## **Areas and spheres of mutual interests in Russia Federation and Germany**

Russia and Germany are two countries with a rich, centuries-old history, two states whose relations have great importance and influence on the life of the European continent, and the whole world.

The interests of these two countries are closely interrelated.

# 1 Cooperation in the economy

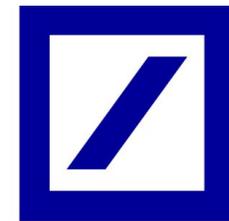

The German economy has long realized that on a global scale, politics and the economy are effective only in cooperation with Russia.

# 2 Cooperation of countries in the banking sector

**Deutsche Bank**

# 3 Cooperation in the tourist sphere

## 4 Cooperation in the field of education

Its main task is the development of understanding of other cultures, the education of tolerance and civic engagement.

## 5 Cultural ties
