The Literary Tour on the Vyatka Land for foreign tourists

**Created by Ksenia
Trukhina**

INTRODUCTI ON

- Literary tourism is a subset of cultural tourism
- It provides tours to any part of the world with the target of visitig the places connected with favorite writers or main characters
- Tourists have a chance to visit author's homes, literary museums, towns and villages where stories were written, and places which inspired the writer
- Tourists can participate in seminars, readings, and listen to literary lectures they are interested in
- Special literature guides accompany

TARGET AUDIENCE

- Writers and literary critics investigating the writer's creativity
- Directors and screenwriters working on a film
 - about the writer and his works or filming the book
- Pupils and students studying the writer's works,
 - the Russian language and Russian culture
- Young and adult literature lovers and bookworms

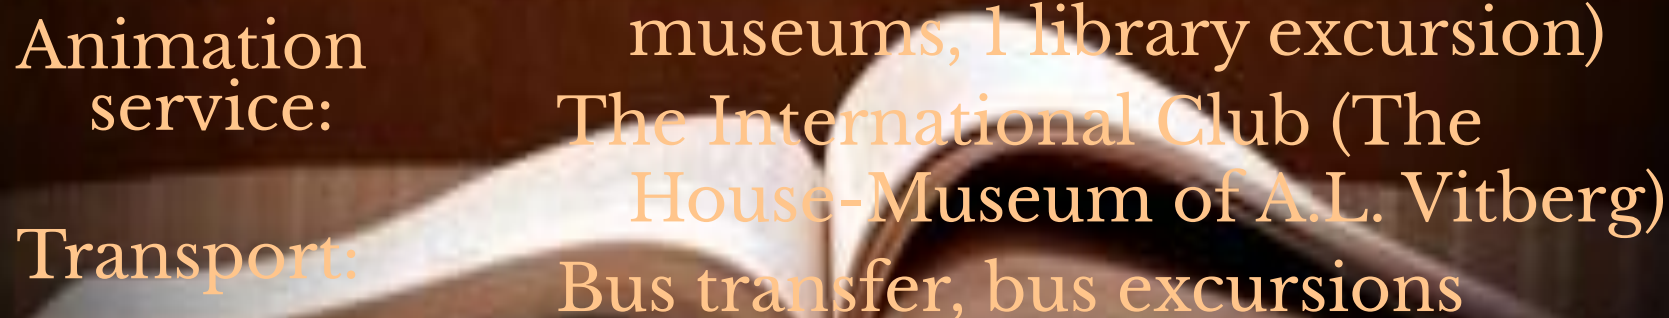

EPIGRAPH

*«Oh, Vyatka land! Possessing ancient charming,
You still remain a feast for Russian soul.
How motivate the foreigners for coming –
That is the question and intended goal...»*

by Z. Kasumova
