

**ENTRY.**

Hello, I kostin Pavel, I am 18 and I have connected the life with sports.

I started from childhood.

I love to play sports.

I like it.

# Sports

When I went to the first grade I started ballroom dancing, football and Cycling

Dancing.

I will tell more in details

# Dancing

My parents wanted me to go to ballroom dancing at first I didn't want to do, but throughout my little career dancer , I dragged.

I dance For about 9 years

For 9 years I danced with many people.

I often change the partner.

I went to various competitions

Occupied prize-winning places

This is a very beautiful sport, and very heavy

You win the Republic Cup, prize-Winner of the championship of Russia.

# Dancing.

A year ago we had to say goodbye to the dance because of exam preparation

I wanted to get back but I didn't have enough time

# Football

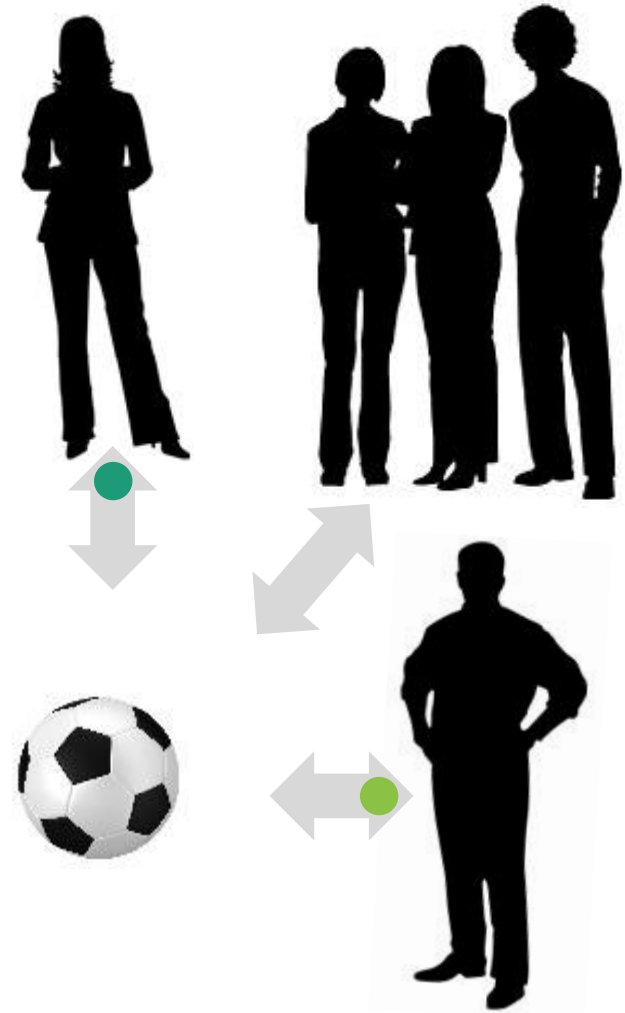

Let's talk about  
football.

In football I played for the team of his school  
We won all the tournaments we took part in  
In 5th grade I was called in school sports  
But I refused, because it was small  
After I continued to play in the team to 8th grade  
Then our team broke up  
And I only played street football with friends

Cycling

I love to ride my bike

I live in the forest, so every morning I went in  
the woods and the pond.  
Where are bathed and Napping before a  
productive day.  
my friend and I cycled around the city every day  
I only rode a bicycle with my brother this year

# The End.

the work performed Pavel
