Пословицы и загадки про  
лето**

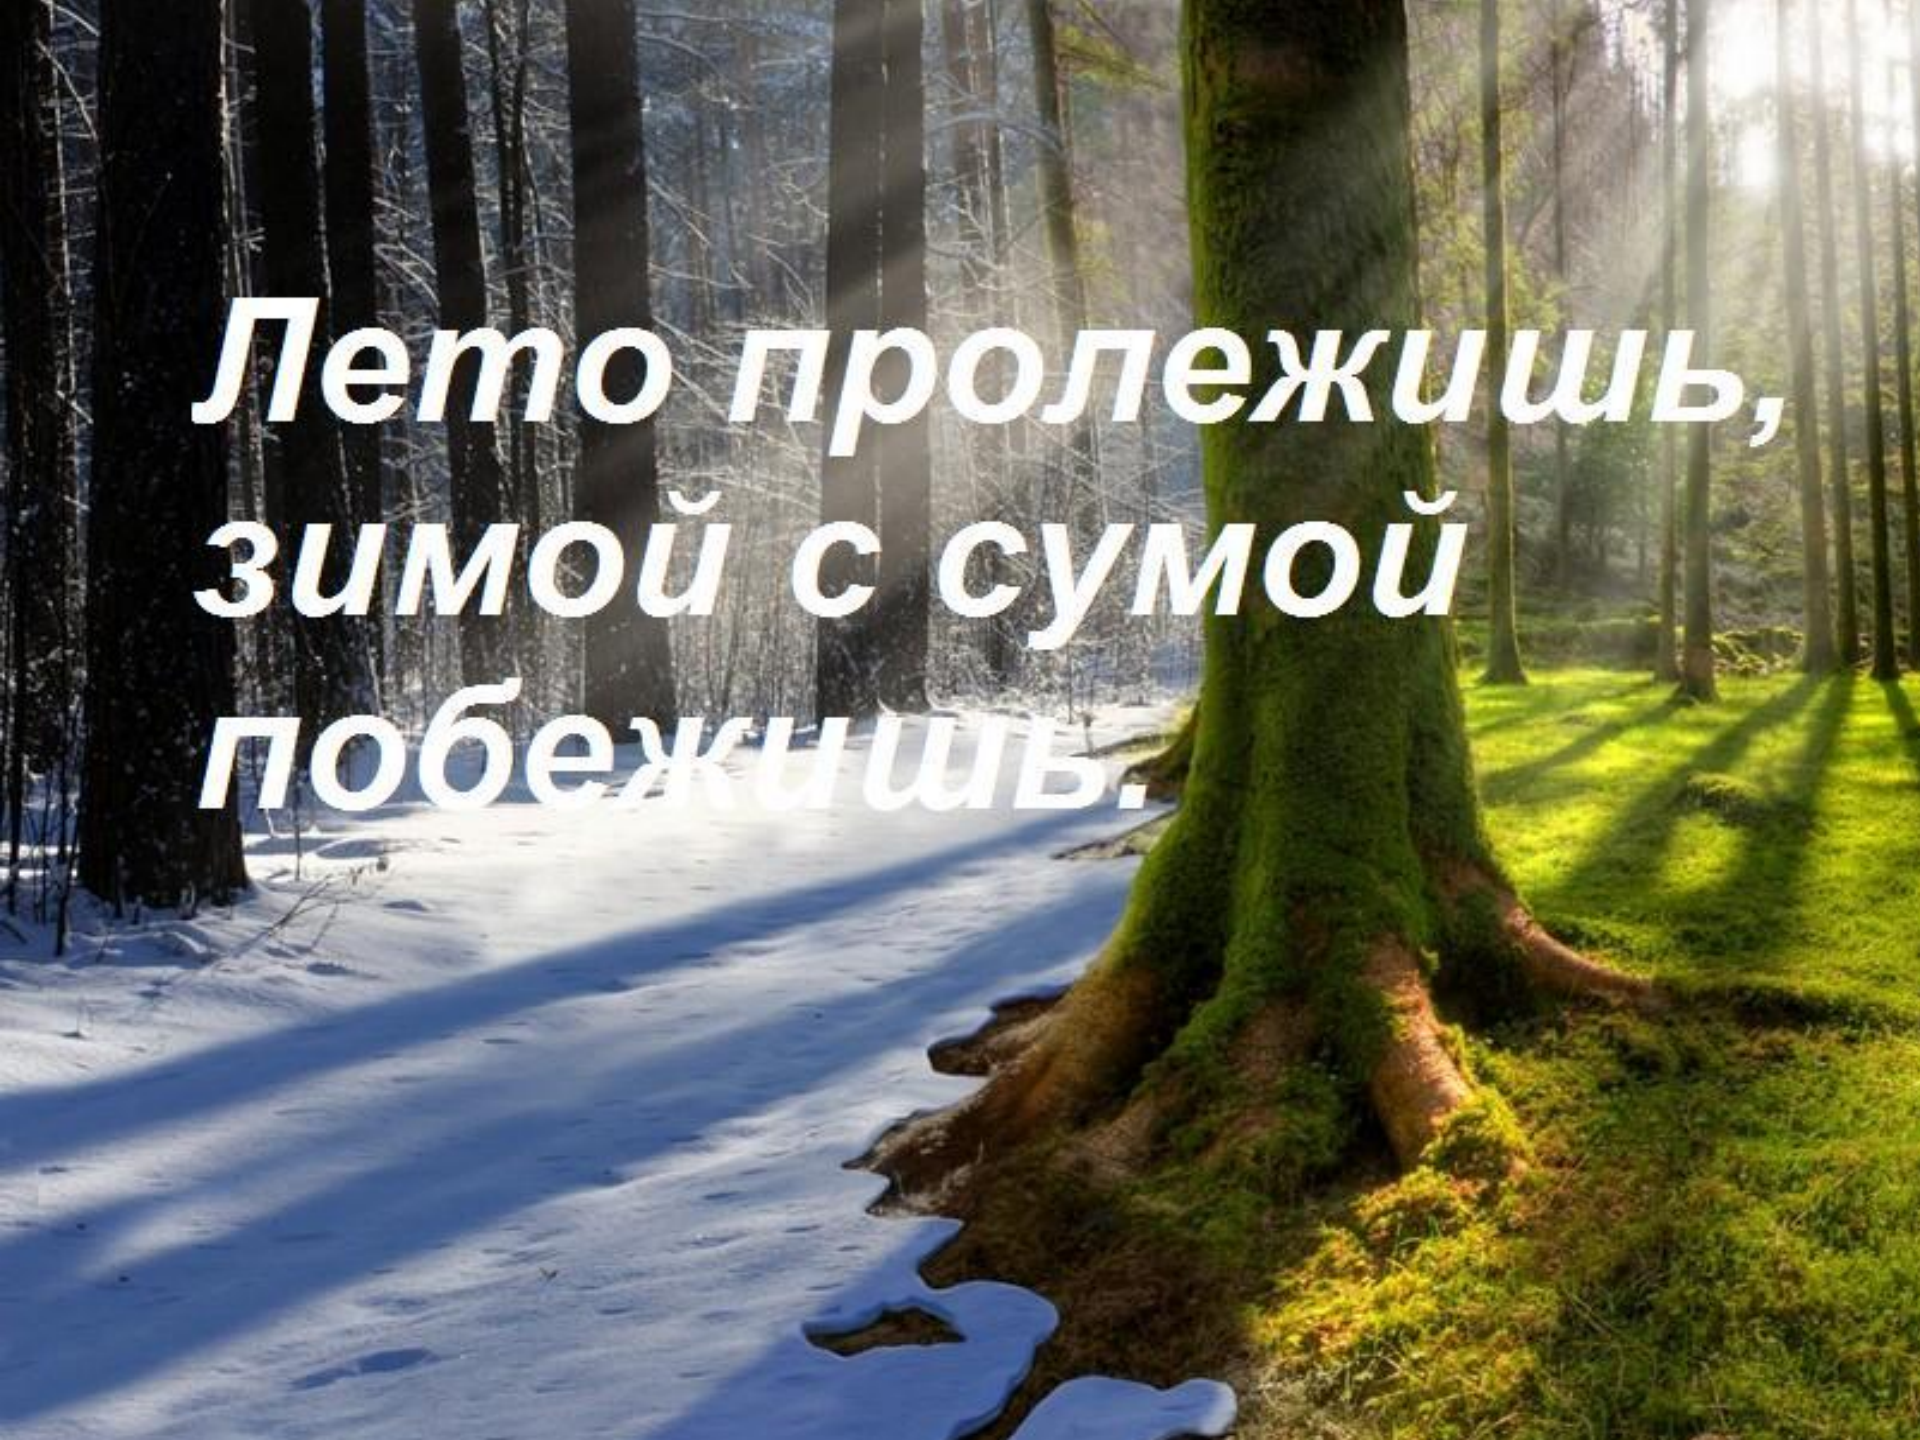

*Пословицы  
о сравнении  
лета и  
зимы*

A vertical split image of a forest. The left side shows a winter scene with snow on the ground and bare trees. The right side shows a summer scene with green grass and tall trees. A large tree trunk with moss is in the center, spanning both halves. Sunlight filters through the trees on the right.

