SPRING - ONE OF THE FOUR  
SEASONS, SUMMER AND WINTER.

**SPRING - IT IS MARCH, APRIL AND MAY. IN JUST THREE MONTHS, AND HOW MUCH THEY MEAN IN OUR LIVES! NATURE BEGINS TO AWAKE. ALL THE TREES AND BUSHES ARE COVERED WITH SMALL BUDS THAT GET BIGGER AND BIGGER AND AFTER SOME TIME TURN INTO YOUNG GREEN LEAVES. THEN EVERYTHING BEGIN TO BLOSSOM, FLOWERS ARE EVERYWHERE. WE CAN HEAR THE BIRDS SINGING AND SMELL THE SWEET AROMA OF BLOOMING TREES.**

# MARCH

*On the ground, more snow, but here and there on the hills appear thawed. Already in another sun shines. The sky turns blue and blue, and the sky floating fluffy cumulus clouds. The days are getting longer and the nights shorter. All of this -*

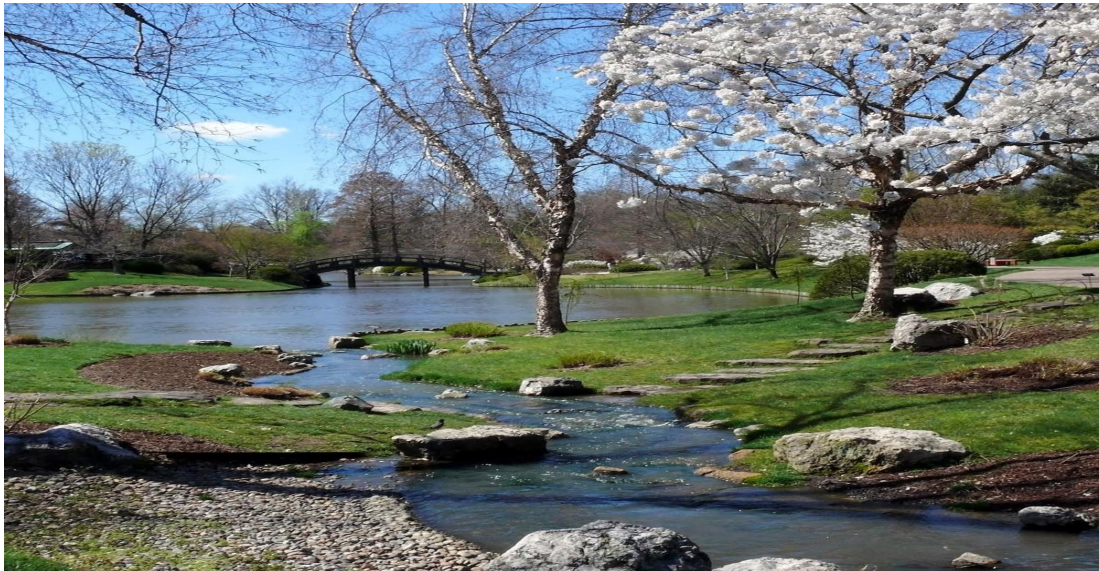

**SPRING FROM WARMER  
CLIMATES TO US NOURISH  
MIGRATORY BIRDS. BIRDS  
BUILD THEIR NESTS IN THE  
SPRING AND LAY THEIR  
EGGS. SOME BIRDS ARE  
ALREADY AT THE END OF  
SPRING TIME TO BRING  
CHICKS.**

# APRIL

*Rapidly melting snow turns into water. Thawing water filled the streets, impregnated with the ground. Everywhere puddles. Rivers overflow their banks - is a flood. Starting spring water. April - the month of spring primroses.*

AS SOON AS THE SNOW MELTS FROM THE FIELD, THEN THEY START VERY HEAVY SPRING WORK.

