

A 3D rendering of a film reel and a strip of film against a dark background. The reel is on the left, and the strip of film extends from it towards the right, curving upwards. The film is a vibrant blue color, and the reel is a light grey. The background is a dark gradient, possibly black or dark blue, with a subtle light source from the left, creating soft shadows and highlights on the film and reel.

The image features a vintage film strip background with a central frame. The film strip has sprocket holes and a textured, aged appearance. The central frame is a light beige color with a slightly mottled texture. The text "СПАСИБО ЗА ВНИМАНИЕ!" is written in a bold, red, sans-serif font, centered within the frame. The overall aesthetic is that of a classic movie ending or a thank-you message from a film production.
