На листе красной бумаги рисуем звезду, вырезаем ее резая верхушку, получаем основание вечного огня. Делаем георгиевскую ленту, она должна быть длиннее ширины листа..

По краям листа и центре фиксируем ленту клеем.
Таким образом лента получается объемной.
Приклеиваем основание вечного огня и пламя, вырезаны и приклеиваем цветы и травку. Делаем надпись.