*Лето собирает, а  
зима поедает.*

A photograph of a forest. In the foreground, a large, thick tree trunk is covered in vibrant green moss. The ground is a mix of snow and green grass, with long shadows cast across it. Sunlight filters through the trees in the background, creating a bright, hazy atmosphere. The text is overlaid in the center of the image.

*Лето пролежишь,  
зимой с сумой  
побежишь.*

*Помянешь и лето,  
как шубы нету.*

*У зимы с летом  
ладу нету.*

*Лето припасиха, а  
зима подбериха.*

*Готовь летом сани,  
а зимой телегу.*

# *Пословицы о летних работах*

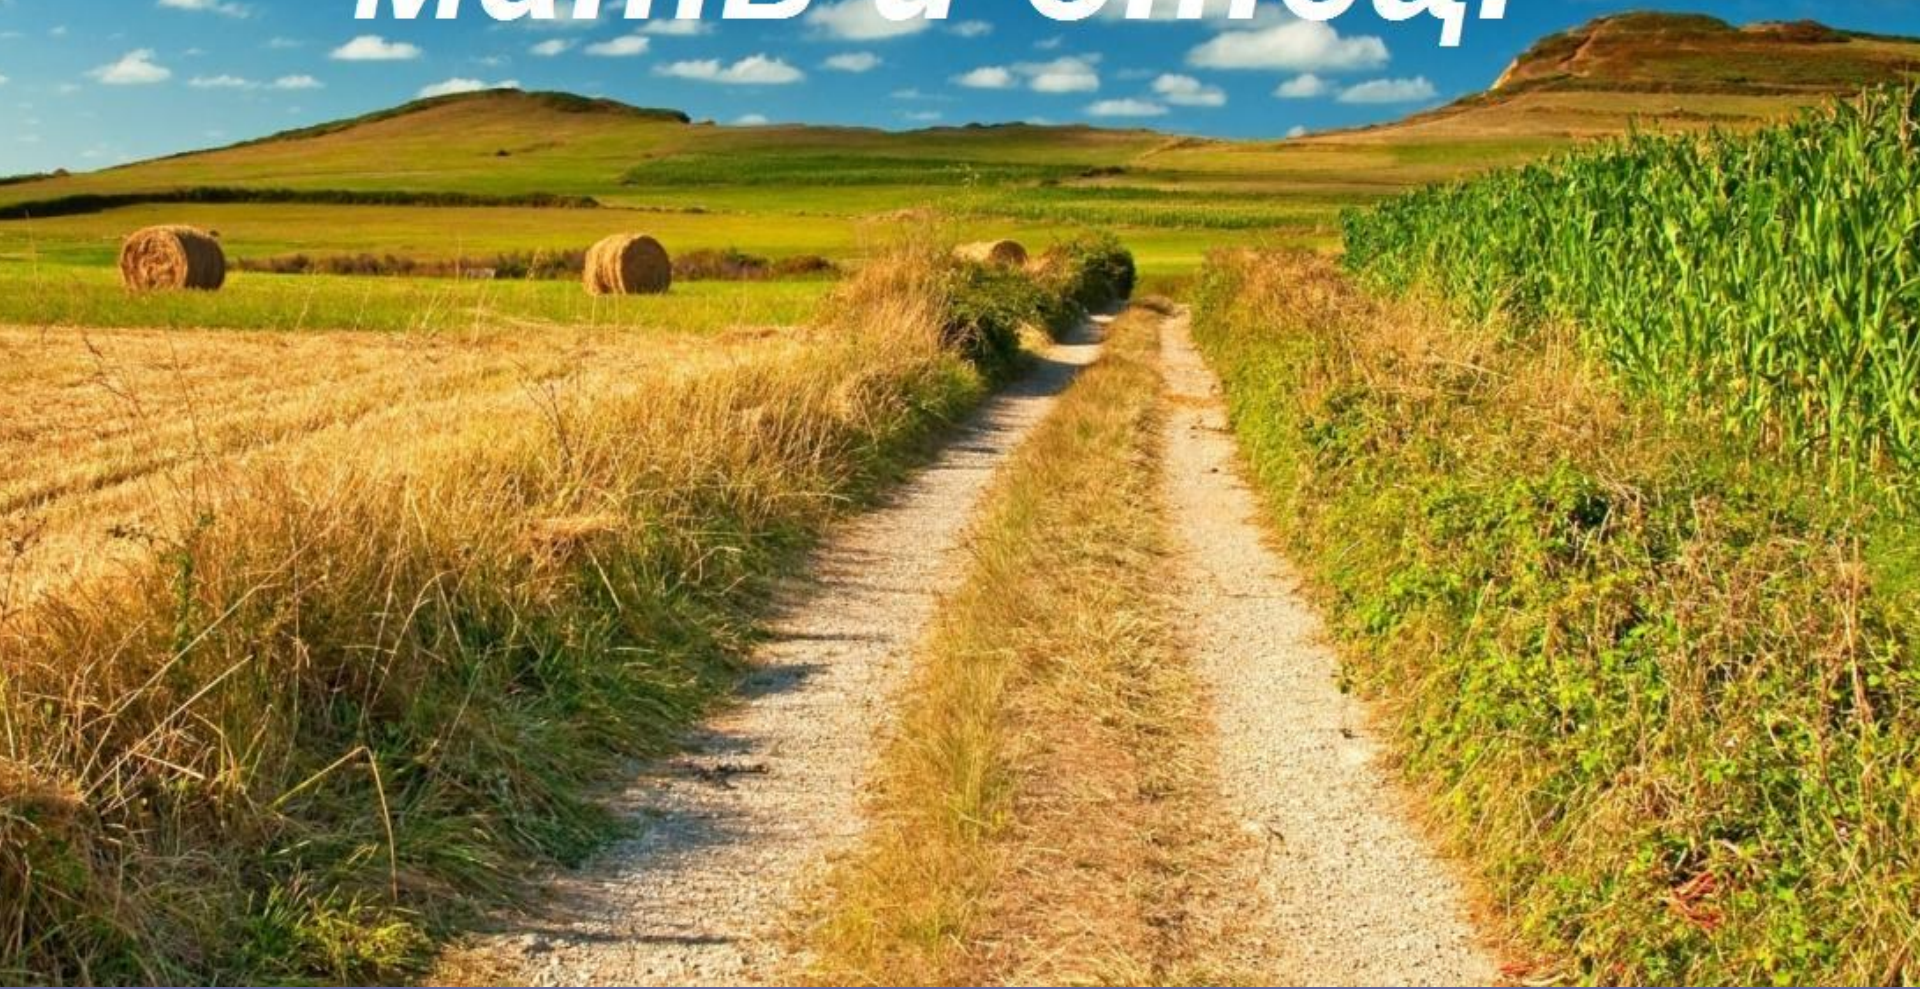

A scenic rural landscape featuring a dirt road that curves through a field. On the left, there are golden-brown harvested crops and hay bales. On the right, there are rows of tall green corn plants. In the background, rolling green hills are visible under a bright blue sky with scattered white clouds. The overall atmosphere is peaceful and agricultural.

