

Historical and Contemporary Roles of Sport

Sporting events and changes are influenced by the economic, social Sporting events and changes are influenced by the economic, social and political situations in place at the time

Economics is the study of how the forces of supply and demand allocate scarce resources. Subdivided into microeconomics, which examines the behaviour of firms, consumers and the role of government; and macroeconomics, which looks at inflation, unemployment, industrial production, and the role of government

Stein [Jock Stein (1922 - 1985)]

Like another great football manager, Matt Busby, Jock Stein was a product of Lanarkshire and from a mining background. Born in Burnbank in 1922, Stein went to work down the pit but escaped from this harsh life because of his talent as a footballer

Commonwealth Games 1970

1970 was an important year for Scotland as the Commonwealth games were staged here. This shows teams from the different countries parading around the track at the opening ceremony of the Games at Meadowbank Stadium, Edinburgh in July 1970.
