

# Earth Day

A green globe with a leafy wreath. The globe is the central focus, showing continents in a light green color against a white grid. It is surrounded by a thick, green, leafy wreath that frames the globe. The background is a light, textured green.

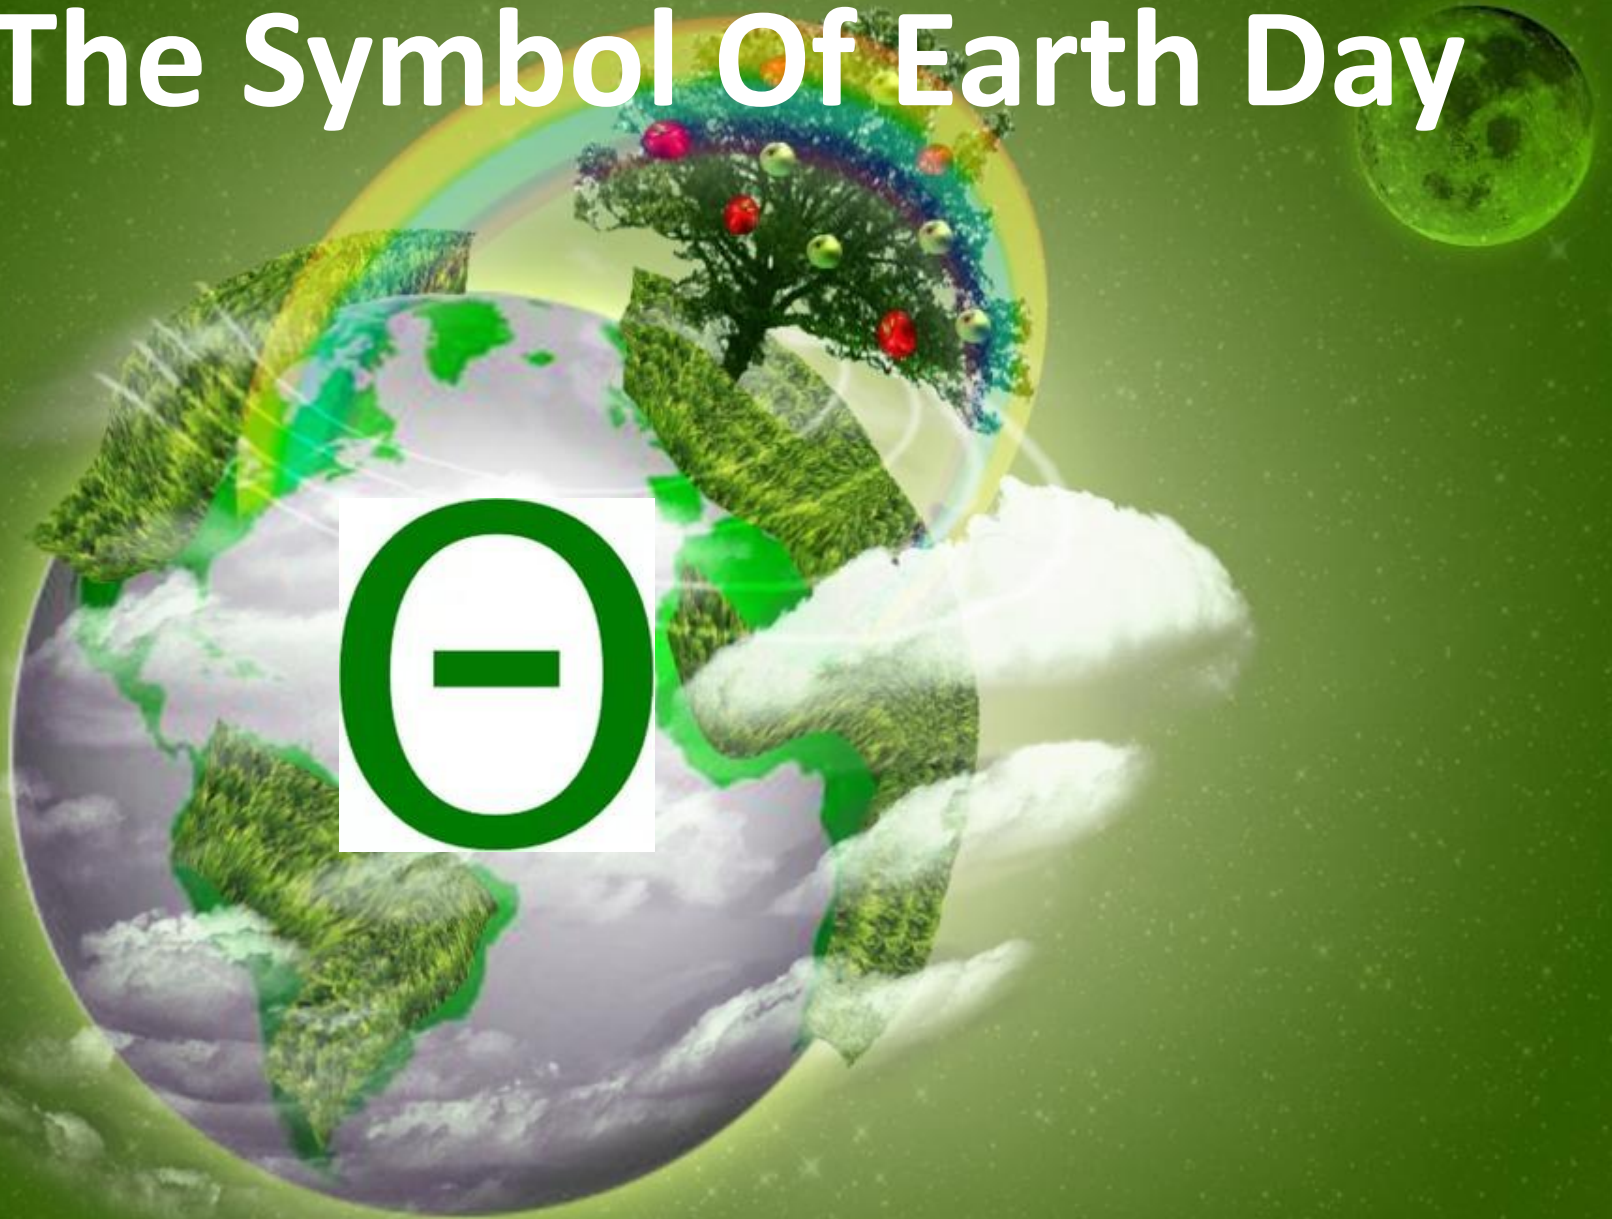

**April 22, 1994 year  
was named happy  
Earth Day**

The image shows a large, dark-colored bell-shaped monument supported by four thick, cylindrical pillars. The monument is set on a light-colored stone or concrete base. The background consists of various trees, some with green leaves and others without, suggesting a park or public square setting. The sky is overcast and grey.

**The Peace Bell  
is a symbol of peace  
and tranquility**

# The Symbol Of Earth Day

A composite illustration featuring a central globe of Earth held gently by two white hands. A vibrant rainbow arches across the top right, with a small blue dove flying above it. A lush green tree stands on the right side of the globe. The background is a soft, light blue sky with white clouds. The text "We must protect our Earth" is overlaid in the center in a bold, black font.

**We must protect our Earth**

A central blue and white globe of Earth is surrounded by a circular arrangement of colorful, stylized icons. These include various green leaves, some with water droplets, a blue water drop, a small brown house with a window, a red curved arrow, a green comb, and other natural elements like flowers and branches. The overall theme is environmental and ecological.

**Earth - our common home!**