*Летом без дела  
сидеть - зимой хлеба  
не иметь.*

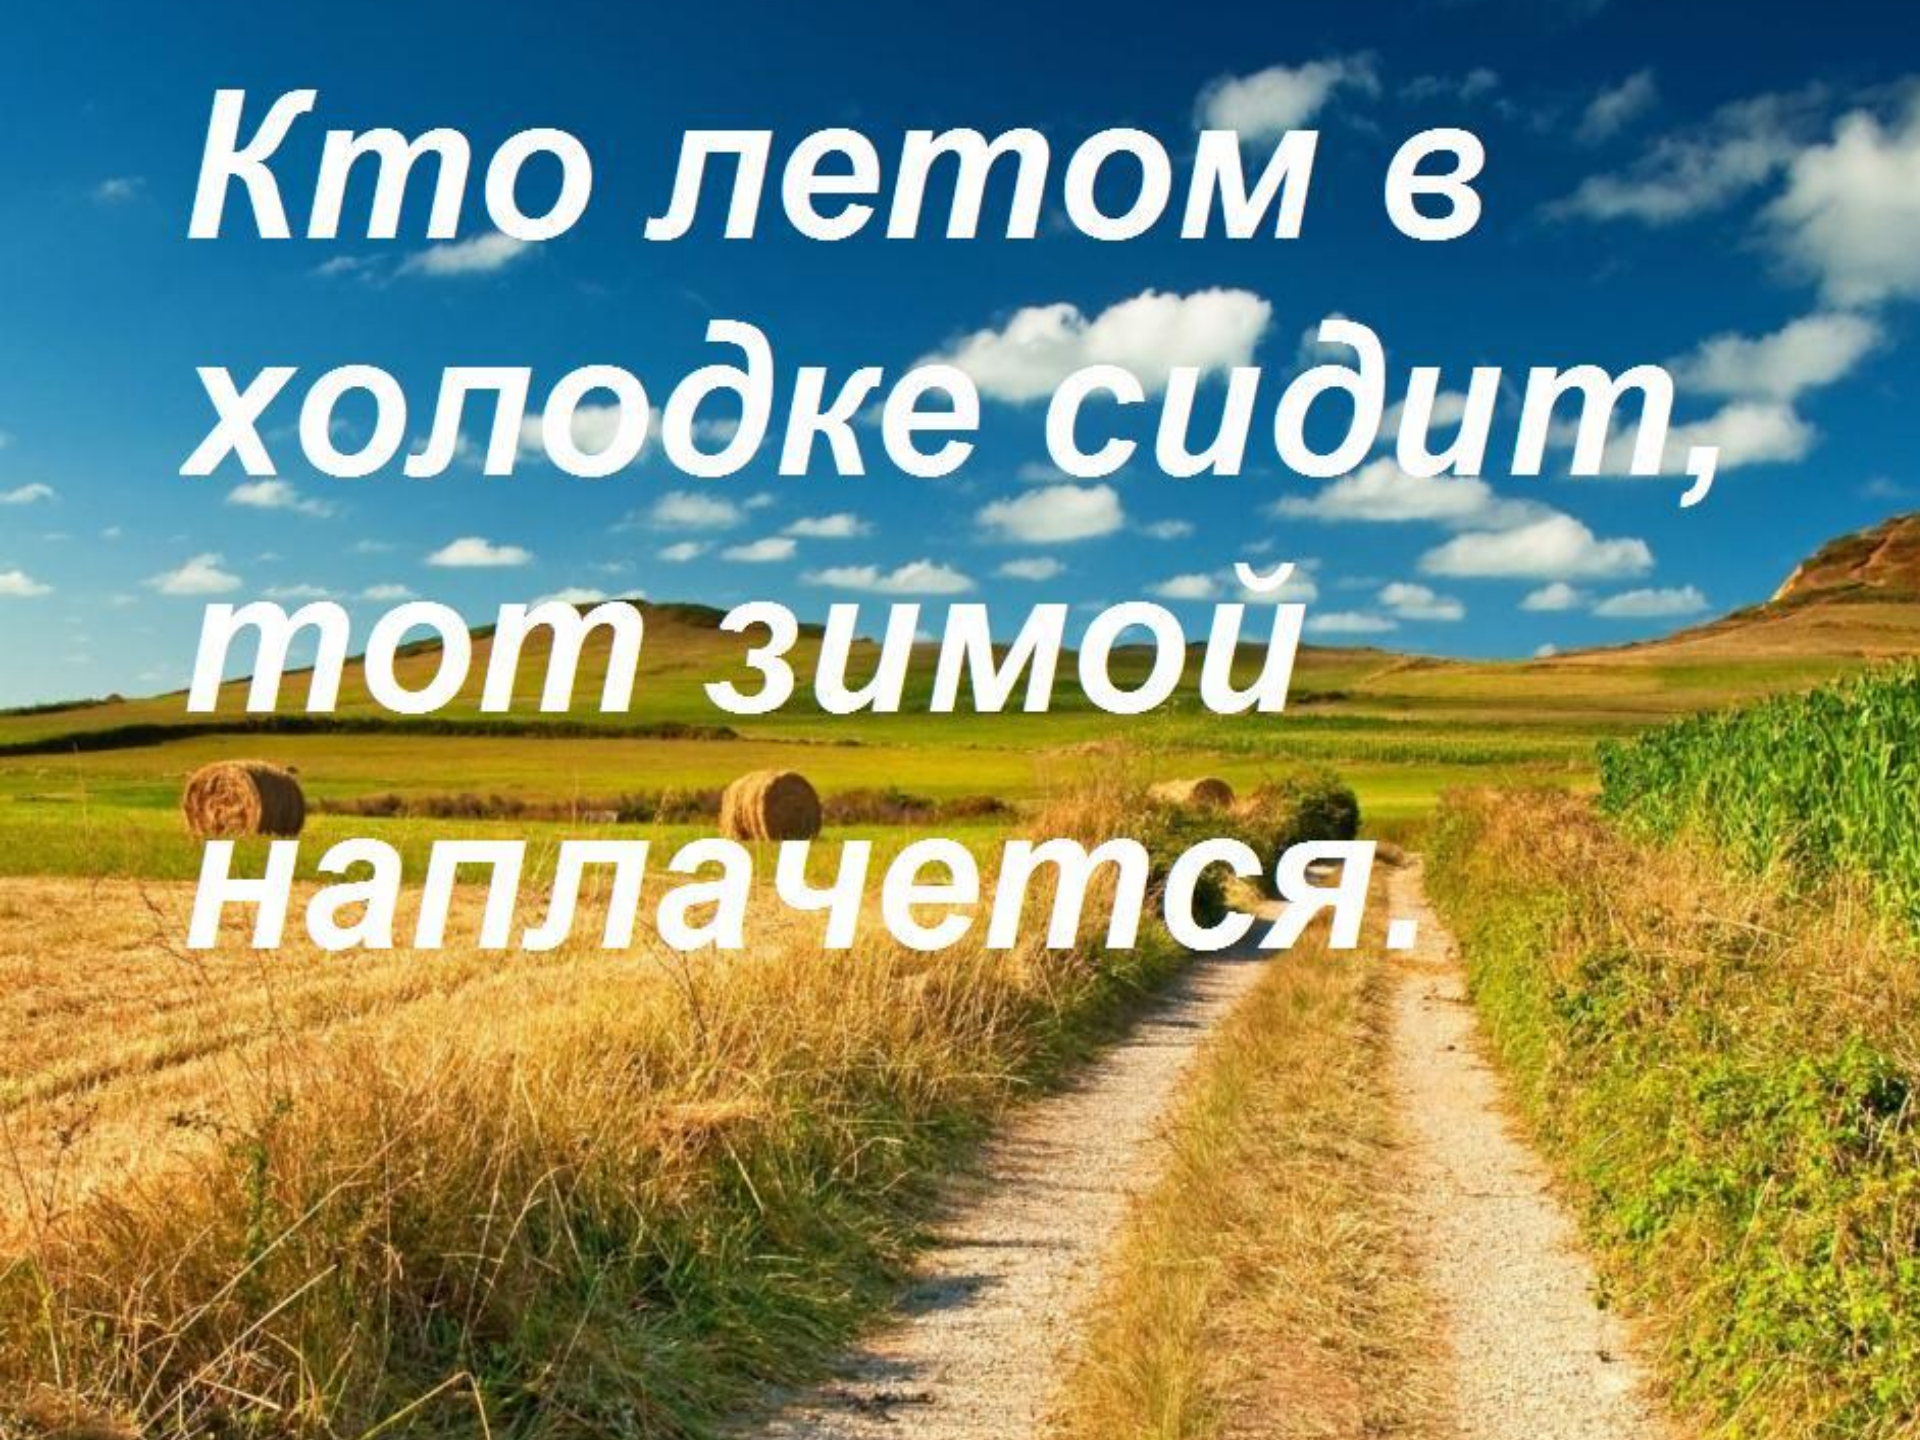

# *Лето крестьянину - мать и отец.*

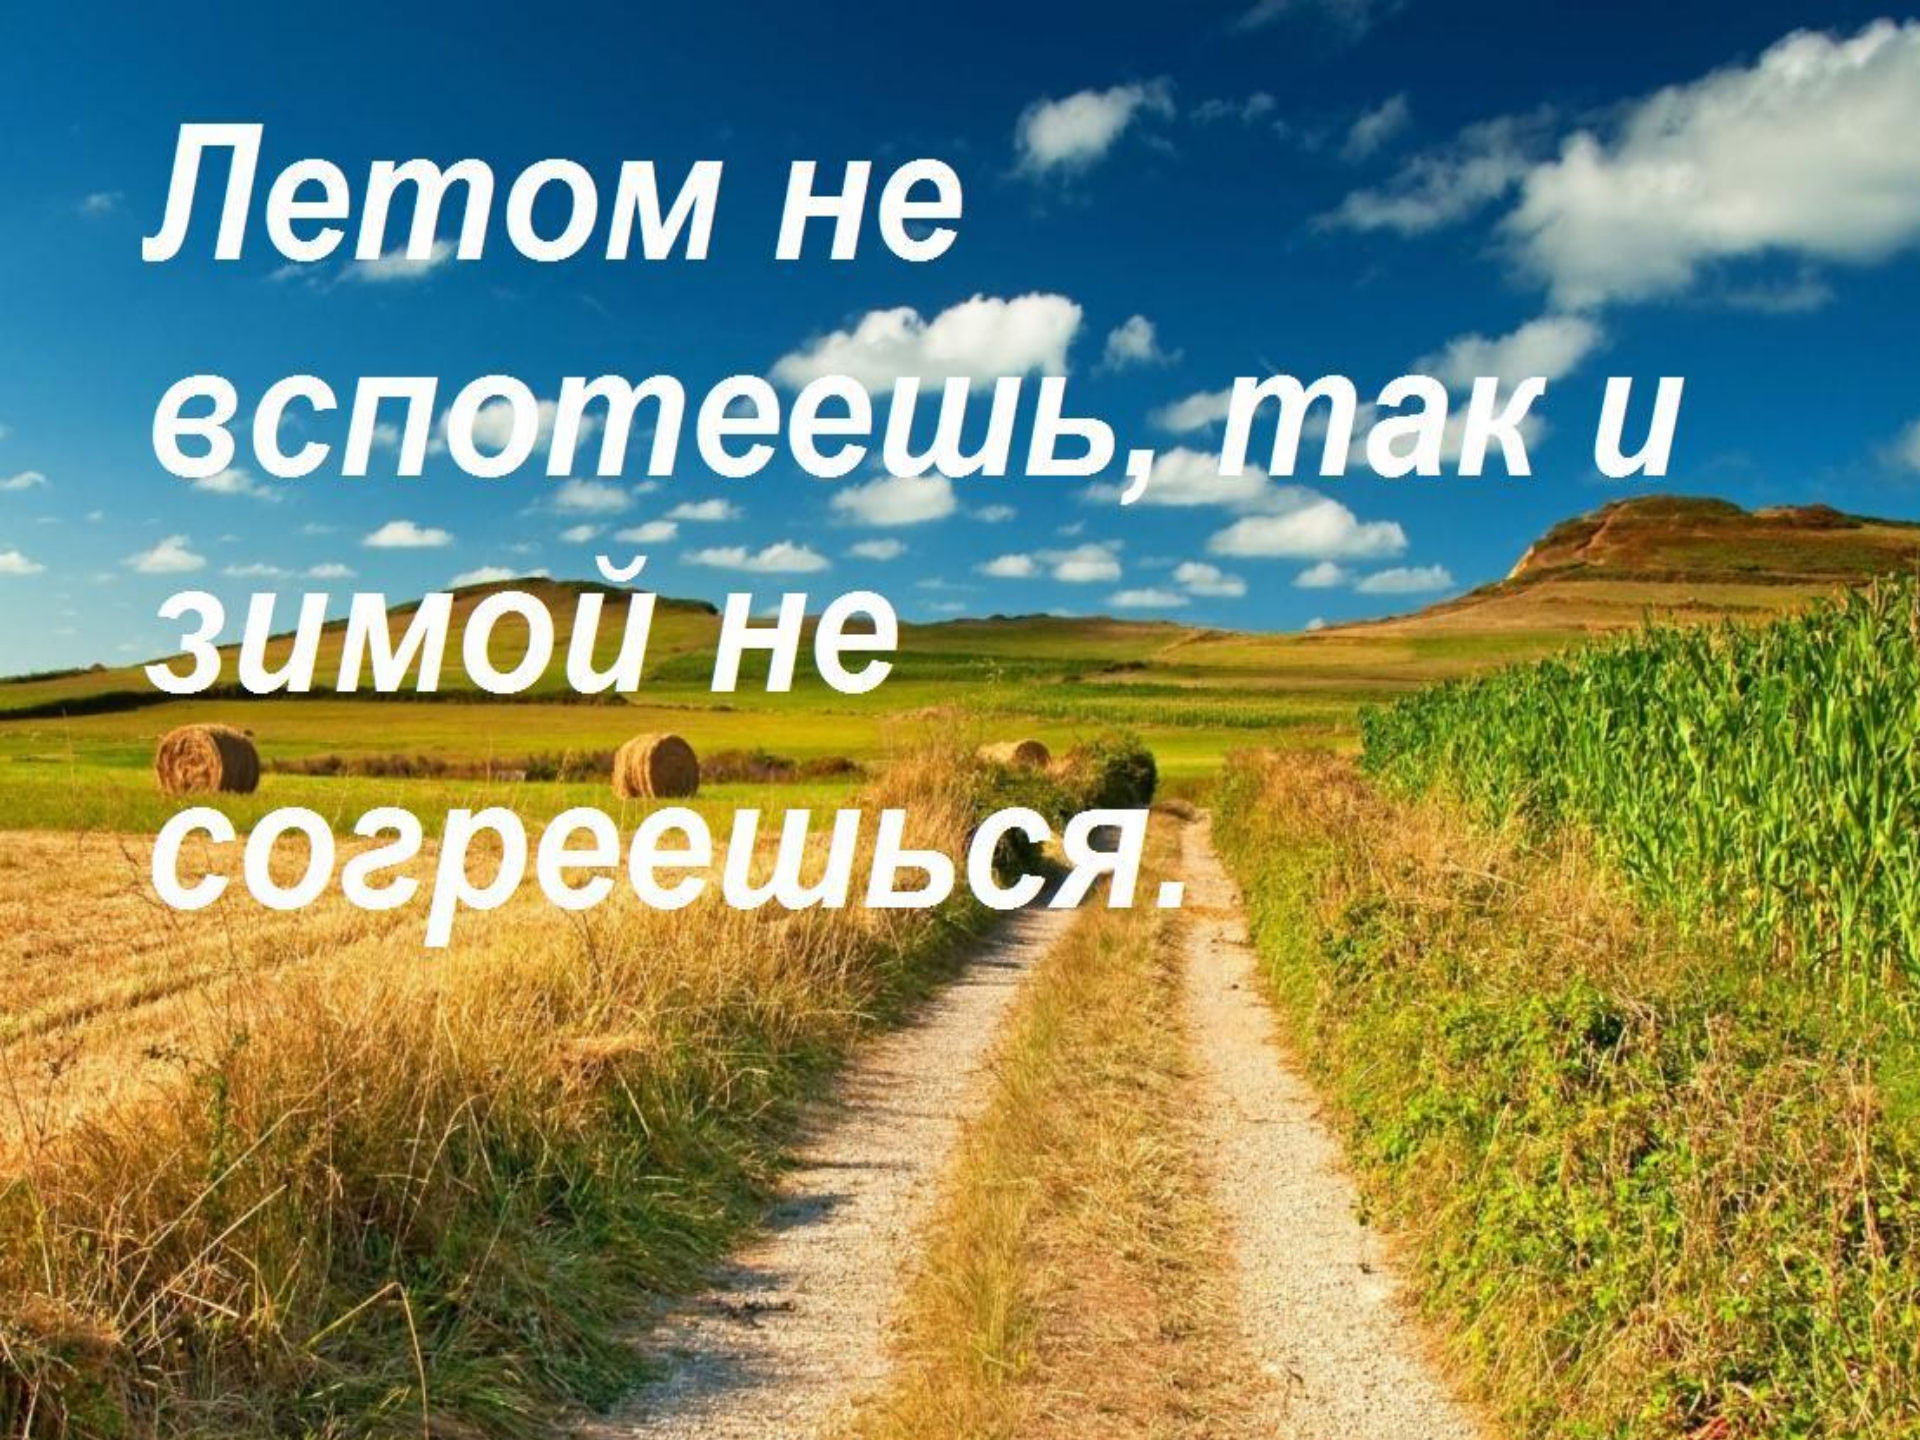

*Кто летом в  
холодке сидит,  
тот зимой  
наплачется.*

**Летом не  
вспотеешь, так и  
зимой не  
согреешься.**

*Летний день - за  
зимнюю неделю.*

*Худое лето, коли  
сена нету.*

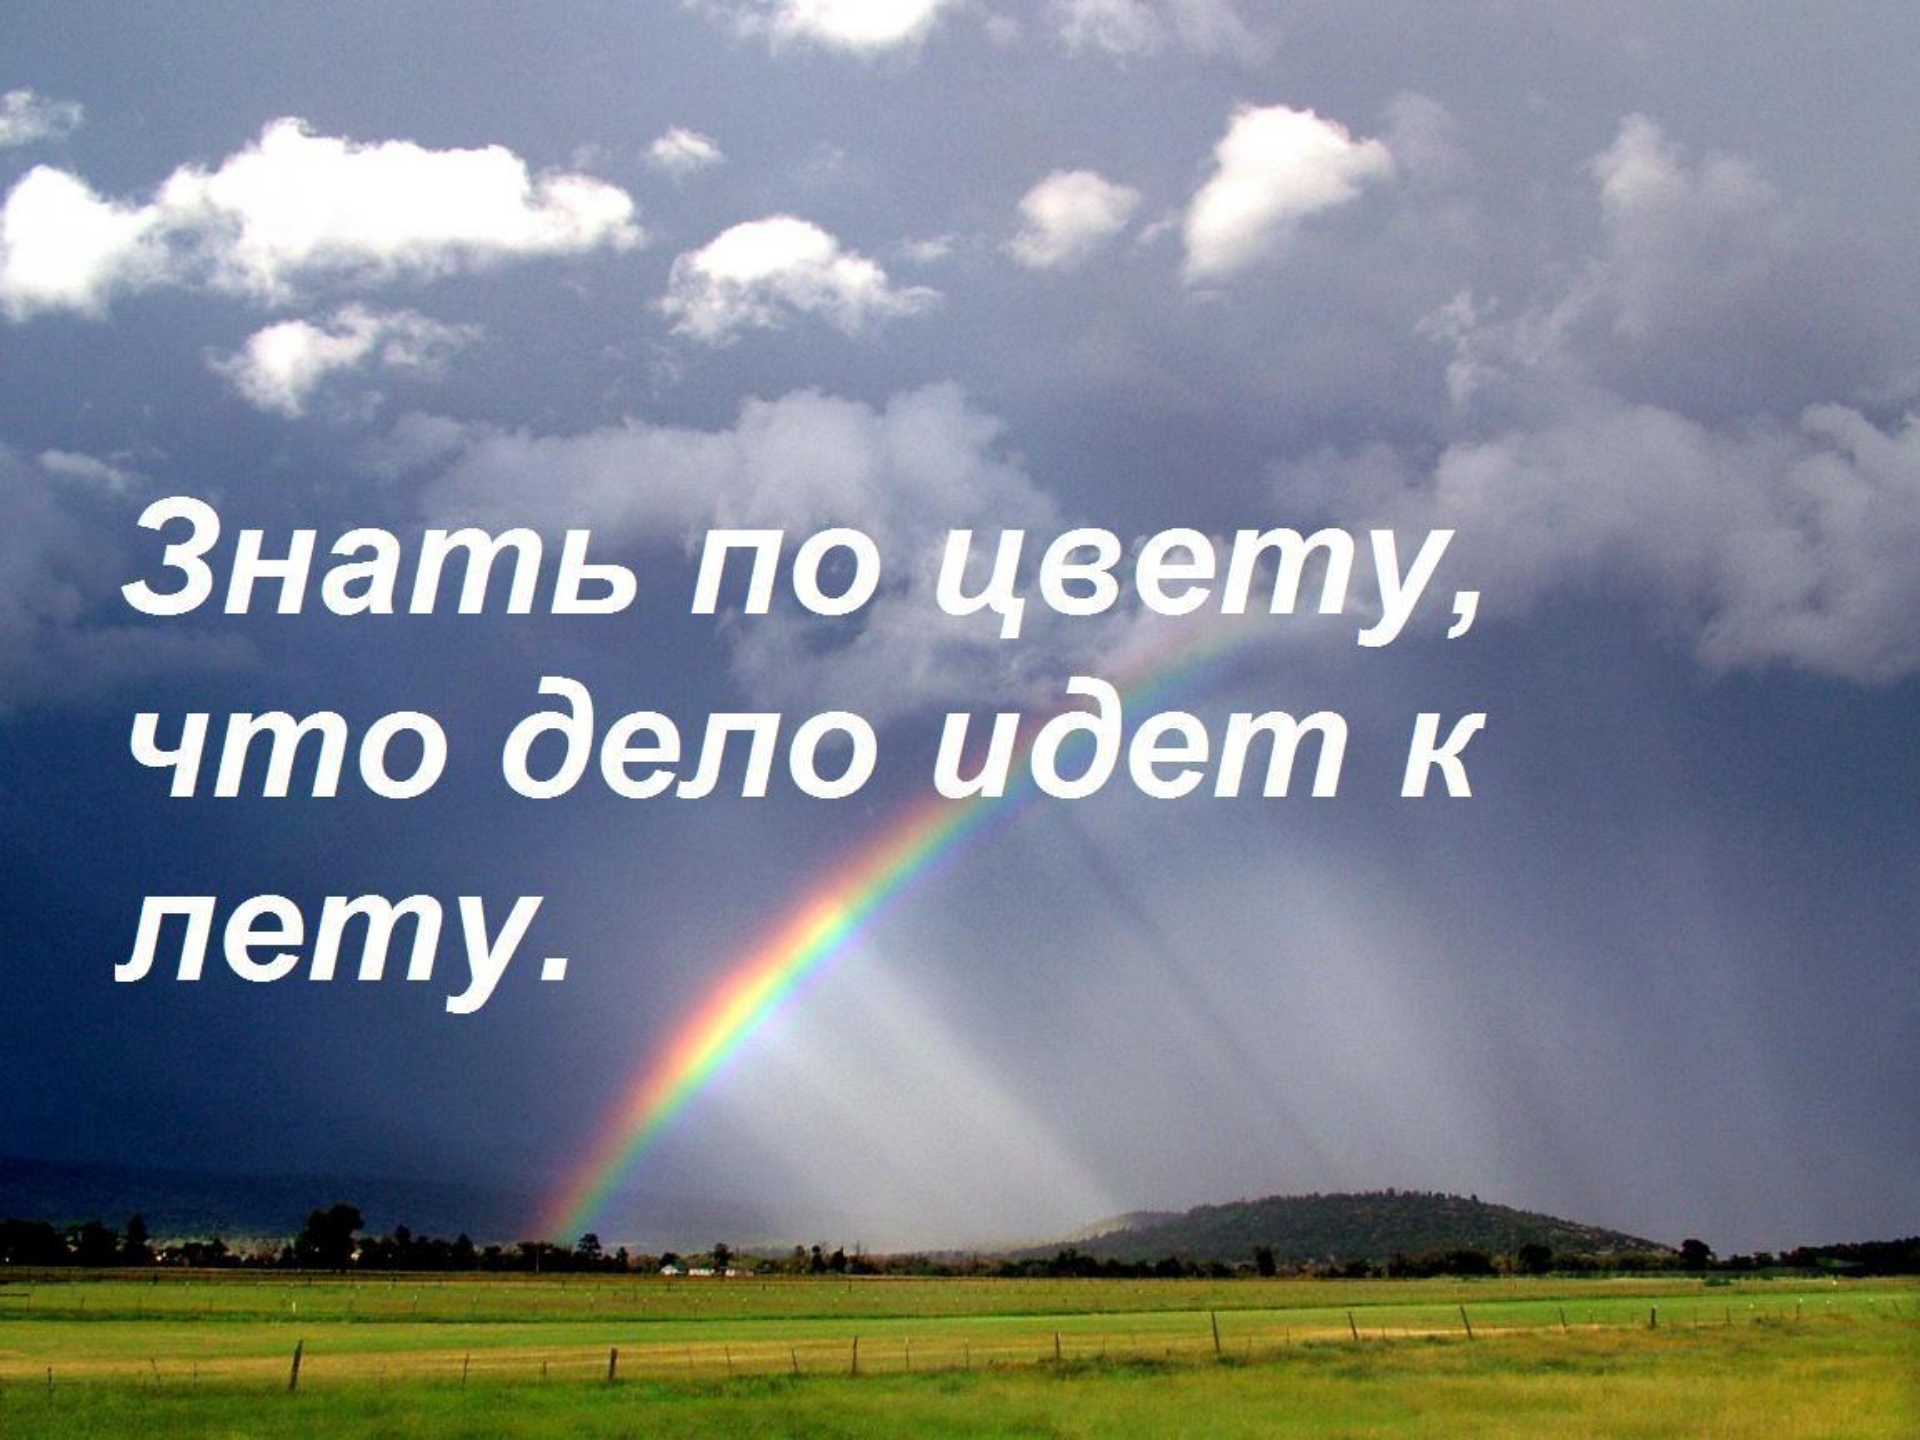

*Летние приметы.*

***Знать по цвету,  
что дело идет к  
лету.***

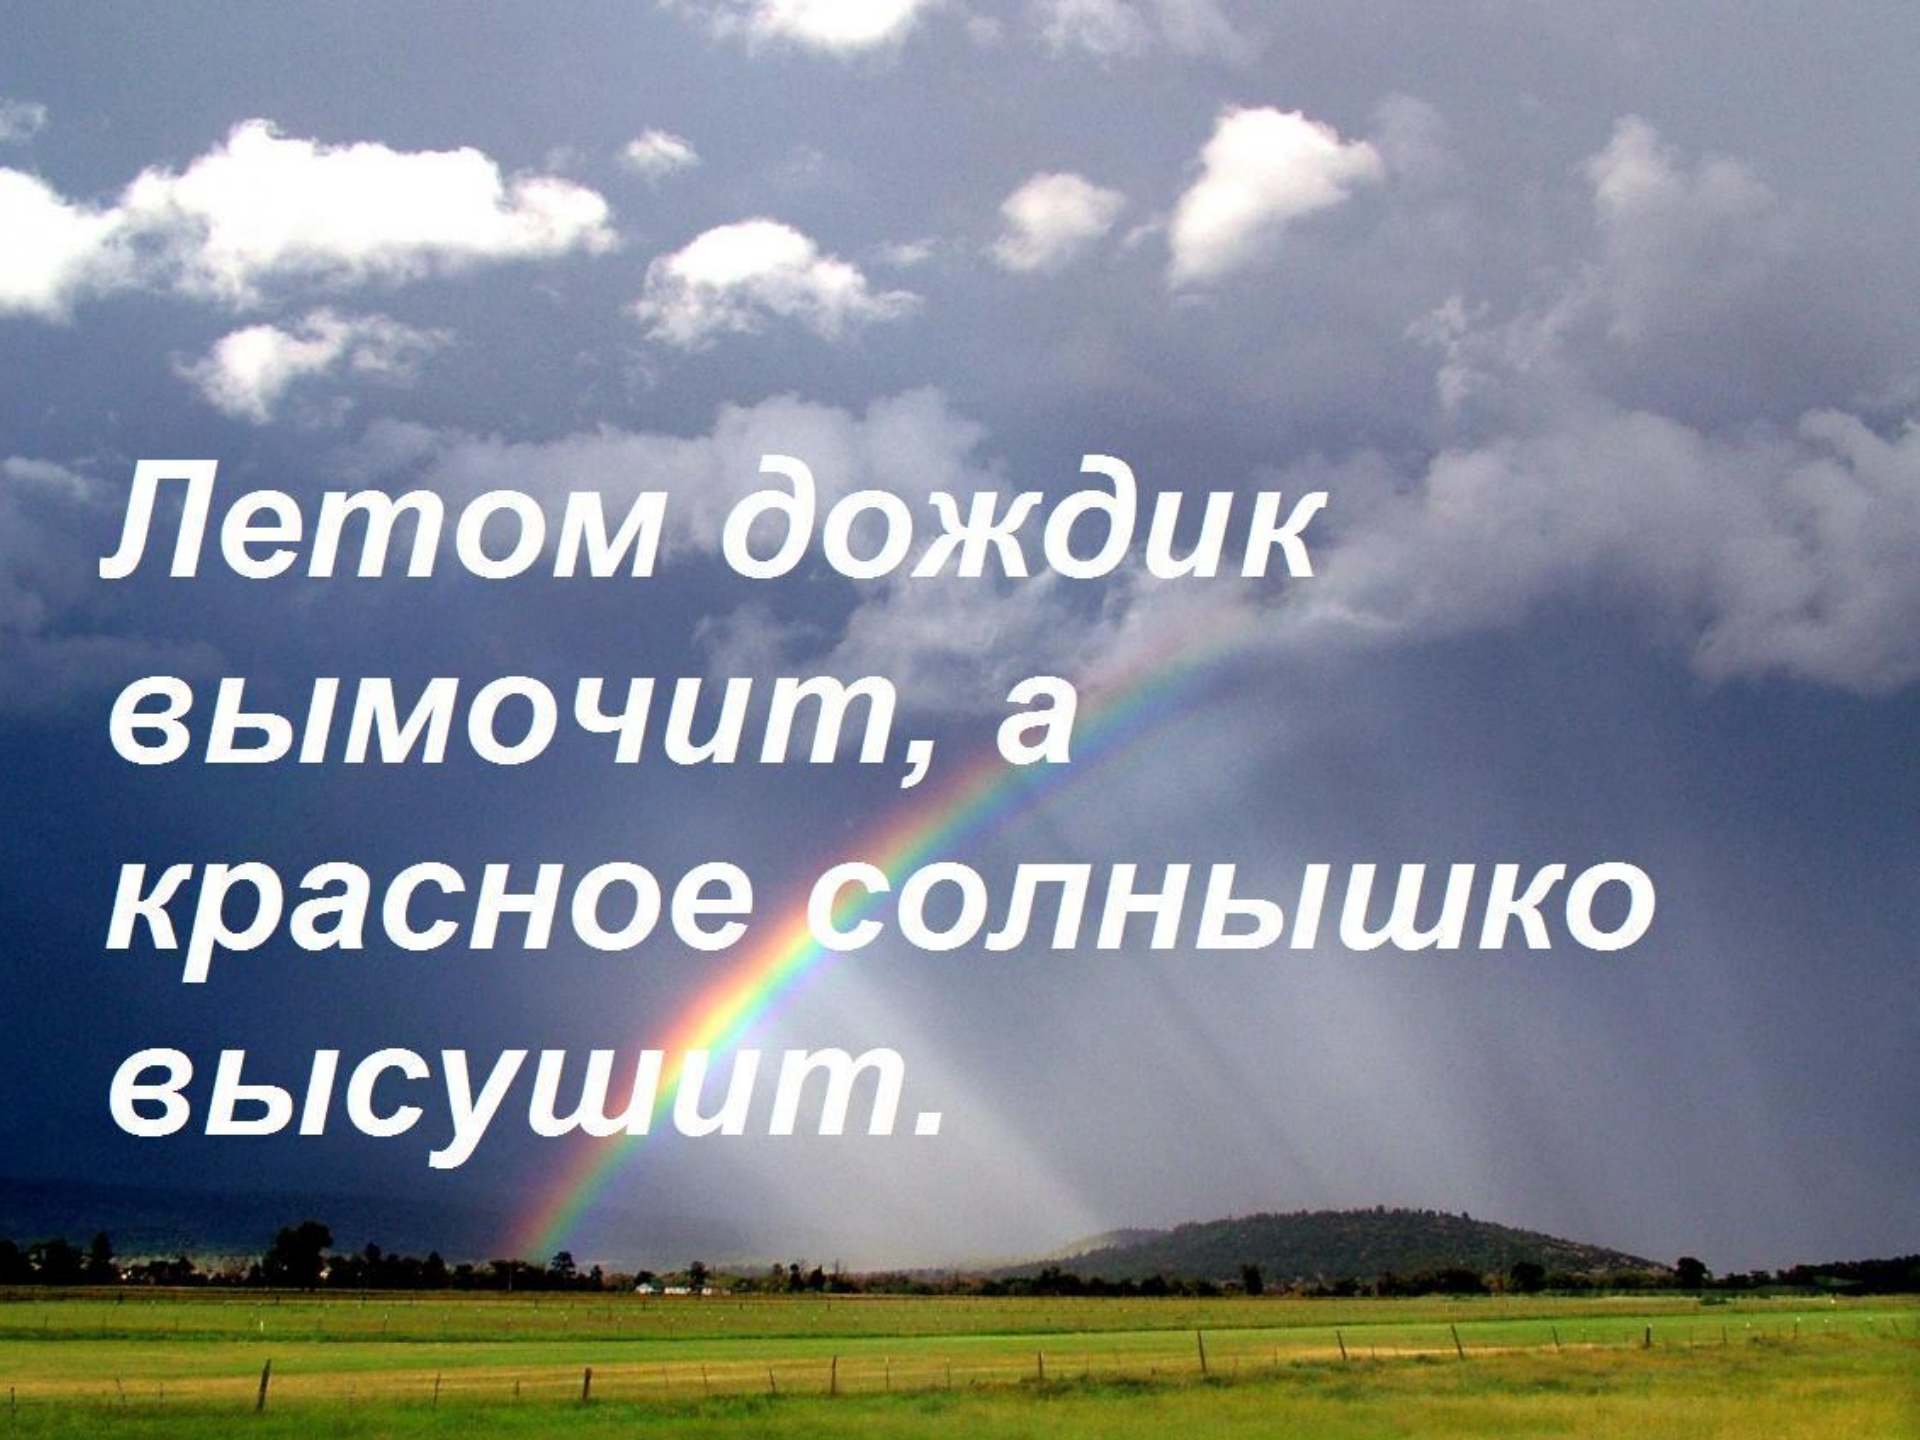

