

# Travelling By

# Car

*Cars are the best  
transportation.*

Minuses

# Expensive gasoline

# Cheaper the car - more quickly it breaks

# Expensive car - dear to its spare parts

Pluses

**Travelling by car you can stop in  
any place take, pictures and so  
on**

# Millions of people drive to the work

# To the country houses

# To visit their friends

**They go shopping to the market.**

# They travel up to long-distance trips

**Travelling by car we can listen to music.**

# There are drive-in cafes in some countries

It is hard to imagine life without car.

Thanks for attention ;)
