

Hollywood

- Hollywood is a district in Los Angeles, California, the United States of America. A great number of movie studios are situated here as well as many movie stars have their houses in Hollywood.

Sights

- The main sightseeing of Hollywood is Hollywood Walk of Fame. It consists of more than 2400 five-pointed stars on the sidewalks along 15 blocks of Hollywood Boulevard.

Sights

- The famous hillside Hollywood sign, is perhaps the most iconic sight in Hollywood. The original sign read Hollywoodland, advertising a new residential development. It was never intended to be a permanent sign and was not built to last throughout the decades. Eventually the sign was changed to simply Hollywood and became a recognized symbol of the city.