A vibrant rainbow arches across a dramatic, cloudy sky. The foreground is a lush green field with a fence line. In the distance, there are rolling hills and a small cluster of buildings. The overall scene is a mix of natural beauty and atmospheric drama.

***Всем лето  
пригоже, да  
макушка тяжела.***

A landscape photograph featuring a vibrant rainbow arching across a dark, stormy sky. Below the rainbow, a green field is visible, with a fence line in the foreground. In the distance, there are trees and a small hill. The overall scene suggests a transition from a storm to a clear day.

***Летом дождик  
вымочит, а  
красное солнышко  
высушит.***

*Если гроза — сена  
будет за глаза.*

***Знойный июнь — на  
рыбалку плюнь.***

A vibrant rainbow arches across a dramatic, cloudy sky. The sky is filled with dark, heavy clouds, with some lighter patches where the sun is breaking through. The rainbow is bright and multi-colored, stretching from the lower left towards the center. Below the sky, a green field is visible, with a fence line in the foreground. In the distance, there are some trees and a small hill or mound of land. The overall scene is a mix of natural beauty and dramatic lighting.

***Июньские ночи  
воробьиного носа  
короче.***

*Лето бурное —  
зима с метелями.*

*Лето дождливое —  
зима снежная,  
морозная.*

A landscape photograph featuring a vibrant rainbow arching across a dark, stormy sky. The foreground is a lush green field with a fence line, and a small hill is visible in the distance under a heavy, grey sky with scattered white clouds.

