Dolls

Doll-an object (figure) in the form of a person or animal, made of fabric, paper, wood, porcelain, plastic and other materials.

I. Types of dolls

DOLLS-TOYS or dolls for the game-are distinguished by the ability to move and be the object of games this group includes:

- *Dolls-toys - (tumblers, nesting dolls, pumpkin dolls, modern mechanical doll, rattle doll, baby doll, pillow doll...) Dolls are made of wood, paper, ceramics, porcelain, plaster, fabric.
- * Theatrical dolls – (if a doll-toy is an image of a person in General, then a theatrical-model of an actor, the puppet-puppet is the closest to the actor)
- * Ritual dolls - the most ancient dolls, there is NO nation that does not have in its history of ritual dolls. They served as talismans, amulets, and were a means of transmitting to children the beliefs and culture of the people.
- * Procession dolls are large dolls designed for processions.
- * Utilitarian dolls-dolls that have a subordinate value, such as dolls-rattles, Baba on the kettle and other household items (salt shakers, potholders, staffs, vessels, etc., made in the form of dolls)
