## Norwegian Heart Baskets

You have to be kind. You have to be a friend. You have to be a family. You have to be a friend. You have to be a family.

Norwegian heart baskets (hjertebasketer) are a tradition during Norway's Christmas season. It is when all these heart-shaped baskets with goodies and notes, hang from around the house and give them to friends and family. The baskets are adorable and make perfect Valentine's Day baskets. Simply make your baskets, fill with sweet treats and give out as tributes to your friends and family.

**Materials needed:**
