

MY FAVORITE ROBOT

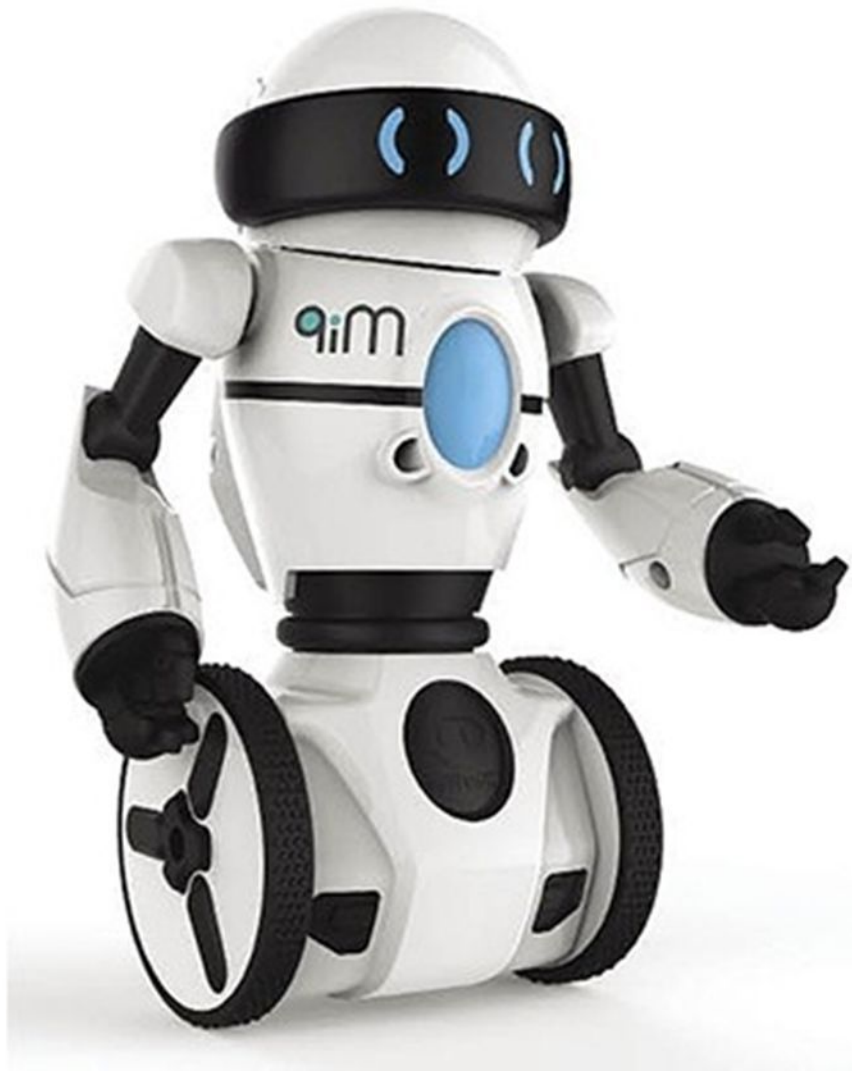

Работа: Макаровой Таисии 4 Б

- My favorite robot called MiP

- Its got two wheels, two arms, one head, two cameras and one body.

- Its got 8 parts

- Its can ride, talk, cookie and more...

Thanks

The word "Thanks" is rendered in a large, pink, textured font with a white outline. The letters are decorated with several pink roses and green leaves. One rose is positioned above the 'h', another to the left of the 'T', and a third to the right of the 's'. The roses are stylized with multiple layers of petals and are attached to thin brown stems with small green leaves.
