

ST. VALENTINE'S DAY

About this day

Valentine,s Day grows more and more popular in many countries of the world. Some people have already begun to celebrate it in Russia. They try to imitate European Valentine customs and want to know more about their origin. But, as with many customs, the origin of St.Valentine,s Day is a mystery.

St.Valentine,s Day is the day when boys and girls, friends and neighbours, husbands and wives, sweethearts and lovers exchange greetings of love and affection.

**St. Valentine's Day is
the 14th of February.**

LOVE

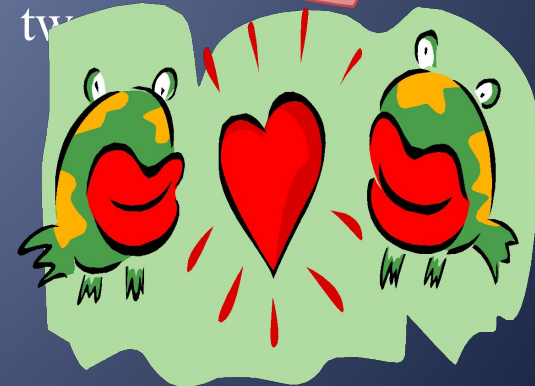

Good morrow, Valentine, First tis
yours, then tis mine, Please to give
me a Valentine .

I have a little Valentine
That someone sent to me.

It's pink and white
And red and blue.

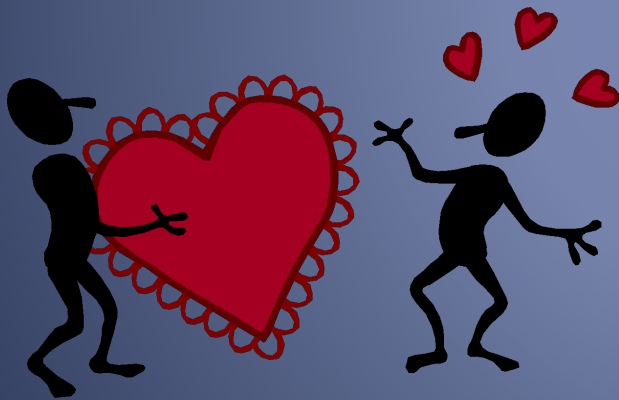

Good morning to you, Valentine Curl your
locks as I do mine, One before and two
behind, Good morning to you,
Valentine.

СТИХИ О ЛЮБВИ.

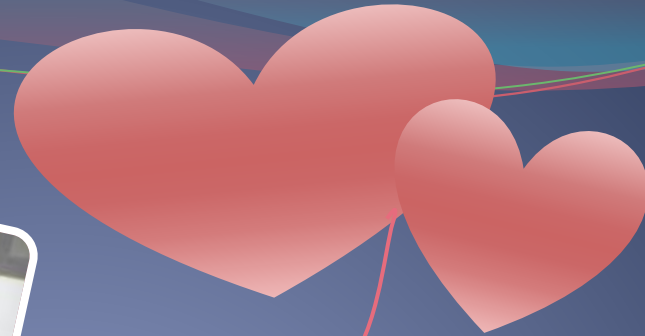

Любовь есть высший дар природы
И без нее нельзя прожить
Любовью дышит вся природа
Позволь и мне тебя любить.

Желаю я в день Валентина Тебе
с любовью жить всегда И пусть
горит неугасима Твоя счастливая
звезда!

Любовь-эта доброта А
доброта- эта вторая красота.

● **This festival of love and fun is celebrated by a lot of people.**

One of the earliest popular symbols of the day is Cupid.
