This was not the original composition of the group but those whom the entire world knows as THE BEATLES!

In 1963, the band began climbing to the world recognition and created a global phenomenon called Beatlemania.

The quartet has become the first British band, which have had records which gained popularity and also gained first place in the U.S. charts. The group has also won seven Grammy awards.

The most popular songs of the Beatles are «Yesterday», «Let it be», «Yellow submarine», «Obladi-Oblada», «Girl», «Come Together», «Hey, Jude!».

The Beatles had a profound influence on rock music and are recognized by experts as one of the most successful groups of the XX century. This group has changed the lives of many people. I personally believe that their music will never die and will continue to be played for generations to come!
