

# My hobbies

# Cinematography

I'm crazy about cinematography

I spend every night watching movies or serials

Quentin Tarantino, Peter Jackson and Cameron Crowe are my favourite movie directors

I made two short films and in the future I want to make a full movie

Some of my favourite modern movies

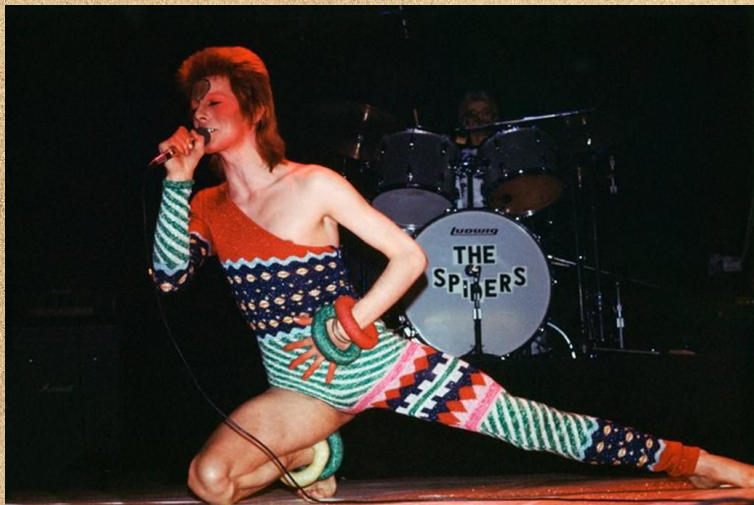

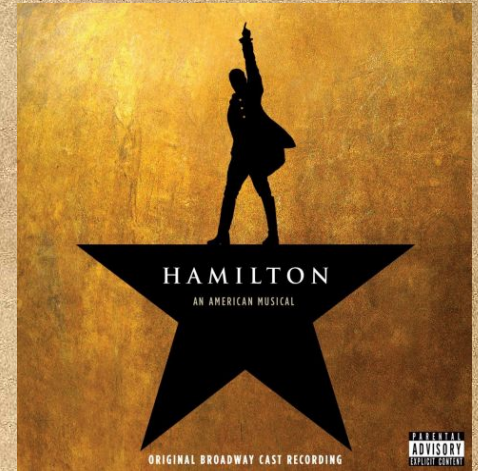

# Music

I am fond of music

I play the guitar and the piano

I really love 60s, 70s and 80s rock music

But more than anything in this life I love musicals and operas

# History and mythologies

- Not so long ago, I became interested in the history of America and France.
- The most interesting part of history is the American revolution and the Great French revolution.

- I've been interested in mythology since I was a child
- I like to read myths from different countries, especially Scandinavian and Slavic ones

# Literature

The only thing I am keen on from my childhood to this days is writing.

I like to write poems, stories, articles and even novels.

I became interested in writing after reading "The Lord Of The Rings"

I usually write about fantasy world I created  
George Martin, John Tolkien Lewis Carroll,  
Andrzej Sapkowski and Margaret Weis are my  
favourite writers and masterminds

I wrote my first poem when I was 7 years old
