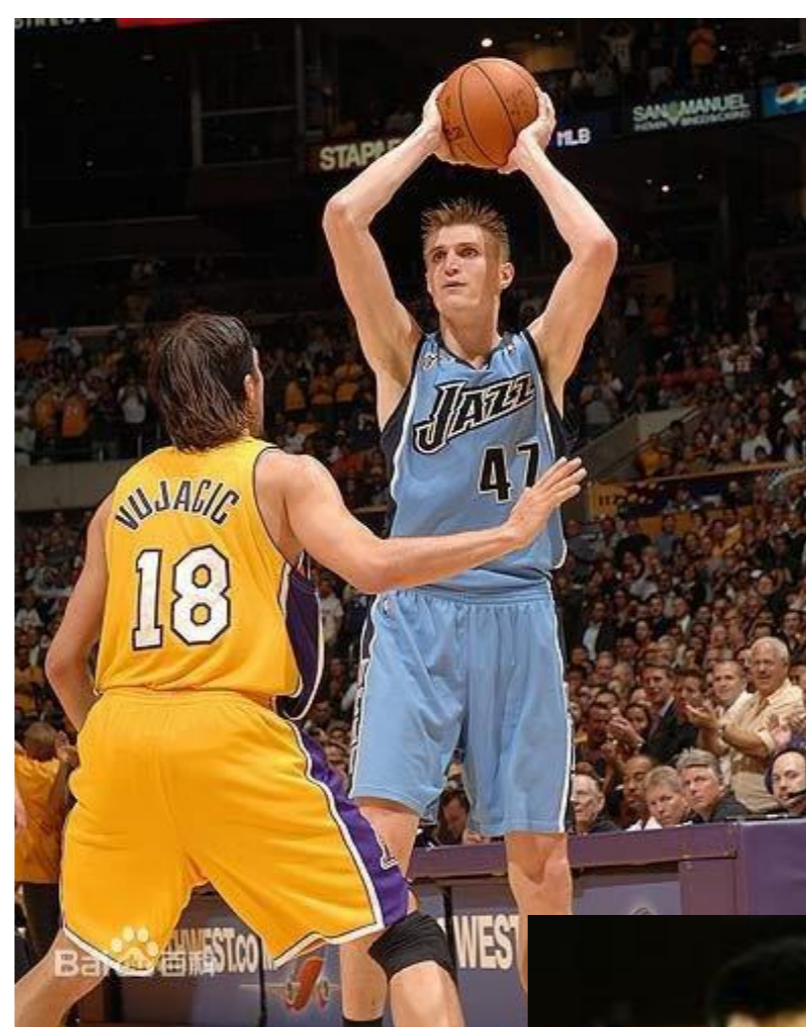

- **There are many rules in the basketball game, and it is quite complicated, with a total of 93.**
- **The competition time is 45 minutes, and each team member has 5 players.**