*Роса да туман  
живут по утрам.*

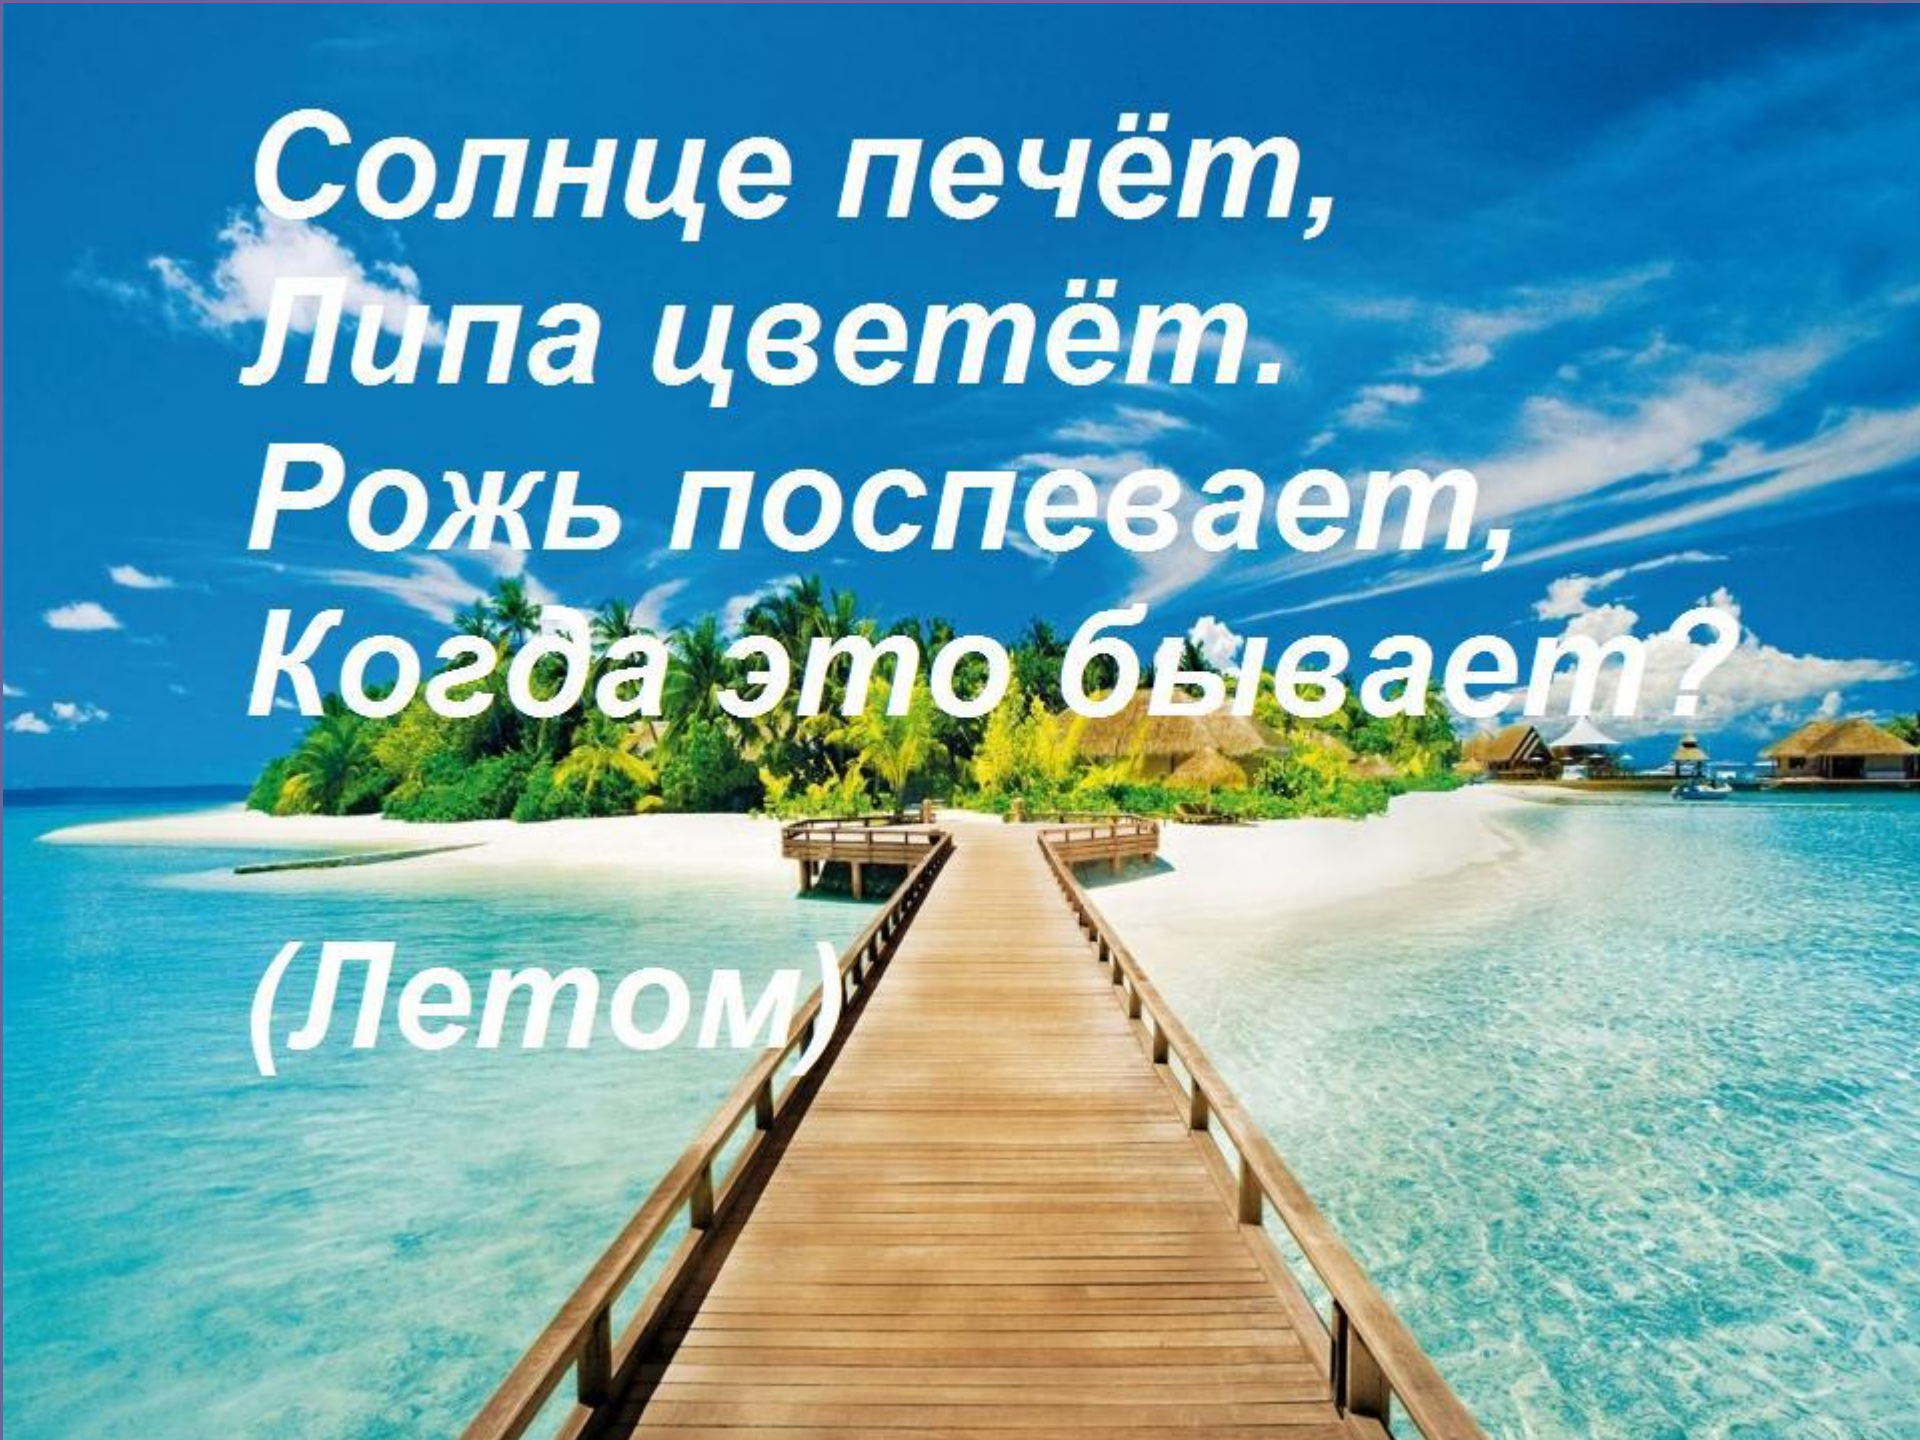

# *Загадки про лето*

A vibrant tropical beach scene. In the foreground, a long wooden pier with railings extends from the bottom center towards the middle ground. The water is crystal clear, showing shades of light blue and turquoise. On the left, a small white sandy beach leads to a lush island covered in green palm trees and other tropical vegetation. In the background, several thatched-roof huts are visible on the island, and a few small boats are anchored in the water. The sky is a deep blue with scattered white clouds. The text is overlaid in a large, white, sans-serif font.

