

**Learning  
unlimited.**

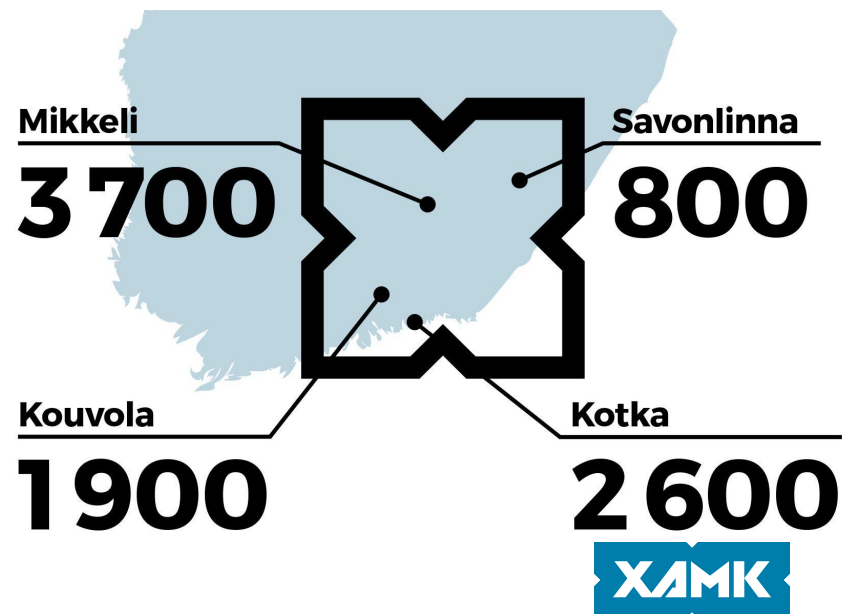

# Xamk is the 5th largest UAS in Finland

- 9,000 students
- 750 employees
- 1,700 graduates per year
- 60 (approximately) Bachelor's programmes
- 22 Master's programmes
- 4 campuses
- 350 partner institutions around the world
- Region of operations: Southern Savonia and Kymenlaakso
- Second largest UAS in Finland in terms of budget; annual turnover EUR 70 million
- Extensive RDI activities
- Versatile services

## Campuses in four towns

- The range of services on campus is wide: restaurants, cafés, libraries, indoor and outdoor sport and leisure facilities, as well as services to promote studying and student well-being
- The learning environments – classrooms, auditoriums, laboratories, workshops, etc. – are modern and comfortable
- In addition to providing education, all campuses engage in a diverse range of research and development activities and provide services

# Mikkeli Campus

- Mikkeli Campus provides education in
  - technology
  - social services and health care
  - business administration
  - forestry
  - tourism and hospitality management
  - youth work
- The campus is located in a former garrison area, approximately 10 minutes' walking distance from the centre of Mikkeli

