Walt Disney

American animator, director, actor, writer and producer, founder of «Walt Disney Productions», which by now has become a multi-media empire «The Walt Disney Company».

Is the creator of the first in the history of cinema sound, music, and a full-length animated films. During his extraordinarily busy life as Walt Disney director made 111 films and produced the more 576 films. Disney's outstanding achievements in the field of cinema marked 26 statuettes of "Oscar" and the name of Irving Thalberg award, which has the status of "Oscar", as well as many other awards and accolades. "

Mickey Mouse and other

In 1927, the huge popularity to the film "Rabbit Oswald," and his hero opens a gallery of famous characters from Disney films. Mickey's a mouse, portrayed Ab Ayverks, first name was Mortimer, but he soon got a name now well known all over the world. Mickey Mouse first appeared in the silent film "Mad airplane" (1928), and in the same year he became a hero and the first sound film of Disney - "steamer Willie" (the first in the history of cartoon film with synchronized sound). In the first tape Disney himself voiced little mouse, and soon the film director opened the road to success.

In 1929, Disney began work on the series "Naive Symphony", and in 1938 took more than 70 series, including "Dancing Skeletons" (1929), "The Ugly Duckling" (1932), "Three Little Pigs" (1933). In these films, there are dog Pluto (1930), dog Goofy (1932), as well as Donald Duck Duck (1934).

"Snow White and the Seven Dwarfs" and "Pinocchio"

When Disney was 14 years old and he worked part time selling newspapers in Kansas City, he saw a short silent cartoon of Snow White, which he will remember for a lifetime. In autumn 1934 Disney made the first sketch of a script based on the Grimm's fairy tales. On the latest version of this script with Disney work of several people, including Otto Inghelander, Earl Hardy and Ted Sears. December 21, 1937 on the screens of America was first shown full-length animated Disney film "Snow White and the Seven Dwarfs," the tale by the Brothers Grimm. "Snow White" Disney has brought great success: popularity, eight million dollars in revenue and rave reviews in the professional press.

Soon, new full-length movies. "Pinocchio" (1940) on the story by Italian author Carlo Collodi XIX century audience was welcomed with enthusiasm, which is shared by its critics. The success was a result of the titanic work: to better draw the scene when Pinocchio tries to escape from the whale, the artists have long studied the habits and movements of these whales. The music for this film, sponsored by Lee Harlayn, Paul Smith and Ned Washington, was awarded the "Oscar". Was also highlighted song «When you wish upon a star» (music to the words of Lee Harlayna Ned Washington).

Cinderella and other cartoons

In 1950, Disney created a hand-drawn version of the modest girl, who with the help of the good fairy bride becomes a handsome prince. Director of the film "Cinderella" were Wilfred Jackson, Hamilton Lasky and Clyde Geronimi. Among the notable scenes is called that when mice are pushing a huge pumpkin turn into magnificent horses harnessed to the carriage, and the Fairy Godmother transforms Cinderella's rags into a ball gown. For technical prowess film at the Berlin Film Festival, was awarded the "Golden Bear" and Cinderella has appeared on T-shirts, bed linens and scarves in many countries around the world.

Directors, who shot "Cinderella", created in 1953, and the animated feature "Peter Pan" on the book by Sir James Barrie. It was followed by such notable films as "Lady and the Tramp" (1955), "The Sleeping Beauty" (1959) and "One hundred and one Dalmatians" (1961), which became a classic animated film.