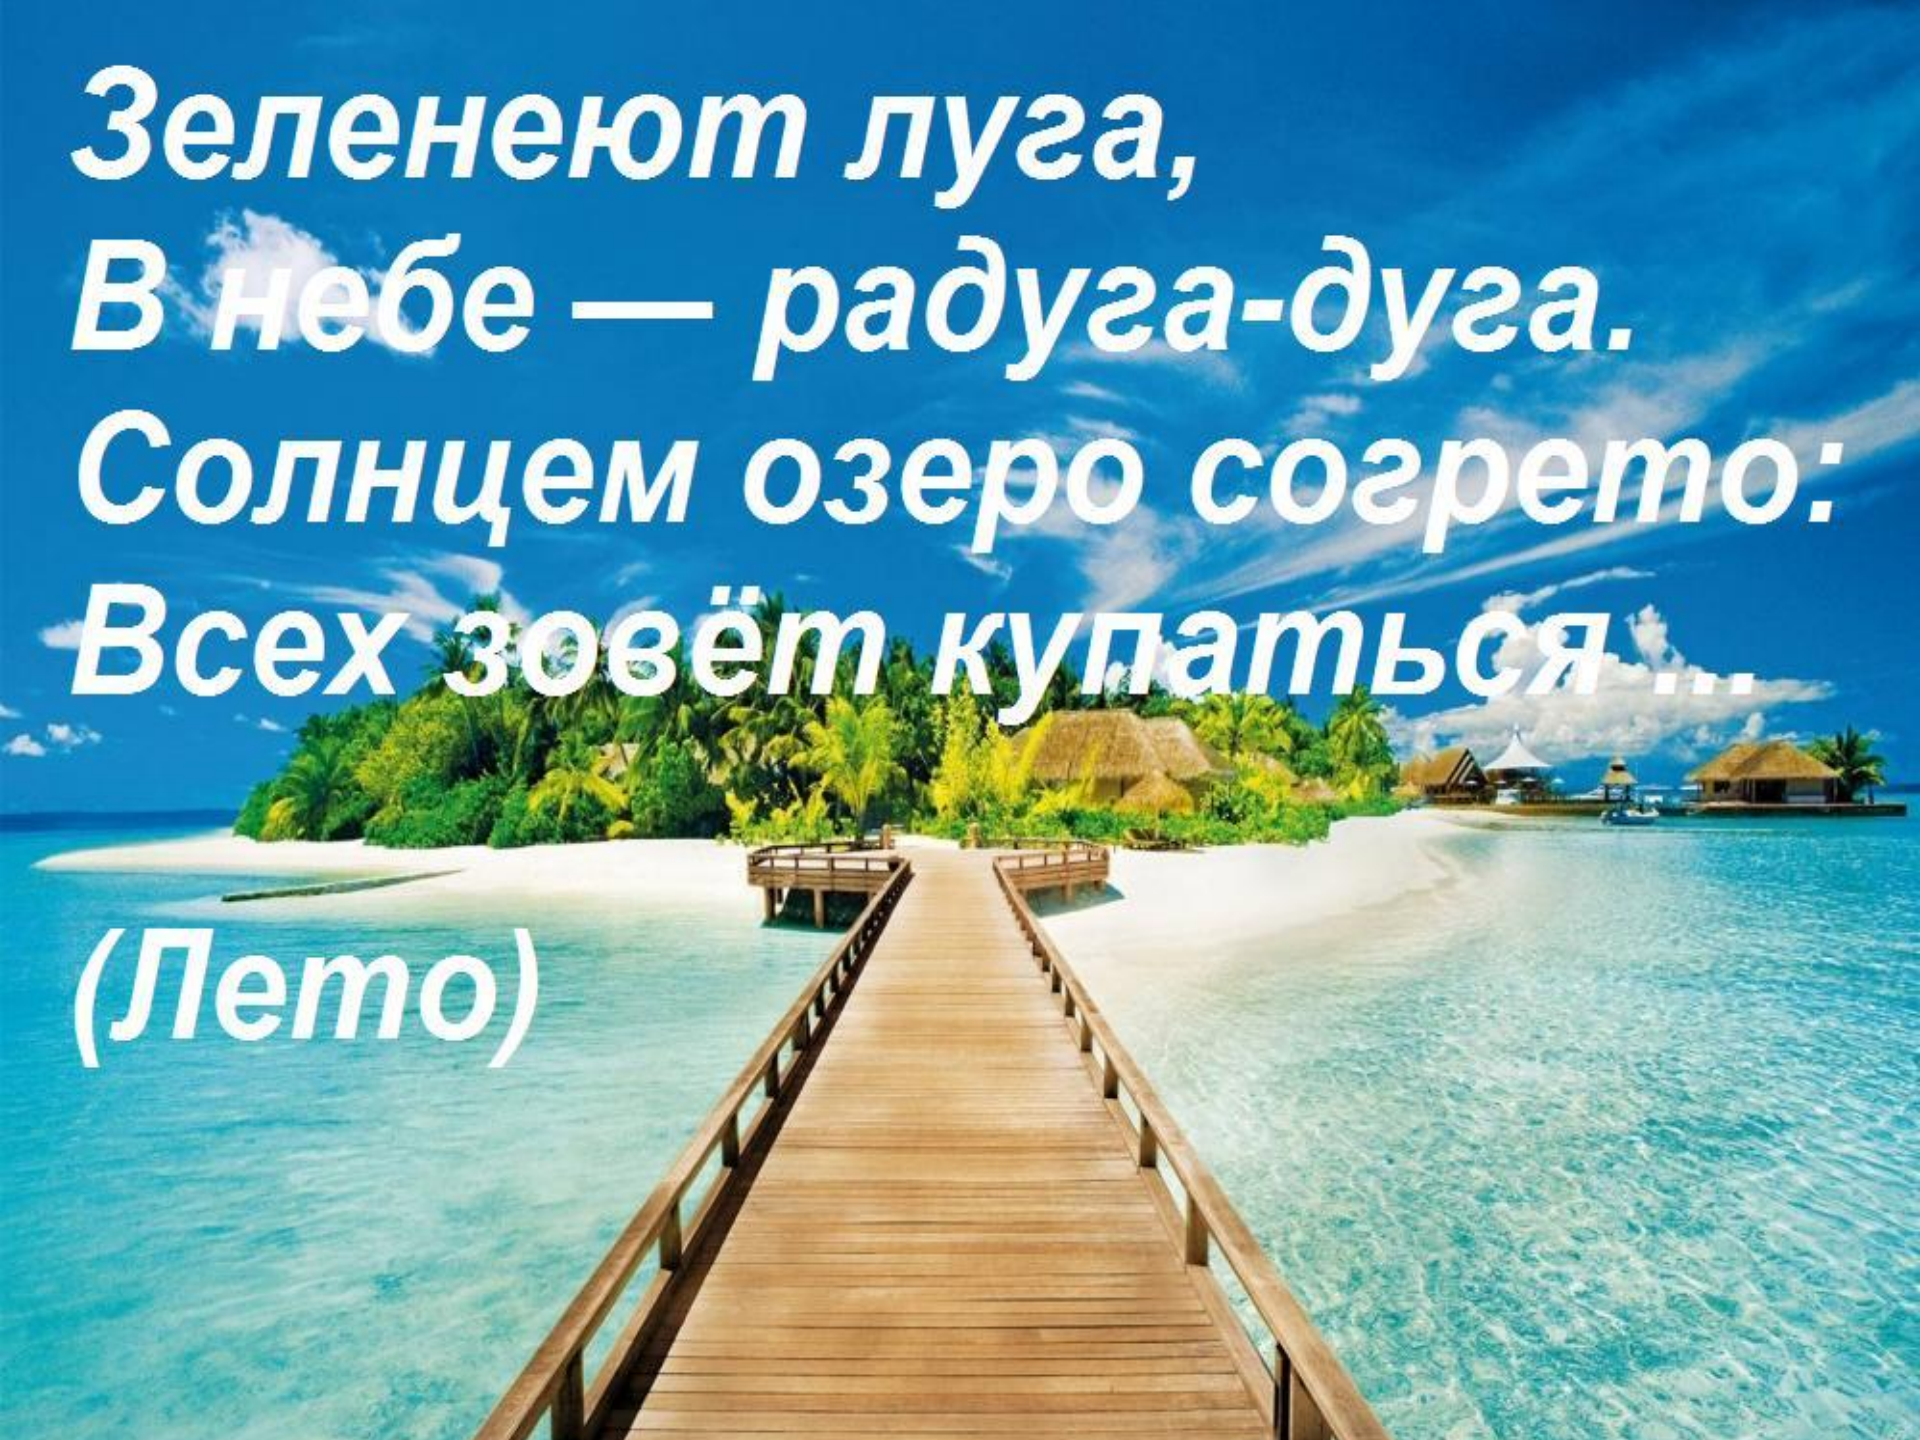

*Солнце печёт,  
Липа цветёт.  
Рожь поспевает,  
Когда это бывает?*

*(Летом)*

*Зеленеют луга,  
В небе — радуга-дуга.  
Солнцем озеро согрето:  
Всех зовёт купаться...*

*(Лето)*

Тёплый  
Длинный-длинный день.  
В полдень  
— Крохотная тень.  
Зацветает в поле колос,  
Поддаёт кузнечик голос,  
Дозревает земляника.

Что за месяц,  
Подскажи-ка?  
(Июнь)

**Жаркий, знойный,  
Душный день.  
Даже куры ищут тень.  
Началась косьба хлебов,  
Время ягод и грибов.  
Дни его — вершина лета.  
Что, скажи,**

**За месяц это?  
(Июль)**

**Листья клёна пожелтели,  
В страны юга улетели  
Быстрокрылые стрижи.  
Что за месяц, подскажи?  
(Август)**