## International affairs at Xamk

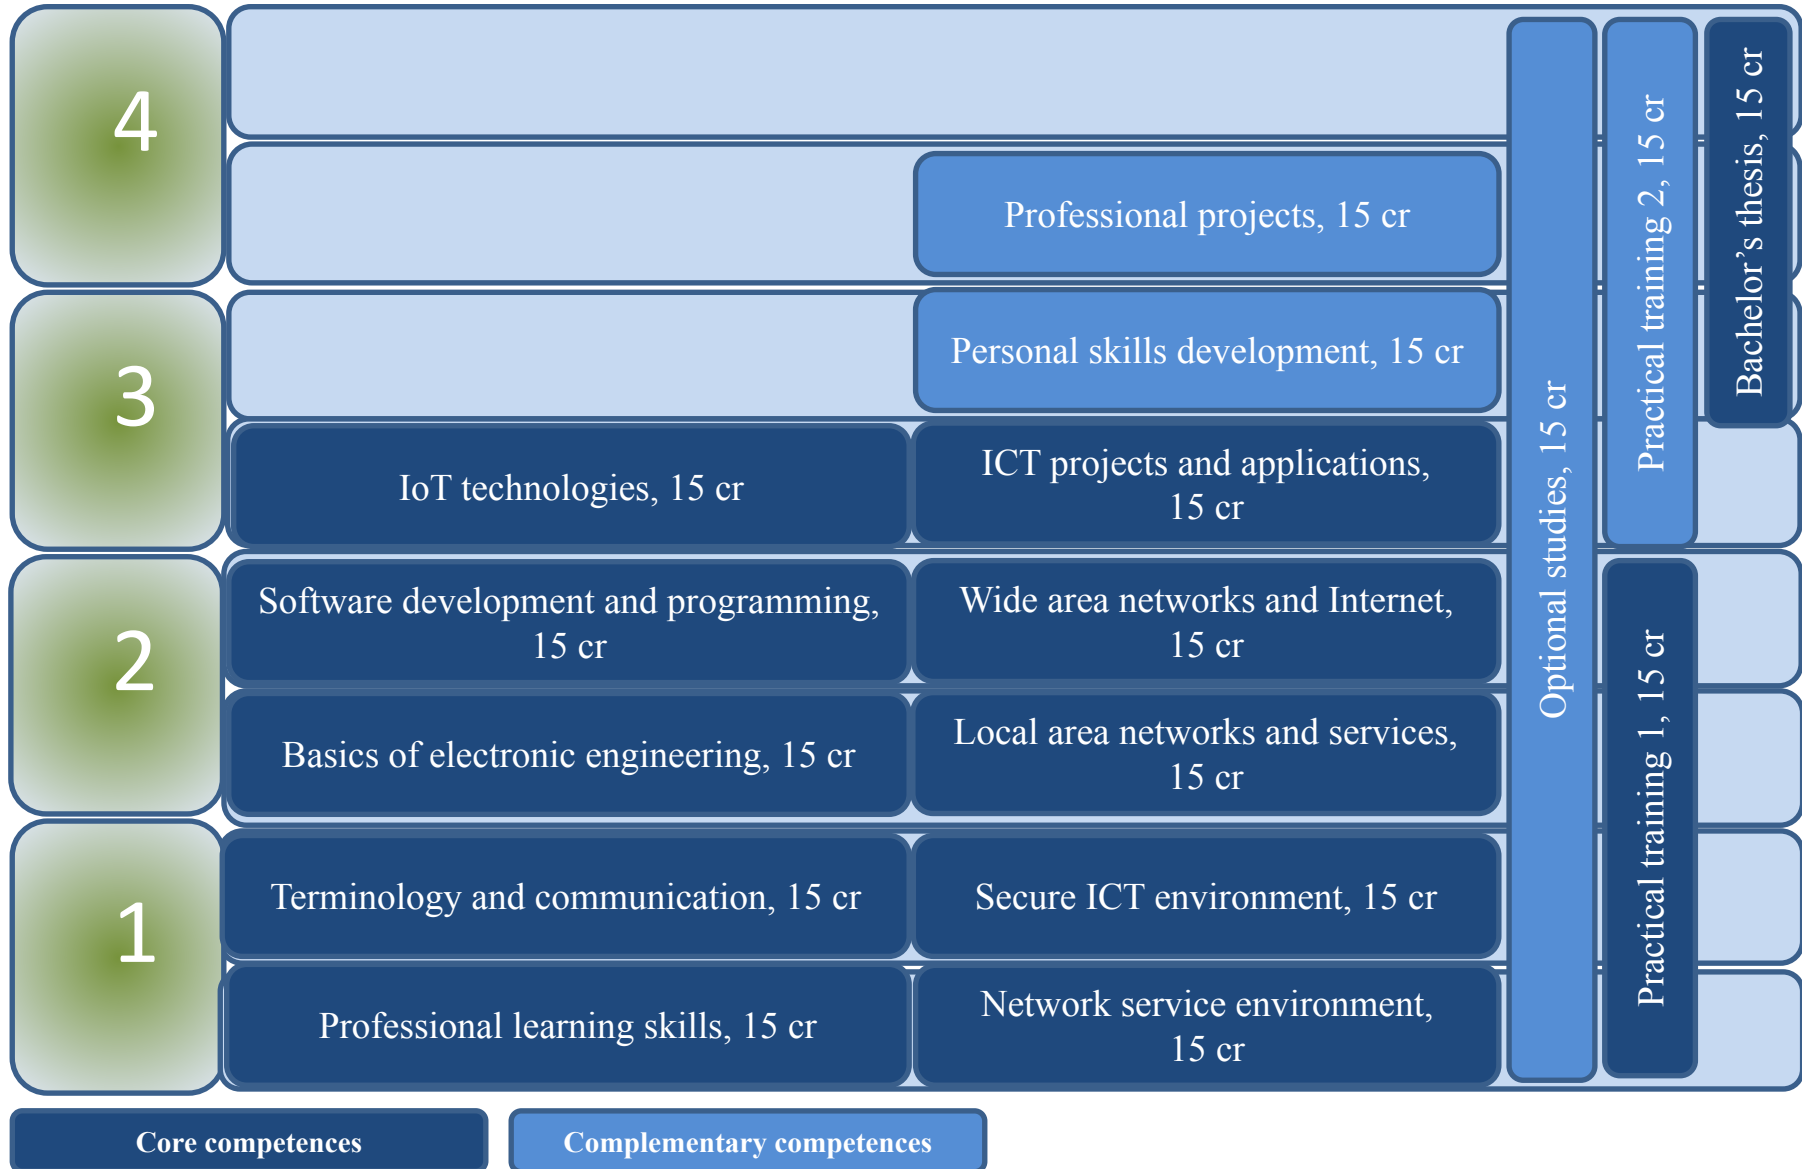

- Approximately 600 international students each year, representing over 20 countries
- Students can study a whole degree or parts of them in English, 8 degree programmes are taught fully in English
- Xamk's international networks provide access to studies and work placements abroad
- Xamk has approximately 350 partner schools

## Appreciated by students

- Flexible learning anytime, anywhere
- Relaxed study environment, good team spirit, nice campuses
- Efficient support services – students are not left alone with their problems
- Good opportunities for student exchange around the world
