Ireland

*Castles
at
Dublin
and
Blarney*

*COBH (say Cove) - a fishing port in Cork Harbor.
The Titanic left from this port.*

NEWGRANG

E

Newgrange is a 5000 year old active solstice site. It is made of stone structures called cairns. It is used to track and record movements of the sun. Ancient people used this for their calendar.

Englan d

Let's travel through London

Big Ben is a famous 316 foot tower that has a clock on it. It was named after a man called Sir Benjamin Hall. He was in charge of building it.

clock →

Benjamin Hall

The London Tower Bridge is a very famous bridge.

Outside of the Buckingham Palace, there are guards that act like soldiers. The guards are very serious about their job. They are not allowed to talk to anyone. Every day at the same time they change places with a new set of guards. This is done very neatly and organized. People come from all over to watch this happen....

Buckingham Palace is the place where the Queen of England lives. It has many rooms and is decorated with lots of expensive things.

Queen of Great Britain

Trafalgar Square is a famous place where people gather to meet. There are large fountains, waterfalls, and big statues to see.

Wales

Wales British Isles

Caernarfon is the most famous Castle in Wales

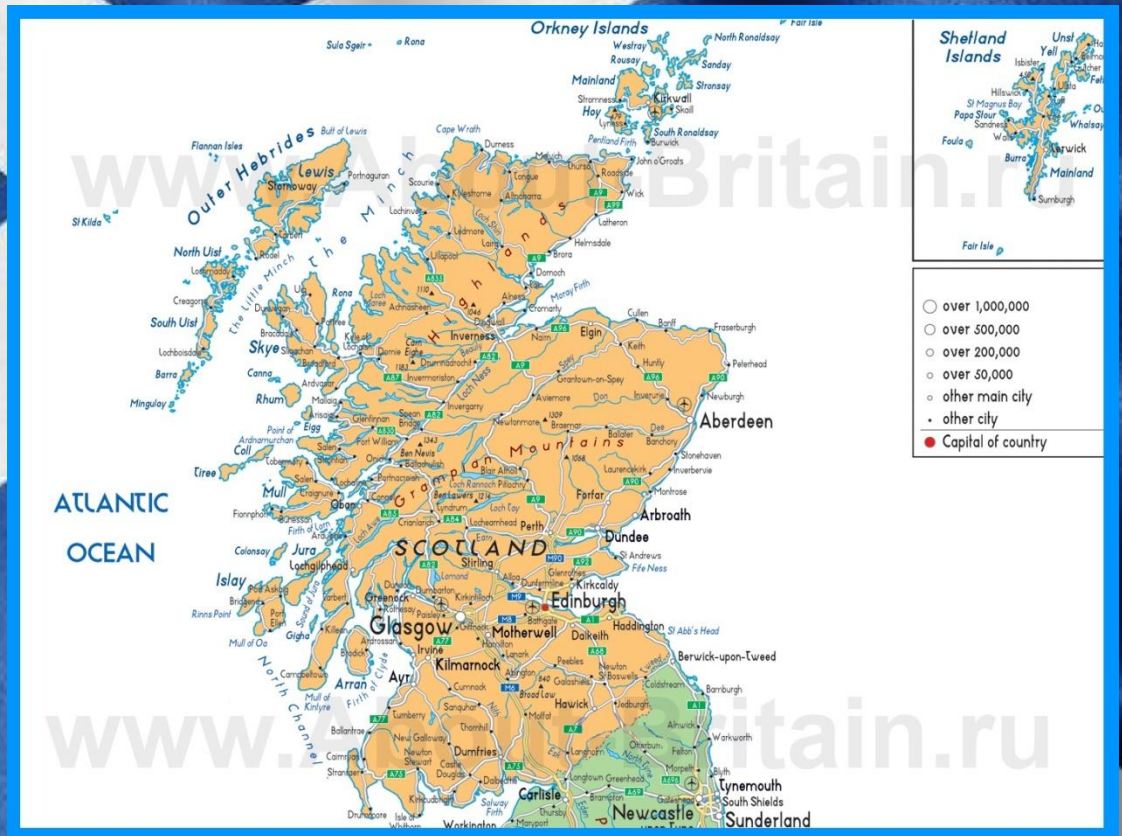

The castles of Wales were built by the English. They conquered Wales and built the castles to keep control of the countryside.

Denbigh is the largest town in Wales

You could drive all the way across Wales in less than an hour. Yet the Welsh have their own language and tradition.

Scotland

Now we are going to Scotland

Castles and Gardens from Scotland

Beauties of Scotland

*"Let's see the gardens of
Scotland"*

*The Climate in Scotland is Cool and Rainy. Gardens
grow well here. Many people in Scotland are so
interested in gardening that they form clubs and travel
together to visit famous ones.*

This is the most famous Instrument of Scotland

This instrument is called Bagpipes. It is a combination instrument that can make more than one note at once. Bagpipes are often used in parades in America because a marcher can play them and they are loud!