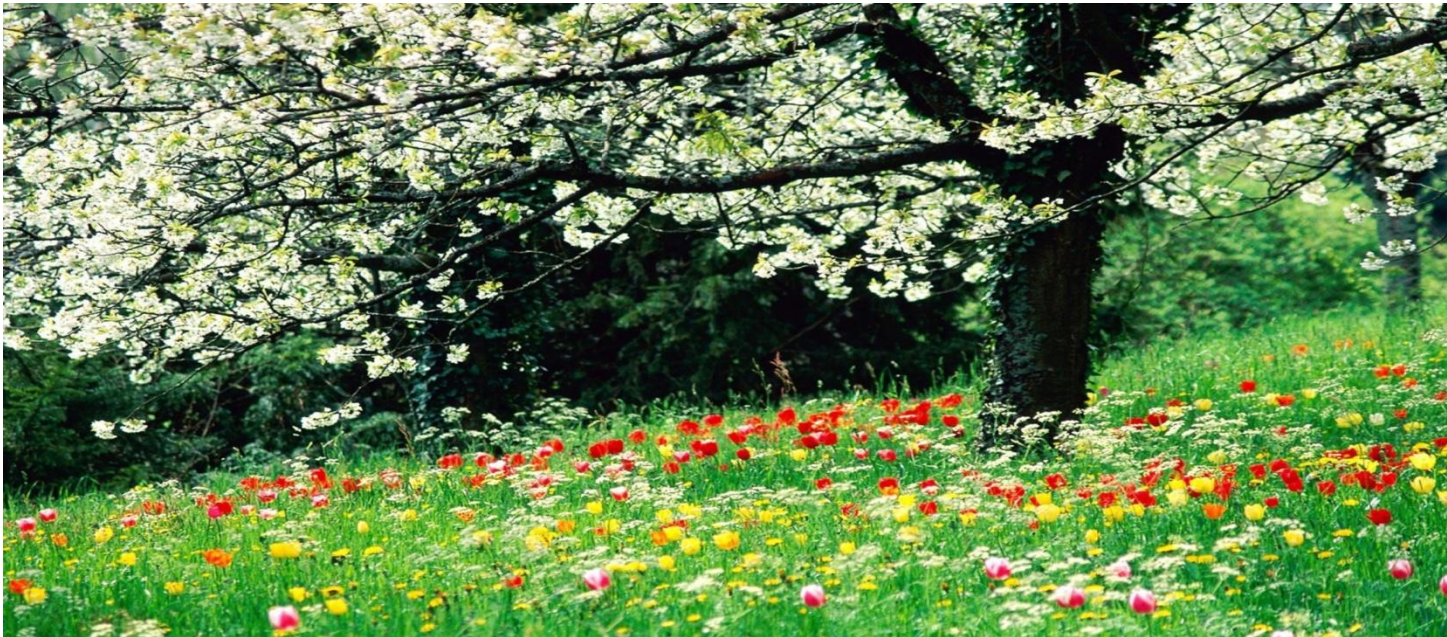

# May

*Now we can say with confidence that spring has come.*

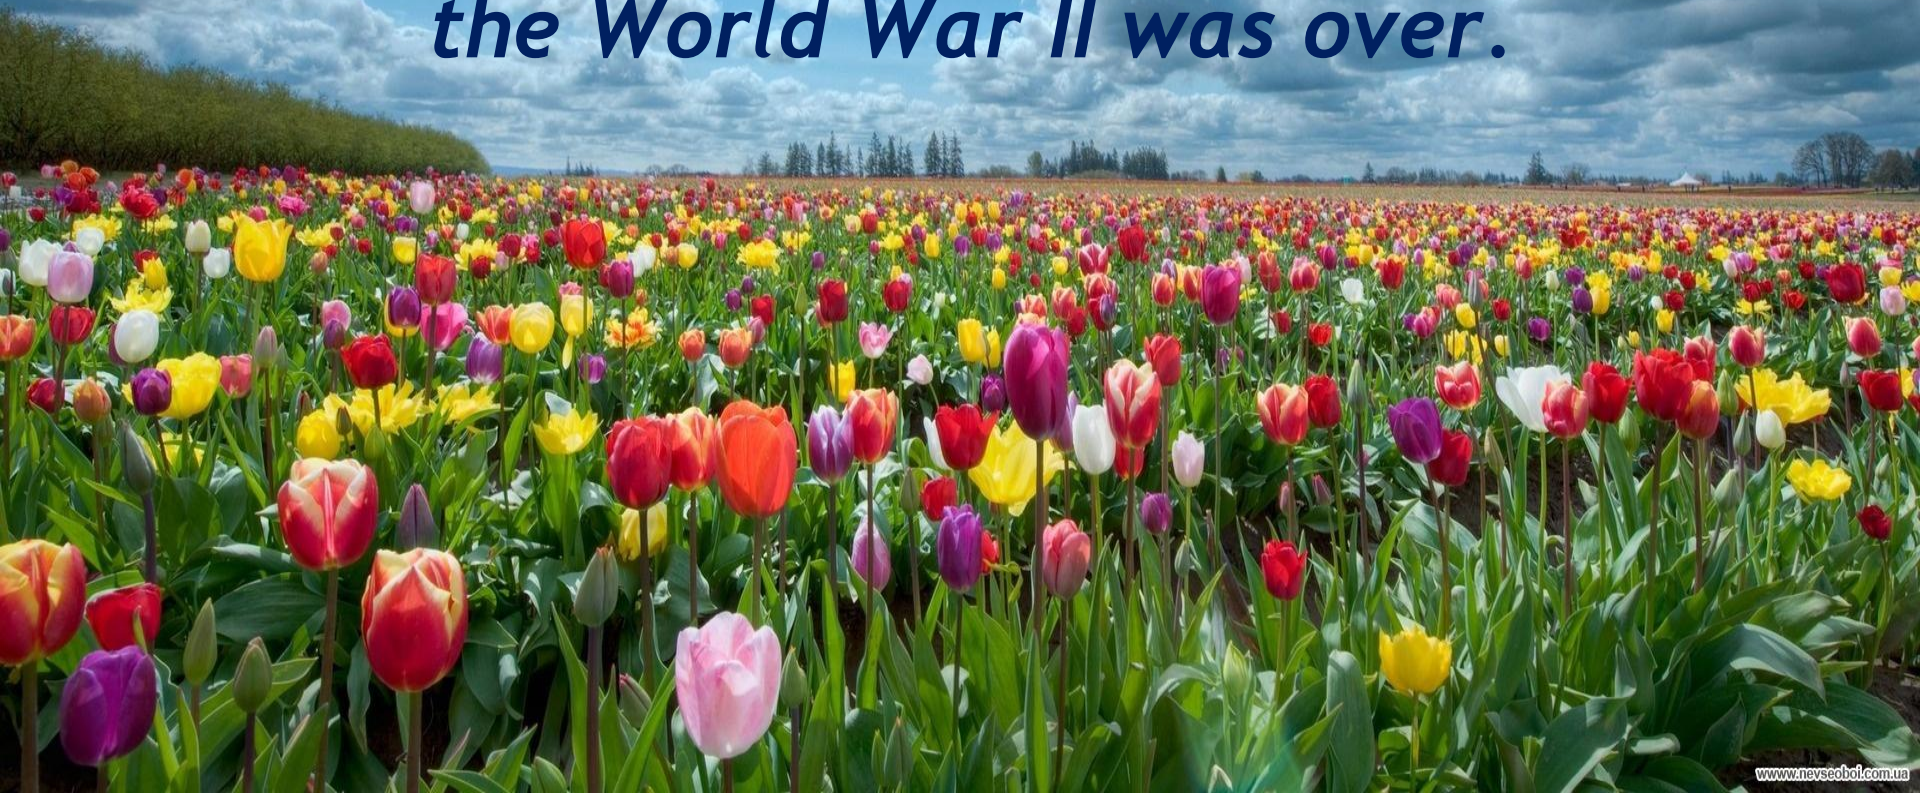

*The first thunderstorms and warm rains nourish the forest and gardens, filled with the life force of all the herbs and flowers. May - this time to love, and lilac.*

*Spring is considered a symbol of youth and vitality.*

*In spring we celebrate some interesting holidays. On the 8th of March it's Women's Day. Then we celebrate Easter, the Christian holiday of revival and love. On the 9th of May it's the great day for our country. We celebrate the Victory Day. Many years ago the World War II was over.*

LATE SPRING IS A WONDERFUL TIME OF THE RELATIVES AND FRIENDS FOR A WALK IN THE PARK, CYCLING AND ROLLERBLADING, AND OF COURSE REST ON THE NATURE.

**Spring** - a wonderful time of year when people enjoy life, smiling snowdrops and crush. Evoke a sense of desire and they are aggravated. Spring - a great awakening from winter shackles. It carries a sincere enthusiasm and bubbling joy.
