

Symbol of Mongolia

Symbol of Mongolia – horse.

Horse has been is symbol of Mongolia since XVII. It is a symbol of courage(МУЖЕСТВО). One of the friends and helpers of people.

Why the horse is the symbol of Mongolia

Because before, horses in Mongolia could survive in difficult situation. And that they saved their owners

For this reason(по этой причине) the horse made a symbol of Mongolia.

Description

The Mongolian horse is adapted to hard conditions (к тяжёлым условиям). They have large and powerful body.

War cavalry

During the Second World War there were 2 million horses, of which 1 million died. In the war every fifth horse was Mongolian.

Thank you for listening.
