

NO RACISM

Today, expressing racism is unacceptable and it is prosecuted by law

But unfortunately there are people who stick to this ideology

Racism in the world

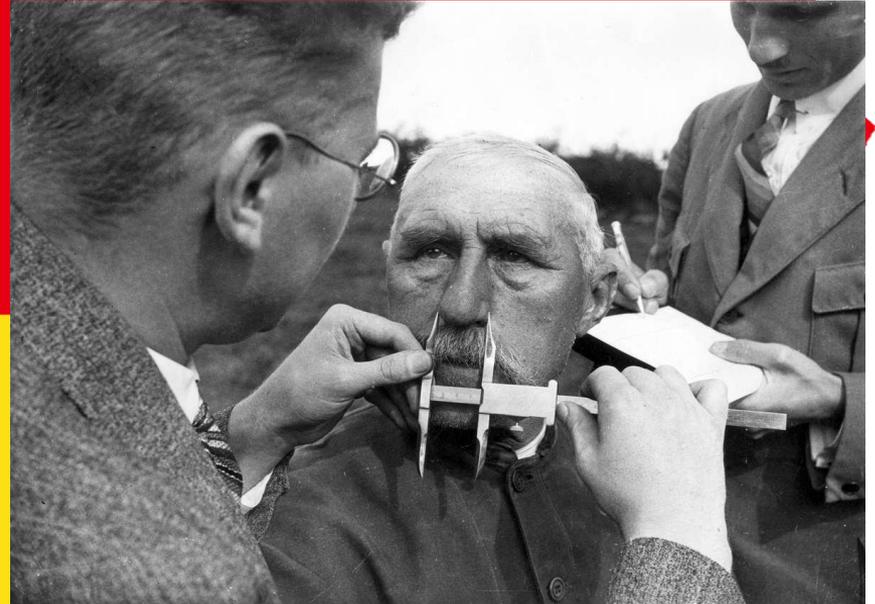

- ★ There were inscriptions "places only for whites" in public places. Black people found it difficult to get a job.
- ★ Right now in the US hidden racism, but still it is.
- ★ Low access to quality education, bad job - the main problems now

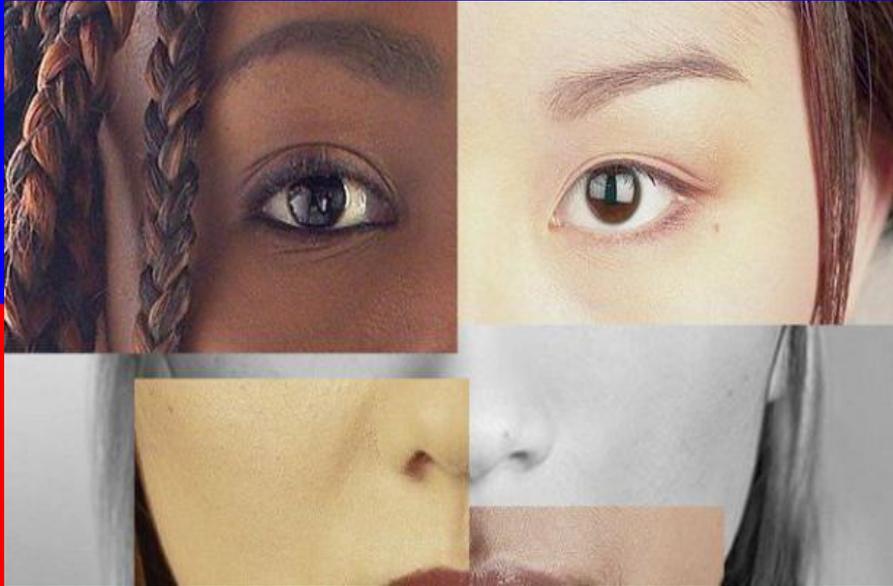

Over the past few years, in most European countries, there has been more racism. Causing this political situation.

Racism is not expressed, but in the years of World War II there were mass deaths.
Now also there are problems with work.

Russia is a multinational country. Racism in Russia is not manifested, more nationalism. The Russian people love their country, so it protects it. Most of the country does not like racism, racism is a threat to society

**Racism is a world problem,
problem that brought many troubles**

A person is holding a large, rectangular sign made of brown cardboard. The sign has the words "STOP RACISM" printed on it in large, bold, red capital letters. The person's hands are visible, gripping the edges of the sign. The background is a dark, textured wall.

**STOP
RACISM**
